```
  C   G7       C
Hello again, hello
             G7      C     Am
Just called to say 'hello'
   F        Dm     G      Am
I couldn't sleep at all tonight
     Dm
And I know it's late
       G7
But I couldn't wait

  C       G7       C
Hello, my friend, hello
             G7       C
Just called to let you know
  F      Dm      G      Am
I think about you every night
        Dm
When I'm here alone
          G7
And you're there at home
  C
Hello.

F      G
Maybe it's been crazy
F            G
And maybe I'm to blame
F            G            Dm    G7
But I put my heart above my head
Em          Am
We've been through it all
       G                Am
And you loved me just the same
G                  Am
And when you're not there
  Dm           G7
I just need to hear

  C       G7       C
Hello, my friend, hello
             G7      C      Am
It's good to need you so
     F       Dm       G     Am
It's good to love you like I do
        Dm
And to feel this way
       G7
When I hear you say
  C
Hello

G7
