Post-Project Review

Team Name:

Team Member Name:

In your opinion, was the project successful? Why or why not?

How well did the project team do in achieving project objectives?

How closely did actual project activities align with your team's schedule in the project management plan?

Did you have sufficient resources (e.g., time, people, etc.) to complete the project? If not, what did you need more of, and why?

How well did team members communicate with each other?

What significant issues did you encounter during the project, and how were these issues handled?

What “lessons” did you learn from this project that will help you when doing projects in the future?
