[Course Guide](#)

This is your space to make a record of today that will be useful to you -- and others -- now & for the future. Feel free to post notes on the presentation, ideas, suggestions, questions that didn't get answered, or answers to others' questions! After the talk I'll close the doc to editing, but I'll keep commenting open to continue the conversation.

Write your topic in 1 sentence

e.g. Comprehensive sex education should be required in high schools
