HOTSPOT LENDING POLICY

A Hotspot borrower must be a resident of Princeton and have a valid CWMARS library card, be at least 18 years of age, and be in good standing with the Library. One hotspot is allowed per household.

Hotspots may be borrowed for two weeks with no renewals allowed. Hotspots must be returned to the circulation desk of the Princeton Public Library, and not placed in the outside drop box. Hotspots must remain in the library for a 24 hour period before they can be borrowed again by the same borrower.

Lost or damaged hotspots or accessories have the following replacement fees: hotspot -- $35.00; charger --$15; case -- $10:00.

Borrowers will adhere to the Library's "Internet Use" policy when using the mobile hotspot.

While checked out, the hotspot remains the responsibility of the borrower. Borrowers should not lose control of the device by lending to friends or associates. Any attempt to alter the configuration of the hotspot is strictly prohibited.

Hotspots should be returned with the charger, SIM card, battery, and case to the Library in the same good working condition as it was when it was checked out.
