Privacy Policy for Template Filler Extension

Effective Date: 11/16/2024

Data We Store

This extension uses Chrome's built-in chrome.storage.sync API to store user preferences, settings, or data locally on your device or sync them across your devices using your Google account. The data stored includes:

- User-provided text for templates (e.g., cover letters or emails).
- Specific settings or preferences related to the extension's functionality.

Data We Collect

This extension **does not collect, transmit, or share any personal or sensitive user data** with external servers or third parties. All data **remains on your device** or is synced across your devices through Chrome's built-in mechanisms.

Permissions

The extension requests the following permissions:

- storage: Used to store user preferences and settings locally or sync them via Chrome.

Changes to This Privacy Policy

This privacy policy may be updated from time to time. Any changes will be posted on this page. It is recommended to review this page periodically for any updates.
