Call Notes

Brandschutz

- Eric is sending us the number from Herrn Kobalus - Wehrfuehrer aus dem Landkreis
- Firemarshall need to be on site 24/7 → Freiland is doing that over donation (1000 euro + food and tent)
- We can organize these folks ourselves - if they have training accordingly
- Fire extinguisher - is to be discussed with the Feuerwehr, means we do not need all the fire extinguisher from the Ordnungsamt letter - but needs to be sorted out

Sicherheitskonzept

- No feedback - seems to be alright

Radlader

- We rent this as berlinburners.ev everybody, can be driven on site without licence
- Eric is checking on insurance details
- Eric can give an introduction to the radlader
- We need to carefully choose who will drive, the radlader has a lot of power and can be quite dangerous
- Eric strongly recommend to find someone who has been driving a radlader before
- We need to tell Eric our exact renting time! He needs to know in the next couple of days (Thursday EOD)

Storage in Eric's barn

- No final pricing thoughts yet - he is fine with our offer for 1000 Euro per year
- Part of this Eric will re-invest to secure the barn
- Eric would need help from our side (2-3ppl for a weekend to build)
- Access for the barn: before the event the barn will not be ready but we can still the use before and after the burn, we will get a key for access, and a spearte area that is locked in the barn with a key only for us
- We need to figure out how we do liability
- If we do a full rental contract the 1000 euro will be net, we can also do it without contract donation based

Water

- They can't measure the pressure
- First main pipe is a 1 Zoll - massive high pressure water
- From the first distribution point its dropping to 0.75 zoll
- We will get the contact from Robert - their water person
 - Robert Koch - 0151 2682 6538

Site questions

- Mowing on Friedrichs area OK?
 - Yes, freiland will hand the Gelaende mowed to us
- Plans for mowing in general / whether & where we can mow?
 - Yes, freiland will hand the Gelaende mowed to us
 - If more needs to be moved afterwards we can talk to the locals (farmer) they do it for 50€ and do it all in 4 hours
- Any options to get bales of hay locally?
 - Herr Kroeckert from Daberkow can be asked for that (Eric does not have the number - google it)
- Managing sound at nightimes - how long do FL run for into the morning?
 - FL plays 24/7 - no nighttimes
 - They measure the sound systems (semi professional) and drive 1-2 times per night to Brook
