The Frontline-Kickeverybodys\*\*\*\*ing\*\*\* family is a Fanon season 26 episode of Supernanny. Gloria returns to the UK to visit a family from Wales with the most stubborn, violent, and selfish father she has ever encountered. Itsfunto Kickeverybodys\*\*\*\*ing\*\*\*, age 40.....Hey, hold on now....OMG! ITSFUNTO KICKEVERYBODYS\*\*\*\*ING\*\*\*?!? Well, his original name used to be Zack Frontline but he changed his name. He is married to Zoe Frontline who is 35. They have 5 children: Nikka (15), Rebecca (13), James (10), Reese (6) and Molly (4 1/2). Nikka is well-behaved and is forced to work as a third parent. Itsfunto also thinks that TV is for adults, Games are for teens, and toys are for toddlers and preschoolers. Will Gloria try to change Itsfunto's personality into his opposite and help this family in crisis? ## Top 20 Selfish Challenge Special (Brook-A\*\*\*\*\* Family)

The Brook-A\*\*\*\*\* Family... wait a minute... BROOK-A\*\*\*\*\* FAMILY?!?!?! It is the first episode of fanon season 26. Gloria Robinson has returned. She is gone to San Diego, California. Kelly Brook (nee Roberts) (25) and Everybodyis A\*\*\*\*\* (40)... wait a minute... OMG, EVERYBODYIS A\*\*\*\*\*?!?!?!?! That's right, his name used to be Herb Brook. He changed it to that name. For the Top 20 Most Selfish People 2034, he tops the list. Everybodyis always hangs out with his friends, who changed their names also, like Suckmy M. \*\*\*\* or Eat S. \*\*\*\*, and are as bad as Everybodyis himself. They share the list. They shoplift items, murder aftermidnight, break into homes, smoke cigarettes, scam people, throw drugs, and spoil funerals. Because Kelly Brook works as a nanny, and knows what to do, here we go... Everybodyis makes Orla (15) work as a third parent. Everybodyis even has Tellysfor Adultsonly (19) from his previous marriage... wait a minute... OMG, ANOTHER TELLYSFOR ADULTSONLY?!?!?! Her name used to be Katrissa Brook. She changed it to that name. Everybodyis is very concerned about Tellysfor, and far from it about Orla. Tellysfor is as bad as her father. She shares the list. And from Kelly's previous marriage is three children: Jay (6), Star (4), and Bruce (2). Jay writes on the walls and swears. Bruce throws tantrums. Star is the worst one of all. 2. Seek out storage space
3. Be a bathroom bandit

5. Find the time

## Punish Tron 4000

The Punish Tron 4000 Is An Abusive Discipline Technique Created By Richard Parks That Involves A Giant Robot Chasing A Parent's Child, Threatening To Whip Them With It's Belt, Which It Does Not Have. The Robot Has No Weapons. Super Selfish Parents Use It. Robert Freegold Is A Fan Of This Technique. The Robot Includes An 'Overdrive' Mode Giuseppe Todaro added a 'Elizabeth Alert' that alerted the robot to defend him when Elizabeth "Savage" Forever threaten him with her Abuser Chute.

Quotes:n

"YOUR PARENT HAS ORDERED ME TO DISCIPLINE YOU."

"YOU ARE TO BE WHIPPED WITH A BELT IF YOU DO NOT COMPLY TO YOUR PUNISHMENT."

"DO NOT ATTEMPT TO FLEE, TROUBLEMAKER."

"YOUR PARENT HAS THE RIGHT TO LAY DOWN THE LAW. PLEASE COMPLY."

"DISCIPLINARY SYSTEMS ONLINE. SYSTEM OVERLOAD. OVERDRIVE MODE ACTIVATED."

## Anti-Abuse Boat Ride

Elizabeth "Savage" Forever's Anti-Abuse Boat Ride is her latest discipline technique.

### How it works

When the adult abuser refuses to change their ways, Elizabeth can always resort to using the boat ride to torture them with annoyingly cute songs and animatronic versions on themselves getting terrified by horrid Among these are:

a horrified Giuseppe Todaro getting mauled Werewolf Nicole Birou-Jennings (Changed into a pack of wolves at Nicole's request).

a mutilated Everykidneedsto Gof\*\*\*themselves hanging from a rope held by Orla Birou ( Nicole ask for a change to an executioner) over a vat of acid.

a frightened Giovanni, Angelo, Pietro, and Stacie Todaro watching a happy monster Paula Iconic with a dazed Marshall in her mouth (this changed into a monster plant at Paula's ).

a crying Josephine Armstrong about to be Hanged by a phantom Denis Armstrong (Denis saked Elizabeth to turn this into a male Phantom)

Elizabeth was proud of her work until she find out Nicole, Denis and Paula are on the boat and, repulsed by how they were portrayed, ask Elizabeth to make changes to the ride.

### Victims

Josephine Armstrong

Giuseppe Todaro

Krystyna Halles

Everykidneedsto Gof\*\*\*themselves

## Lovely Zoo

The Lovely Zoo is a loving technique invented by Irene Anna Taylor. It is the good counterpart of Creepy Zoo. It helps children who are cruel to animals learn how to be nice to them.

### Animals

Fluffy the Lamb

Cutie the Cat

Playful the Puppy

Delight the Duckling

Sweetie the Sparrow

Squeaky the Squirrel

Tiny the Mouse

Cuddles the Calf

Precious the Piglet

## Swamp Rectification

Swamp Rectification is used by Trevor Willett against his children. Inspiration came from Suzanne Camacho's Spanking Stew. Trevor spent six figures on Swamp Rectification. Children get thrown in an in-ground body of water with the same ingredients the Spanking Stew uses except for Diet Coke. It also contains horse blood, giraffe blood, turkey blood, rooster blood, mud, and glue.

Trevor tells the kids to find big cubes and small cubes with letters on them, and take them to a stand one by one. He doesn't let them leave Swamp Rectification until they find all of the cubes correctly, assemble the words "SORRY" with the large cubes and "all hail daddy" with the small cubes, and then say the assembled phrases like they mean it. If multiple children are thrown in the Swamp Rectification, they cannot work together to find the cubes. Each child will be obligated to go by themselves. Who Trevor believed was the least worthy of being sent to the Swamp Rectification will be told to find the cubes first, while anyone else will have to wait for them to be rescattered and not look at any of the cubes. If a child sees Trevor rescattering the cubes, Trevor will rescatter them again, and won't stop rescattering them until no child has seen him rescatter the cubes.

If Trevor is not happy with what a child is doing in Swamp Rectification, he intends to activate a shoe horn to hit that child in the private area.

## Toy Jail

What the Toy Jail looks like

Toy Jail is a jail for toys and DVDs. If the parent takes away a child's toy or DVD for being bad, now the toy or DVD is now being confiscated.

### Rules

Take the child to a discipline technique

Confiscate the child's DVD or toy

Take the child's DVD or toy to Toy Jail

## You Get What You Get and You Don't Throw a Fit Technique

You Get What You Get and You Don't Throw a Fit Technique is a technique where a child gets what (s)he gets instead of throwing tantrums.

### Rules

When a child asks a question, you say "No." or "Maybe later."

If a child throws a fit or whines over something, tell a child to calm down.  
Say "You get what you get and you don't throw a fit." to the child.  
The child is now calm.

Marie: "Anime? What's that?"

Zoe: "Marie, anime is Japanese animation, don't worry, I'll help you, your South Korean friend Andrew can come along, hm, it appears that you didn't watch TV in North Korea."

Marie: "No, I did watch TV, but I usually watched those cute DPRK cartoons, especially the one with the raccoon dog."

Laura: Is Daddy coming?

## Anime convention

Marie: "Hello? And um--"

Anna: "OMG! Do you watch Kuroshitsuji?"

Anna: "Then you must watch Hetalia, or else you aren't a big fan!"

Marie: "Of what?"

Anna: "OF YAOI OF COURSE, YOU CAN'T CALL YOURSELF A TRUE FAN IF YOU HAVEN'T SEEN BOTH~!"

Marie: "What is this Hetalia?"

Anna: "YOU DON'T KNOW WHAT HETALIA IS?"

Anna: (confused) Huh?

Zoe: "Please, don't do that, she's very shy and she got hospitalized due to other kids in her school nearly beating her to death and sadly, their folks did absolutely nothing about it."

Andrew: "Okay, my kimilsungia flower, Hetalia was this funny anime that got banned, in South Korea, due to the portrayal of the nation, breast grabbing and annoying, I find it really funny, perverted characters crack me up, I heard that they were going to make a North Korea character but it was scrapped."

Anna: (turns to Laura) Konnichiwa, little girl!

[Laura, scared, runs up to Zoe]

Anna: Do you speak Japanese?

Marie: "Okay then, I don't hate it, but, I like Scandavia And The World a lot more, joesonghabnida?"

Andrew: "They made a South and North Korea character for SATW and guess what? The North Korea character is rumored to be a girl."

Marie: That (points to Laura) kid is my stepsister. No, she is not Japanese, she's American. She does not speak Japanese either. She speaks fluent Spanish.

Anna: "Nani's joesonghabninda?"

Marie: "" (Translation: She doesn't understand what I said!)

Andrew: "" (Translation: Yeah, I'm from one of the most pro-American nations in the world and you are from the most anti-American nations, yet I still love you)

Marie: "" (Translation: My parents from North Korea don't object us being friends, because remember how your parents from South Korea have that visa to leave or go to both Koreas?)

Andrew: "" (Translation: What do you want to cosplay as next time?)

Marie: "" (Translation: Hm, I will cosplay as Scandavia and the World North Korea, and you will cosplay as the South Korea character, yes?)

Andrew: "" (Translation: Yes)

Marie: "" (Translation: But that ignorant girl, called a communist, then the B-word)

Andrew: "" (Translation: Seriously? You are North, I am South, you don't deserve this treatment)

## End of the Day

**Nicole: "At the end of the day, Marie, Zoe and Laura met Danny with the twins outside the convention center. While Zoe and Marie took the twins to the hotel room to put them down for a nap, Danny drove Laura to Boston, Massachusetts to visit her mother's grave."**

[Dannny and Laura arrive at the cemetery and find Caroline Rutter's grave]

Danny: "Look, Laura. This is your mother. She was a wonderful and amazing woman, wasn't she? She learned Spanish when she was in high school and she wanted to teach Spanish to you. Your mother was a very special person." (He holds a photograph of his first late wife)

[Cut to: a photograph of a beautiful slender Hispanic/Caucasian woman with dark brown wavy hair, brown eyes; wearing a red, yellow, and green horizontal-striped polo sweater, pink converse sneakers and blue denim jeans. She is smiling she is carrying a Spanish guitar]

Danny: You know, Laura...today would've been your mother's birthday.

Laura: ¿Mamá's cumpleaños? (Mommy's birthday?)

Danny: That's right, sweetie. Your mommy loved baking, cooking, playing the guitar...music...Spanish...exploring the outdoors...she also liked dancing tango and the salsa, going to the theater, listening to classical rock music, reading poetry and romance novels...she also loved taking photographs, playing tennis, painting and gardening. She liked The Beatles and her favorite color was red. Most importantly, your mother loved us very much.

[Caroline's butterfly headstone includes her picture from her wedding, and the words carved in black granite: **In loving memory of Caroline Lynn Rutter. 10/7/1999 - 9/21/2023 A mother holds her child's hand for a while, her heart forever**]

Dr. Leila Morgan: (smiles) Hi.

[Danny and Laura turn to see her]

Dr. Leila Morgan: Zoe sent me to come get you and I had a feeling I'd find you here. Is this your first wife's grave, Daniel?

Danny: Yes, this is where Caroline was buried after she died from a terminal cancer. Laura was way too young to remember.

Dr. Leila Morgan: Oh, I'm so sorry to hear that. (stands in front of Caroline's grave and turns to Danny) Caroline was a very special person, wasn't she, Daniel? By the way, what was her favorite flower?

Danny: Caroline liked flower gardening. She always liked the roses and the Calendula. I still remember when Laura and I went to see Caroline in the hospice to say our goodbye. With very precious little time left, Caroline held her then, 18-month-old baby in her arms and began to sing the song, "You Are My Sunshine," in Spanish, as she sang to her every night, and then a song from the Disney/Pixar film, Coco, "Remember Me"; and then she passed away that very grim black September night. Laura did not know what happened or why it happened.

Dr. Leila Morgan: I brought these flowers...for Caroline. I'm sure she would like these. Anytime you are ready, Daniel, I will be in the car, waiting.

Danny: Thank you. I appreciate it.

Marie: "Um, excuse me, was Caroline of Hispanic descent?"

Danny: Half Hispanic. Her grandparents were of Hispanic descent and so was her mother. Her father was a Caucasian.

Marie: (looks at Caroline's photograph) "She looks incredibly beautiful."

Laura: "Err.....Thanks, Marie...."

Andrew (walks up to Marie): Hey, Marie. Zoey said you'd be here. What's up and who is that? (Noticing a photograph of Caroline, next to her headstone)

Laura: ¡Mí mamá! (My mommy!)

Marie: That is Caroline, Laura's biological mom.

Andrew: Wow, she must be really beautiful. How come I never met her?

Danny: (solemnly and sadly) She died when Laura was still a baby.

Andrew: Gosh...I'm so sorry to hear that, sir.

## When the Moon Fell

### Chapter 1

you are so manipulative, people will agree with you bc you just are a mod and you abuse your position, I was pointing out that you false banned someone and you called me annoying, well that's alright cause only you and staff team think it that way, "wah wah afghan is crying over a mute" Stfu u literally used something which was out of rules and even karos was spamming emotes if you count all of them, he unmuted me because it wasn't in the rules you narcissistic dumbass, then he used it literally hours after to use it in a flame-war to show who's boss, in a discord keyboard warrior fight, that is all, you are corrupt and manipulative

### Chapter 2

daddy dream. GOGY! Wilbur and Tommy and L'Manberg?? L'Manberg gone... but Karl Jacobs and Quackity, TECHNOBLADE! mmmm love or host. Dream SMP and Tommy exiled and Tubbo and Dream SMP War. Dream Minecraft Manhunt YESSSSS!!! NOOOOO!!! YES!! Dream Wins Hunters Fail. Corpse Husband??

### Chapter 3

Here's the thing. You said a "mountain lion is a lion." Is it in the same family? Yes. No one's arguing that. As someone who is a scientist who studies lions, I am telling you, specifically, in science, no one calls mountain lions "lions". If you want to be "specific" like you said, then you shouldn't either. They're not the same thing. If you're saying "lion family" you're referring to the taxonomic grouping of Felidae, which includes things from house cats to ocelots to tigers. So your reasoning for calling a mountain lion a lion is because random people "call the big ones lions?" Let's get panthers and leopards in there, then, too. Also, calling someone a human or an ape? It's not one or the other, that's not how taxonomy works. They're both. A mountain lion is a mountain lion and a member of the lion family. But that's not what you said. You said a mountain lion is a lion, which is not true unless you're okay with calling all members of the lion family lions, which means you'd call house cats, tigers, and other cats lions, too. Which you said you don't. It's okay to just admit you're wrong, you know?

## [DON'T TAKE MY SON'S SHADOW PLUSH, EVER!](#)

"DON'T TAKE MY SON'S SHADOW PLUSH, EVER!" is a creepypasta about Toshio and Satoko Samo from Jennie-Olive Gane's POV

### Story

It was a rainy evening in the Samo-Woods Family I was visiting, Satoko just killed me, I had taken her son's Shadow plush and disturbed her watching AKIRA

Let me tell you how it all started, I visited the house for a few days with my spoiled 8-year old Keira, she demanded the plush toys while screaming "I WANT IT! I WANT IT! I WANT IT!", so I took the Shadow plush, then I heard a voice coming from the doll, "Behind you!", a few minutes, I fondled with Satoko's breasts while watching anime with her, then she knocked me unconscious,

Then I was, bounded and blindfolded, then someone took it off, It was a Japanese woman in her late 20's, she wore a corset, with a short black skirt, as well as having large breasts, and have a katana with blood on it, with a devillish smirk, she stabbed the katana into my eye and I screamed,

The boy who my daughter was talking about came in, he stared at me with soulless eyes before snickering and getting out a knife, he stabbed my stabbed eye even more, he said something. but I don't speak Japanese, "IT WILL ONLY BE OVER IF YOU DIE!" Satoko said in Japanese, the 8-year old went home when her father picked her up, then Satoko stabbed the katana into my heart, then I died.

I am Jennie-Olive and this is my story,

(bleep), I'm the king of ye mum,

Giovanni Todaro:

Shut up (bleep),  
Suck my (bleep),  
You (bleep)in' bop,  
Beware of the king,

Pietro Todaro:

(bleep), I'm the king of dat,  
(bleep), do you appreciate this,

## Dr. Cold-Blooded Killer

Dr. Cold-Blooded Killer (JP: Killer Japanese Medic) is Toshio Samo's Character Song. It is a musical number in Black Sun of Supernannya.

## Lyrics

I don't know why everyone is so d\*\*\* impatient

Eating pathogen-laced food

(Vivisection, Crematorium, Flesh)

To achieve your goal

Kill your biological father and save yourself

Kill the teachers, that is all

Welcome to SAMO'S room

Are you a patient or someone who needs to die?

(Look at me)

Are you who you really think?

Welcome to SAMO'S room

What shall I do?

(Dr. Cold-Blooded Killer)

If someone's dead, burn it

Once you shout it out loud

It's too annoying, too f\*\*\*ing irritating

Waiting is not a thing

Without the vivisection

You will just p\*\*\* me off, dishonourable ones

Welcome to SAMO'S room

It will be over once you die.

Welcome to SAMO'S room

Because I will kill the ones most precious to you

(Dr. Cold-Blooded Killer)

Once you're in my clinic, there's no going back

If someone's dead, burn it

Once you shout it out loud

It's too annoying, too f\*\*\*ing irritating

Waiting is not a thing

Without the vivisection

You will just p\*\*\* me off, dishonourable ones

Welcome to SAMO'S room

It'll be over once you die

Welcome to SAMO'S room

Because I will kill the ones most precious to you

(Dr. Cold-Blooded Killer)

Once I set to test pathogens

Don't run away, come on the operating table

I will show how you die

Welcome to SAMO'S room

Are you a patient or someone who needs to die?

(Look at me)

Welcome to SAMO'S room

Because I will kill the ones most precious to you

(Dr. Cold-Blooded Killer)

Once you're in my clinic, there's no going back.....

**KidOfTheBlackHole**

Congratulations, brave and noble hacker, through your intelligent and clever use of intellect and raw, unadulterated cunning you have successfully left me completely dumbfounded and at an utter loss for words. Seriously though, I don't think you understand. This. Is. Officially. The Most. Intelligent. Thing. I. Have. Ever. Seen. Men could live for centuries, for millennia, gathering the knowledge and wisdom of their lands and many others, and still not reach the level of ability that

is presented here. The magnificence of the thing, the sheer wonder that such a majestic creation can bestow upon us lowly and unworthy mortals, is far beyond the grasp of a mere man such as myself. I would thank you, but I believe to even involve myself with thee within society would be to ask too much, for I feel that one of such ability as yours is not fit for communication with mere men. Please, fine sir, do not attempt to contact me again. I feel that the magnificence of your presence would be too much for myself to bare.

## Goth Weekend

Goth Weekend is a song by Exploding Spirit in 2023, it is the Imperial Adults' theme and the song Satoko picked.

### Lyrics

We work hard, 5 days of the week

At the weeks end, it's pleasure we seek

No one really knows what we get up to

But we will tell you

Fridays for Yu-Gi-Oh! the Abridged

Saturdays for Horror and Cyberpunk movies

Sundays for sleeping in....with eachother!

The Todaros think are behavior, is rather atroucious.

But we don't give a s\*\*\*!

Sachiko likes parties

Emiko likes death

Setsuko likes to watch

Satoko likes Kenji but she's willing to share

We had a dance after playing Truth or Dare!

And we had fun watching AKIRA! It's the beast!

You can find us kissing in the Yaoi manga section!

Fridays are for Yu-Gi-Oh! the Abridged

Saturdays for Horror and Cyberpunk movies

Sundays for sleeping in....with eachother!

We're hot and were know it! were not afraid to show it.
