Measurements:

- Blueberry Bushel: 5-1/2" x 8-1/2", scored at 4-1/4", folded, and burnished with the Bone Folder, 4-1/4" x 5-1/2"
- Poppy Parade: 3-3/4" x 5"
- Basic White: 2-1/4" x 1-1/2" for sentiment, 5-1/2" x 8-1/2"
- Silver Foil: 1" x 1-1/2"

Instructions:

1. Stamp 11 stars onto Basic White cardstock using Poppy Parade ink and die cut. Arrange them in tight, staggered rows on Blueberry Bushel cardstock and glue them down. Trim the panel to 3-1/2" x 4-3/4", adhere to a Poppy Parade layer, then attach to the card base.
2. Stamp the sentiment in Blueberry Bushel ink on Basic White cardstock and die cut.
3. Die cut one dog tag from Silver Foil.
4. Stamp the chain image onto Silver Foil using StazOn ink, then die cut.
5. Layer the silver dog tag and the sentiment piece, slightly staggering them so the sentiment is angled over the silver. Adhere together with Stampin' SEAL, leaving the area around the hole unglued.
6. Add a small dot of glue between the layers near the hole and tuck the silver chain between the two pieces. Press to secure. Attach to the lower right area of the card front using Stampin' Dimensionals.
7. Color three Natural White Dots with the Dark Blueberry Bushel Stampin' Blends marker and add to the card front.
