

July 30th, 2023

Dear Hill Dillo,

We are so excited that you will be starting Kindergarten at Hill Elementary School this year! We bet that you have gotten taller over the summer. Did you find time to play outside and go swimming this summer? Mr. Drummond and his family went swimming at Granny's house and visited the San Antonio Zoo. Ms. Martinez and her family visited family in Corpus Christi and enjoyed going to the beach. Ms Selig visited friends and family in sunny California. Ms. Curran traveled to South Padre Island with her family and puppies. Ms. Winfrey and her family saw a huge 4th of July parade and went hiking in Breckenridge.

Working at Hill Elementary is the best job in the world! Your teacher is already busy getting your classroom ready. She is putting together all of the learning centers and is selecting good books to read in class. This year we will have one of the best Kindergarten classes ever! Hill is a very special school with a lot of important history. We just turned 52 years old! Maybe you'll get to meet our school mascot, Dash, soon!

Even though Ms. Martinez, Ms. Selig, Ms. Curran, Ms. Winfrey and I have been in education for a long time, we still get nervous before school starts. You can help us by saying hello on the first day of school, Monday, August 14. Hopefully, we'll also see you at our Meet the Teacher event on Friday, August 11! We also plan to visit you in your classrooms during the first weeks of school to share some of our favorite books!

Your Friends,

Mr. Jack Drummond
Principal

Ms. Nancy Martinez
Assistant Principal

Ms. Ellana Selig
Assistant Principal

Ms. Hanna Curran
Counselor

Ms. Stephanie Winfrey
Counselor
