

Vision Church June 2025 Reading Plan

Joyous June is upon us! With it comes the heat, beach trips, cook outs, vacations, and many more summer staples. Even with all of this going on, we are still going to take the time each day to soak up God's Word and delight in His truth. We are super excited for what God is going to do in your life this month, whether you are checking out the reading plan for the first time or have been following along with us throughout the year. Either way you are where you're supposed to be.

Last month, we started reading the Gospel according to Matthew. The book of Matthew is a rich teaching of Jesus ministry, from someone who had the privilege to walk side by side with Jesus. So far we have read about Jesus' genealogy, the sermon of the mount, and many miracles, signs and wonders. We ended May with Simon Peter, a disciple of Jesus professing with his lips that Jesus is the Messiah. Which is huge, this is the first time we see someone profess this. From this point forward, we see a shift in how Jesus carries out His ministry. We see Him start telling His disciples about what's going to happen to Him on the cross.

As you read, you will see His Godly authority start to become openly bold. Before this He would perform signs and wonders and tell people to keep quiet of what He had done, because it wasn't His time yet. If you look at the areas He is moving into now, you'll notice that He's heading toward Jerusalem where He'll be crucified. Through all this we will see some rich teaching of Kingdom living, which is a key part of what we call the Gospel.

By going to the cross and rising from the dead, Jesus ushers in a new kingdom. When we believe in Jesus as our personal Savior we become a part of this kingdom. He is the leader of this kingdom, and as we follow Him a new way of living and loving is produced in us. As we focus on how He first loved us, it shifts how we love others and relate to the world around us. Thank you for being disciplined enough to continue spending time with God throughout the busyness of summer. Prepare your heart to be present with Him, and ask Him to help you know Him through His Word.
