Email sequence mission

Subject line: You choose the right path

Dear

Thank you for signing up for our newsletter and claiming the free copywriting course.

[Claim your course by clicking here.](#)

This course has every important knowledge about copywriting.

But remember you won't get successful and financially free by having the course only

You need to do the hard work every day, learn, practice, try, and fail but remember

You are not a failure if you fail, You are a failure when you quit.

For now, get into your course now and deeply learn about how copywriting works.

We will be sending you emails soon

Our best regards.

Email 2

Subject line: How I successfully became one of the best copywriters

I started from scratch, with zero help from anyone and I made all the mistakes possible

That's why you have an advantage by having my free copywriting course. I'm 100% sure that you'll be as successful as I'm today by truly believing in this program.

You need to follow every step of the process if you want to get rich and it's a matter of time believe me.

Once Abraham Lincoln said: "Give me 6 hours to chop down a tree and I will spend the first 4 sharpening the axe."

So be patient, trust the process and you'll make it.

See you in the next email!

Email 3 :

Subject Line: You are now a copywriter, But are you doing the work?

You may have learned about everything in the book: how different pages work, how to get clients, how to write emails, etc...

But are you practicing for it?

Before hoping to get targets you need to know that copywriting requires training, tasks, failure, practice...

You need to experience all these before talking to your actual clients and promoting their businesses.

Just imagine, what if your work or talking manners seems unprofessional to the client, would he trust you?

Would he just give you his business to write a bunch of nonsense in it?

Start by doing some tasks write your fascinations write as much as you can until you find them perfectly good, and practice on writing all short-form and long-form emails

And I'm sure that you'll win the trust of your first clients by practicing all these.

[Click here to get a list of free tasks to do.](#)

See you soon in the next email!

Email 4:

Subject line: Are you tired of getting no clients or results?

You have full knowledge of copywriting but you are receiving 0 replies from your clients.

Trust me I've been there too getting ghosted is the worst feeling ever.

But giving up wouldn't fix it either you are on the right way and you are closer than you think!

Remember what I said in the first email? - You are not a failure if you fail, you are a failure if you quit.

But if you think that it's useless to keep up, NO. It's not useless, but in fact, you know everything about copywriting you learned all these from a free guide that has all the basics of copywriting.

If you truly want to get clients in no time, I know what's the fix to the problem.

You should consult our freelance course this course will definitely boost your progress and you'll see the difference

Not only that but we guarantee you a full refund of the program if it doesn't work out

And what if I told you that it's not just a course but there is also a platform where you can network with thousands of like-minded students that are in the same mission as you

A full plan to become better than how you were.

A chance to learn from the experts in this realm.

[Are you prepared to become the best?](#)
