Post-Secondary Enrollment Option (PSEO) Expectations Contract

I and my parent(s)/guardian(s) understand the requirements of the PSEO program and agree to the following:

- ☐ **Graduation Requirements:** I am responsible for knowing and completing all ECCS graduation requirements. I must meet these requirements to participate in the graduation ceremony.
- ☐ **Forms and Deadlines:** I am responsible for completing any required coursework to meet the admission requirements for the PSEO programs to which I plan to apply.
- ☐ **Course Selection:** It is my responsibility to make sure that I am enrolling in classes that will meet my ECCS graduation requirements.
- ☐ **Course Changes/Drops/Withdrawals:** If I decide to withdraw from or drop a PSEO class, I must follow the college's official process and meet their deadlines. If I drop, withdraw from, or fail a PSEO class, I must also notify my high school counselor right away. I understand that changes can impact my graduation status and college admissions.
- ☐ **Monitoring My Progress:** My high school counselor and my parents will not have access to my PSEO grades. It is my responsibility to monitor my academic standing and contact my counselor if I am struggling.
- ☐ **Transcript/College Record:** All PSEO grades - including "W" (Withdraw), "I" (Incomplete), or "F" (Fail) - will be reported on my official ECCS transcript. The grades I earn through PSEO will be the start of my college GPA and transcript and part of my permanent college record.
- ☐ **Academic Standing:** I must maintain a good GPA and course completion rate. Too many low grades or withdrawals can affect my eligibility for future college admissions and financial aid.
- ☐ **Semester Schedules:** I must provide my high school counselor with a copy of my PSEO schedule prior to the first week of each semester.
- ☐ **Schedule Alignment:** I understand that the PSEO start and end dates may not align with the ECCS start and end dates. It is my responsibility to attend all my PSEO and high school classes during the dates of each institution.
- ☐ **Staying Connected:** It is my responsibility to stay informed about important ECCS events and opportunities (such as activities, prom, college rep visits, ACT testing, and graduation).

I UNDERSTAND THE ABOVE EXPECTATIONS AND WILL FOLLOW THEM. IF NOT, I REALIZE I MAY BE DROPPED FROM THE PSEO PROGRAM.

CHOOSING COLLEGE COURSES

Students must meet with their high school counselor to discuss which college courses will meet the graduation requirements set by Eastern Carver County Schools. If a student registers for college courses before meeting with their high school counselor, we cannot guarantee that the chosen courses will meet ECCS graduation requirements.
