Spare Parts List 2021

Contact EuroFOX for availability and prices (eurofoxspares@btinternet.com)

UK Stock number	Description	Image
	Equipment	
1001	Tow bar for tricycle undercarriage	
1002	Red pitot and fuel cover 1 pc -Pitot tube cover …… 1 pc - Fuel cap cover …….	
1003	Supporting tail wheel for transport only for hard surface (diameter 50mm)	
1420	Tail skid bolt 2k Front	
1496	Tail skid bolt 2k Rear	

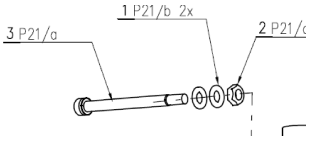

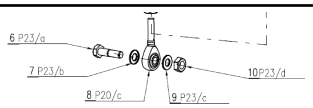

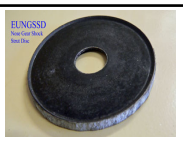

1499	Tail weight	
251004	Support struts for folding wings	
1005	Supporting tail wheel for pushing aeroplane on the grass with folding wings for tricycle undercarriage diameter 200x50	
1006	Rear tie-down rings	
1007	Ground power cables	
	Undercarriage	
1008	Main undercarriage leg for 3K version	
1009	Main undercarriage leg for Tail dragger version	
1010	Colour finish other than white colour on the leg of main undercarriage	
1011	LCM frame of front undercarriage leg 3K without wheel in basic colour	
1012	Front undercarriage leg 3K complete with wheel spat painted	

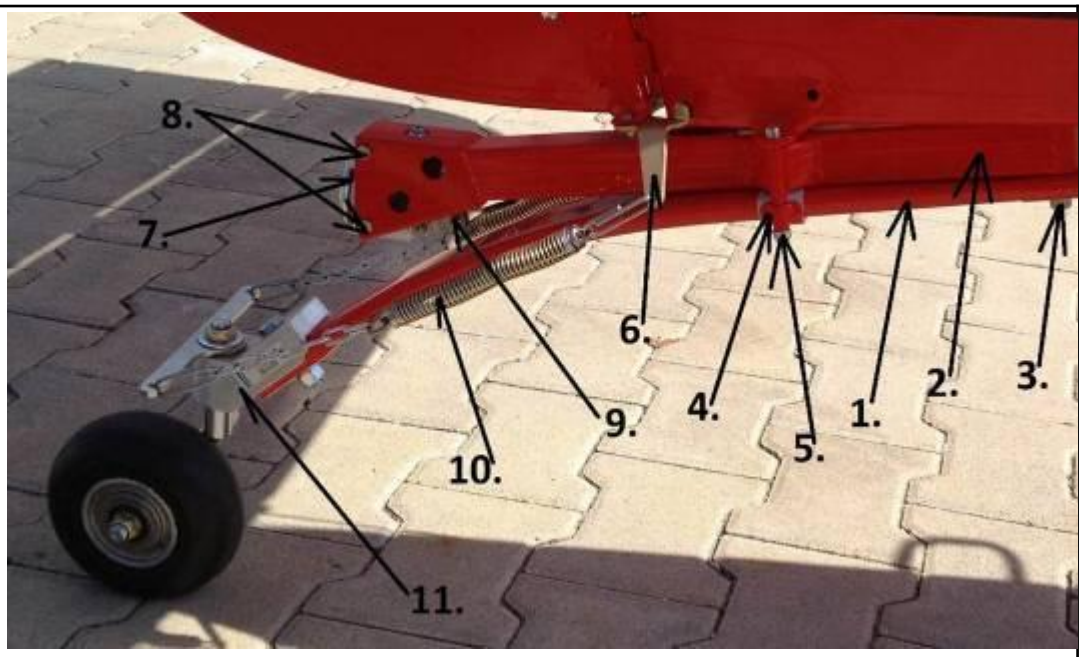

1013	Brass bushings for the front fork of undercarriage	
1501	Plastic nut covers M5	
1014	Aluminium holder with brass bushings for front leg	
1015		
1016 -		
1.	1 x Fork in basic colour;	1 x
1/a	Fork in white colour	1x
2.	1 x Leg in basic colour	1 x
2/a	Leg in white colour	1x
3.	1 x Axe	1 x
4.	2 x block for bearings	2 x
5.	4x screw,4x nut, 4x washer	4x
6.	1 x Nut	1 x

7.	1 x holder	1 x
8.	1x screw, 1x washer	1x
9.	1x castle nut	1x
10.	1x Cotter pin	1x
11.	1x Big and 1x small washer.	1x
1017	Nose wheel split hub complete	
1018	Wheel for main undercarriage nose wheel (hub + tube + tire Sava)	
1019	Wheel for main undercarriage nose wheel (hub + tube + tire TOST)	
1020	Wheel for main undercarriage taildragger (hub + tube + tire 800x6,00 tundra)	
1021	Fiberglass wheel pants for main undercarriage legs without painting	
1022	Fiberglass wheel pants for wheel for main undercarriage painted with screws	
1023	Fiberglass wheel pant for front wheel	
1024	Fiberglass wheel pant for front wheel painted	
1446	Spat bolt stainless steel	

1025	Tyre and tube for main undercarriage SAVA 15x6.00/6prl	
1026	Tube for main undercarriage TOST 15x6.00	
1027	Tyre for main undercarriage SAVA Light (size for 3K) 14x4 (4,00x6 IND)	
1028	Tube for main undercarriage SAVA (for Light SAVA tire)	
1029	12x4 for nose tyre for 3K / A240 version	
1030	Tube 12x4 for front wheel	
1031	Tyre 800x6,00 for tail-dragger aeroplane	
1032	Tube 800x6,00 tail dragger aeroplane	
1033	Cable stop diameter of cable 3,15mm	
1034	ONL M8x41mm - Leg inboard attach bolts for 3K	
1035	ONL M8x 53 mm - Leg inboard attach bolts for 2K	
1036	M8 x 25mm MLG leg attach bolts 2K or 3K	

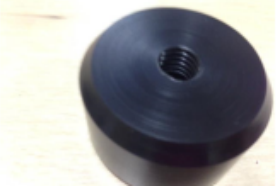

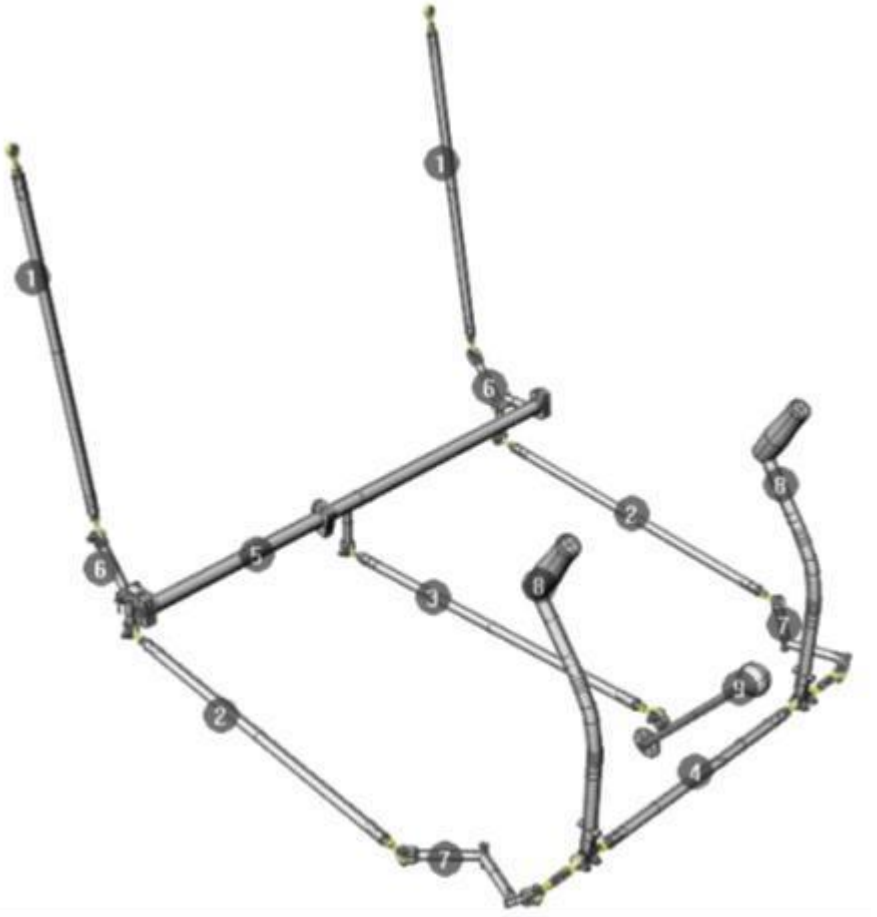

1037	Undercarriage bracket for 2K version	
1038	M8 x 35 Allen head screws (for the brackets)	
1461	Step	
1039	Undercarriage bracket for 3K version	
1040	Rubber plate between main legs and airframe 1 piece	
1472	Rubber between main U/C and leg bracket	
1473	Rubber between main U/C and leg bracket 3K	
1474	Rubber between main U/C and leg 3K	
1041	Suspension for nose leg complete for 3K version	
1042	Frame of damper for front leg without dural washer without rubber	

1043	Rubber-cylinder damper for front leg 1 piece. (One complete set containing 5 pieces)	
1044	Nose Gear Shock Absorber Upper Attach Bolt	
1045	Nose Gear Shock Absorber Lower Attach Bolt	
1046	Unibal 8SM640 M10	
1047	1 pc - Aluminium washer for front leg damper	
1048	Steering cable for front wheel for set for 1 aeroplane	
1049	Fork for end of steering cable of nose wheel	
1050	Bolt/ pin the fork for steering cable of nose wheel	

1051 -		
Items: **1, 3, 4, 5, 10, 11,**	Tail wheel for 2K version complete with composite Tailskid and 2 springs	
Item **: 1.**	Fiberglass tail-spring for 2K without wheel unit.	
Item: **2.**	Frame for tow hook TOST	
Item: **3.**	Tail spring forward attach bolt + washer	
Item: **3.a**	Tail spring forward attach bolt + washer - **for Version TOW**	
Item**: 4.**	Bracket for holding tail wheel	
Items: **5.**	Tail spring aft attach bolts +washer and nuts	
Items: **5.a**	Tail spring aft attach bolts +washer and nuts - 2 pieces **/for vesion TOW/**	

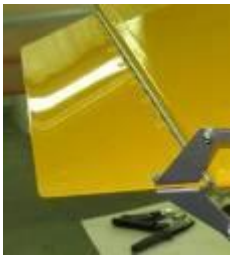

Item: **6.**	Tail wheel control arm	
Item: **7.**	TOST Hook /**for version TOW**	
Item: **8.**	Bolts for fitting hook + nuts and washers - 2 pieces /**for version TOW**	
Item: **9.**	Connection bracket control vire for release TOW hook 2x bolts + washer and nuts 2x site plate 1x Ring and nicopress ring	
Item: **10.**	Tail wheel steering chain and spring for 2K version	
Item: **11.**	Tail wheel complete with lock	
1052	Axle for front undercarriage wheel 3K version	
1053	Bearing spacer for bearing of nose wheel 3K Aluminium 2 pieces	
1054	Cup for front undercarriage wheel 2 pieces	
1055	Axle for nose wheel complete	

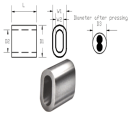

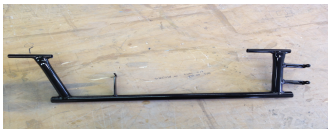

1056	Axle for main undercarriage wheel (for 2K and 3K)	
1057	Bering for main undercarriage wheel	
1058	Axle stake nuts	
1059	M10x90 Allen head bolts for wheel pants + wheel pant bolt spacers	
1060	Wheel disc for main leg complete with accessories (screws washers and nuts) not included break disk	
1 set 1061	bearing assy for main wheel: 2 pc bearings 1pc spaceer tobe 2 pc cotter rings	
1062	Outer parts of wheel disk	
1063	Inner parts of wheel disk	
1064	Tailskid composite-part for 3K	

1453	Nose leg caps	
1065	Shimmy damper for tricycle undercarriage + accessories (2x screws + 2x forks for welding to front leg)	
1066		
1067 -	H= length of aluminium tube.	
No:1	Vertica push/pull rod (complete) H = 720mm	
No:2	Horizontal push/pull rod (complete) H = 500mm	
No:3	Central flap push/pull rod (complete) H = 570mm	
No:4	Push/pull rod between control stick (complete) H = 390mm	
No: 10	Elevator push/pull rod below the seat H = 570 mm	
No:11	Elevator push/pull rod long front H = 1469 mm	
No: 12	Elevator push/pull rod long rear H = 1606 mm	

	Push/pull rod (complete) included	
	Aluminium tube	
	2 x Aluminium ends (riveted)	
	8 x rivets stainless steel	
	Labour for assembling	
No: 6 1417	Bellcrank for control rout of flaperons	
No: 7 1457	Bellcrank for control rout of flaperons on the fuselage	
1419	Bolt M6 x 35 bell crank	
1414	Split pins M8	
1495	Split pin M6	
1066 - 8 - a	Complet set of control stick including: 2 control stick Control stick bracket tube 2pc bolst Conect rod of control stick Control stick hand grips Wire for PPT + 2 pc PPT Bushings/ plastick bearing	
1066 - 8	Upgrade for detachable control stick	

1523	Map pockets	
1068	Bushings/ plastic bearing blocks for control stick bracket	
1069 – a c	bushings washer stainless steel 2pc screws M6 x 70 mm	
1450	UNIBAL 6mm	
1071	Control stick hand grips – 1 piece (black with blue strips)	
1072	Control stick hand grips – 1 piece (black colour)	
1073	Aileron stops on bottom of control stick M5x18	
1075	Control lever of elevator trim + bolt M5x35, Castle nut M5, washer, pin.	

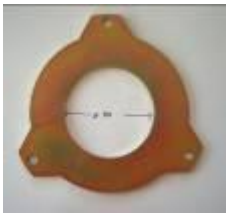

1076	Leather friction washer for the elevator trim	
1077	Metal wheel for elevator trim + 2x rivets, 1x screw M3, nut, washer	
1078	Seating stoppers for control cable of elevator trim complete 2pc	
1079	Elevator trim plate with hinge in white colour	
1080	Stopper for control cable of elevator trim + 2x rivets	
1081	1 set - Levers of elevator trim plate + 2x rivets	
1082	Elevator trim control fitting screw M3, nut M3, washer	
1083	Hinge band (elevator trim) – 50cm	

1084	Cable for elevator trim Set of two	
1085	Nicopress swage at end of rudder cable (large) 1pc	
1415	Aluminium Nicopress swages small (trim tab)	
1086	Bowden tube for cable of elevator trim (black colour) 4 pieces 1 set	
1087	Pedal with left bracket for rubber cable	
1088	Pedal with right bracket for rubber cable	
1089	Centring device of rudder pedals – set	
1410	Plastic brush for rudder centring spring	
1412	Rudder sleeve, nut and bolt for tail end cable end	
1516	Rudder Pedal cable connector	

1090	Set of rudder cables 2pc 3mm x 6m ... 4pc ferules ..... 4pc thimbles ..... 2 pc plastic sleeves	
1091	Toe brake pedals 1 pair	
1092	Teflon bearing for pedals (bearing, scerew, nut, washer)	
1093	Rudder pedal brackets 1 set 2K	
1494	Rudder bracket tail dragger	
1094	Brake brackets - pedals to the floor for tricycle vesion (3K) 1 set – 4 pieces	
1095	Leather friction washer for flaperon lever and elevator trim	
1096	Throttle (with vernier) control lever complete with bowden cable	
1097	Throttle control lever withoutl bowdens	
1098	Throttle (without vernier) control lever complete with bowden cable	

1099	Plastic bleck plug for non-vernier throttle	
1100	Throttle wires with brass ring soldered	
	Brake	
1101	Pedals 1 pair for 3k version	
1102	Pedals 1 pair for 2K version with brake pedals	
1103	Master cylinder for toe brake system BERINGER	
1514	T distributor	
1104	Set of master cylinder of TOE brake system for aeroplanes up to S/N: 17305 Complete set : 2 pc brake cylinders 2 pc brass fittings 2pc plastic fitting 1pc container for brake liquid 1pc “T” distributor	
1105	**Left-hand** brake calliper (including stainless steel piston and U-rubber gasket) for aeroplanes produced up to S/N: 257-08	
1106	**Right-hand** brake caliper (including stainless steel piston and U-rubber gasket) for aeroplanes produced up to S/N: 257-08	

1107	Left-hand brake caliper (including stainless steel piston and U-rubber gasket) for aeroplanes produced since S/N:258-08	
1108	**Right-hand** brake caliper (including stainless steel piston and U-rubber gasket) for aeroplanes produced since S/N:258-08	
1109	Brake caliper (including piston, O-ring, and U-rubber) for version 2K/ A220 (caliper with double pistons) Port	
1468	Brake caliper 2K Starboard	
1110	Brake pads - 1 pair	
1111	Bolts for brake pads	
1112	Bolts for Brake disc 1 set (3 pieces)	
1113	Brake disc	

1114	Brake disc old version for models built before year 2002 - 2004	
1115	Teflon hoses for brake fluid - 1 meter	 
1116	Alligator - hoses with metal protection for brake fluid - 1 meter	 
1117	Brake fitting ALIGATOR 90° - 1 set	
1118	Brake fitting ALIGATOR - straight - 1 set	
1119	O ring for Brake calliper	
1120	Brake brass fitting 90^{O} / Fitting + ring + nut / Fitting Ring Nut	
1121	Brake fluid reservoir - TOE brakes cylinders	
1122	Pressing ring for brake hoses fittings 4mm or 6mm	

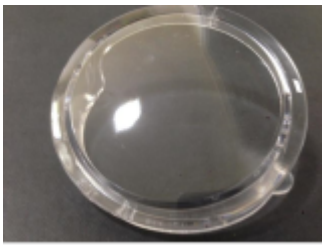

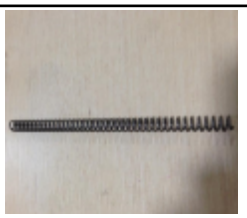

1123	Bolt – screw for brake disk 8x22 (set of three pieces)	
1124	Parking brake for BERINGER Tail dragger version (2 pc brake valves + bracket)	
1125	Parking brake BERINGER with accessories for installation	
1126	Parking brake for Tail dragger version (2 pc brake valves + bracket)	
1127	Parking brake MATCO	
1128	Accessories for installation MTACO parking brake valve	
1129	Parking brake MATCO with accessories for installation	
1130	MAGURA brake for 3K version	
1131	fitting for brake cylinder MAGURA	
1132	Distributor for 3K version of brake fluid	

1133	Break Lever with cable 2,5mm for MAGURA	
1135	U-rubber for brake caliper	
1136	The stainless-steel pistons for brake caliper	
1138	Set of o-rings gaskets for brake cylinder / Evektor /	
1139	Set gaskets for brake cylinder	
1140	Springs under the ballsfor brake cylinder	
1141	Set of rubber o-rings and pistons for old brake system for master cylinders on pedals.	
1142	"bleed screws" for our brake callipers M3 – old version of callipers M4 – new version of callipers	
	FUSELAGE	

1143	metal balls – valve for bleed screws	
1506	Black plastic nut caps M6	
1144	Fuselage welding frame	
1145	Frame – floor of the cockpit	
1146	Bottom engine cowling	
1147	Upper engine cowling	
1439	Screws for holding lower cowling hex headed	
1498	Screws for holding lower cowling	
1148	Stainless Steel Machine Screws M5 x 16 mm (Needs – 12 pieces)	

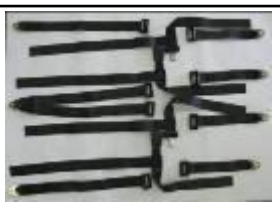

1149	Leather friction material elevator trim and flaps lever	
1150	CAMLOC 40S56D 5mm CAMLOC R4G-2 CAMLOC 214-16G CAMLOC 4002-N-3	
1423	Camloc 4002-n-4	
1424	Camloc 4002-n-2 gold	
1425	Camloc 40s56D (6mm) gold	
1426	Camloc 40s56D (7mm) gold	
1442	Camloc receptacles 214-16G 4002-n-3	
1445	Camloc receptacles rivets	

1151	Leather strip washer for cowling	
1152	Heating protection fabric for cowling 1 set	
1153	Rear engine cowling with firewall	
1154	Tail plane elevator complete without struts	
1155	**Rudder** frame	
1156	**Rudder -** covered with polyfiber fabric and spraying whit colour	
1157	Elevator hinge - Clevis pin, washer and split pin	
1158	Lexan window for door with nuts - set for 1 door / LEXAN -2.0 mm //	
1159	1 set of rivets for installation windows on the doors	
1160	Aluminium lath spraying in the colour of door	
1161	Gas lift strut for the door	
1162	Rear lock and control cable –complete for door	
1163	Lock bolt with cable	
1164	Spring for door lock	
1165	Cable tube for rear lock / Bowden	

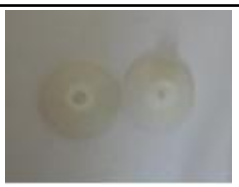

1491	Door strike plates (1 pair 2 pcs)	
1500	Door Vents (pair)	
1166	Door lock system for 1 aeroplane – complete set (both doors).	
1167	Door frame	
1168	Rivets of doors (100 pieces)	
1169	Labour of changing door window	
1170	Plastic bearing for tort deck	
1171	Stainless steel slat for protect fuselage from closing door	
1172	Header fuel tank complete with fuel level float and fittings	
1477	Tysothane tube for fuel indication level	
1478	Spring for fuel line	

1173	Complete set of door locks for one aeroplane with rear lock and control cable	
1174	Control cable for rear door lock	
1175	Blanks key for doors	
1176	Choke lever complete with bowden cable	
1177	Cabin heat control with cable and flapper	
1178	Carburettor knob lever without cable	
1179	Carpet for cockpit	
1180	Wood-floor - set of right and left parts	
1181	Rear window and cover	
1182	Turtle deck 2 pc LEXAN windows	
1183	Aluminium trim strips of canopy window: Front upper strip Rear underneath strip Front underneath strip Rear upper strip Side upper strip Composite nose L/H Composite side rip L/H Middle aluminium tube Composite side rip R/H Composite nose R/H Side upper strip	
1184	Cockpit rear aluminum cover plate + rivets	
1185	Skylight window – 1186upper window of cockpit / LEXAN - 2mm /	
1186	Change of the front window complete by Aeropro	

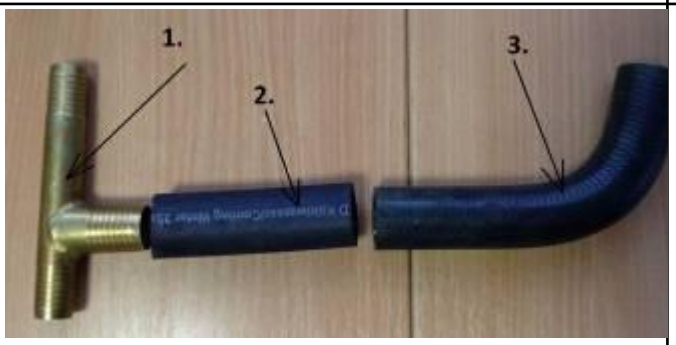

1187	Front window - windscreen new type of material PLEXIGLAS	
1188	Front window - windscreen new type of material PLEXIGLAS with slats and hardware,	
1189	Front window – windscreen (material LEXAN) for old and new version of cowlings up to S/N 19506	
1190	Skylight (Lexan material with hardware)	
1191	Mirror for tow version	
1192	Fiberglass seat covering with blue fabric	
1193	Thick seat cushions (four included in set)	
1194	Thick seat cushions (four included in set)	

1195	25mm or 50mm seat booster cushion	
1196	Seat pillow one piece	
1197	Standard shape of seat pillows in blue colour (4 pieces included in set)	
1198	Standard shape of seat pillows in blue/red colour (4 pieces included in set)	
1199	Fiberglass shell cover with fabric	
1200	Safety belts – complete one seat with bolts for aeroplane	
1201	Lock of safety belts	
1202	Spare parts of bell lock – Plactick cowling	
1203	Spare parts of bell lock – Brass lock	

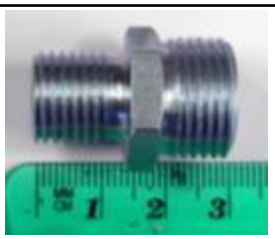

1204	Engine mount for Rotax 912	
1444	Engine mount bolt M8 x 80 (M03)	
1487	Coil Bracket 912 UL	
1205	Airbox product from carbon material - complete	
1206	Carburator Rotax 912 (ULS, UL)	
1430	Carburetor Spring Rotax	
1431	Carburetor Soft Spring	
1207	Latche for the airbox lid	
1208	Rubber tube between Airbox and Carburator (1piece)	

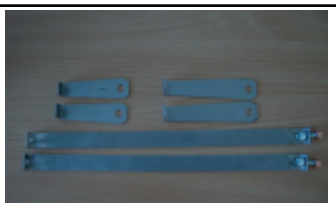

1209	Rubber bend between Airbox and Carburetor set (2 pieces + 4 pieces clamps)	
1210	Hose (flexible) between air intake and airbox (carburetor) Ø65mm	
1211	Clear plastic hose for ventialtion air box to carburetor - 1m	
1212	Carburetor heat air system	
1213	Firewall nylon ferrule bushes small	
1418	Firewall nylon ferrule bushes big	
1214	White plastic lever for with screw for control of carburettor heating	
1215	Roller-part control of choke	
1261	Oil filter	
1217	Composite bracket of oil radiator	
1218	Oil flap KIT complete	

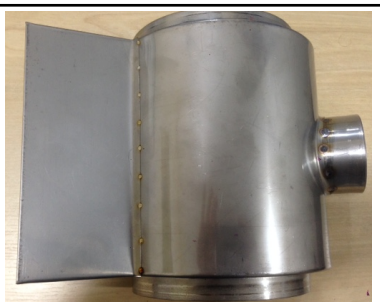

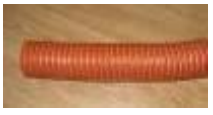

1433	Firewall Cable retainer for oil flap	
1489	Oil radiator flapfork and brass pin assembly	
1219	oil cooler large thin nuts	
1220	Fitting for oil radiator	
1486	Oil pipe clamp	
1462	Oil hose	
1221	Oil Radiator big	
1452	Jub Clips 50 - 70	

1408	Oil radiator rubber washers	
1222	Cooler/radiator system for Rotax 912 set (2 pcs.of cooler+1pc.balance tank + accessories)	
1223	Radiator for cooling system 1 piece	
1464	Coolant hose radiator	
		
1225	“T” distributor of coolant	
1226	Rubber short tube for coolant	
1227	90 deg rubber bend for coolant	
1463	Coolant hose 912	

1228	Clamps for rubber parts No: 2 and 3.	
1229	Rubber tubes for cooler connection bottom side of radiators	
1230	Coolant aluminium tube 912is	
1456	coolant aluminium tube	
1231	Bracket for coolant temperature sensor	
1232	Expansion bottle with pressure valve for water	
1233	Cap for expansion bottle	
1234	Coolant hose 1,5m	
1235	Cap for oil tank	
1451	90 deg bend for oil tank	

1236	Thermostat valve to Oil system for better worming / retrofit/	
1237	Thermostat valve to Oil system for better worming / retrofit/ (1,5m = 1 set for engine)	
1238	Spacer/ reduction for oyl lien ¾-16 UNF/M18	
1239	Expansion bottle container of cooling system	
1240	Cap for expansion plastic bottle	
1455	Rotax expansion bottle container	
1241	Exhaust system complete without fitting for EGT sensors	
1242	Exhaust system complete with fittings for EGT sensors	

1243	Exhaust downpipes 2014	
1244	Set of exhaust pipes	
1505	Exhaust system complete with fittings for EGT sensors	
1245	Exhaust brackets for 912is	
1246	Holder tape for exhaust muffler (2 pieces)	
1492	Exhaust brackets 1 set New Cowling 4 pcs for 912ULS	
1493	Exhaust brackets 1 set Old Cowlings 4 pcs for 912ULS	
1134 B	Exhaust Brackets Modified 912IS	
1247	Bracket for EG welding on the exhaust pipe	
1248	Exhaust hose – new system	

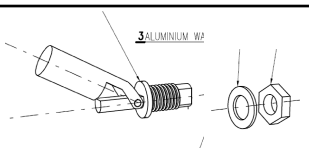

1249	Exhaust hose with fittings for EGT Sensor	
1250	Spring for exhaust hose	
1411	Copper exhaust nuts	
1251	Heating – exchanger of temperature	
1509	Heat exchanger (new)	
1252	Heating – heating flap	
1253	Extra silencer	
1484	Silencer 912ULS	
1254	Scatto hose for cabin heat – from exhaust heat exchanger to cabin Ø51mm x 200 mm	

1255	Hose (flexible) between air intake and cabin heat exchanger Ø51mm x120mm	
1256	Air filter FRAM/CA4556	
1257	Air filter Tuning	
1258	Oil - spray 200ml for air filter Tuning	
1475	Aircraft Engine Oil Semi Synthetic 10W40	
1259	Engine oil Castrol	
1260	Oil pressure sensor	
1262	Spinner with metal plate not painted	
1263	Spinner aluminium back plate not spraying	
1264	Stainless Steel Machine Screw M4 x12mm Needs for spinner back plate 9 pieces	
1440	Screws for spinner and rear cover	

1265	Spinner aluminium back plate in the final colour	
1266	Spinner – complete spraying with white colour	
1267	Spinner – complete spraying with red colour	
1428	M8 Nyloc	
1268	Screw 8.8, M8+ washer and nuts for propeller	
1485	Prop bolts for ULS	
1269	Spacer for Sensenich propeler - 4”	
1270	Control lever and accessories for KA-2/3-PA	
1271	Propeller variable pitch - KA-2/3-PA	

1272	Propeller FITI 3LR 1580mm	
1273	Propeller Woodcomp Classic K2	
1274	Propeller Woodcomp SR 200	
1275	Propeller Woodcomp PROPULSE	
1276	Propeller DUC FC WINDSPOON for TOW version with Rotax 912 (100 hp)	
1277	Propeller DUC Swirl for Rotax 912 (80 hp) Ø1660mm	
1278	Propeller DUC Swirl for Rotax 912 (100hp) Ø1730mm	
1279	Barry engine mount 1 piece complete (2x rubber block, 2x washers, 1x dictanc tube, 1x screw, nuts)	
1280	Barry engine mount rubber pieces	
1281	Rubber insert to barry engine mount to S/N: 074099	
1282	Set of brackets for mounting oil tank to the firewall	
1465	Fuel tube fire proof sleeving	

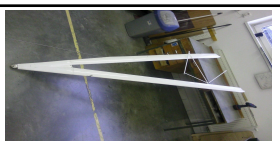

1466	Fuel hose 8mm	
1476	Tygon fuel vent pipe	
1283	Spark Plugs DCPR8E 912s	
1409	Spark Plugs 912 DCPR7E 912	
1284	Coolant liquid for cooling system Castrol Antifreeze	
1285	Fuel valve complete with fittings	
1286	Fuel valve without fittings	
1287	Fuel valve with nut fitting 6mm	
1441	Fuel pipe clip stainless steel 13 - 15mm	

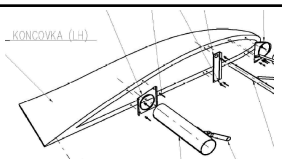

1432	Fuel pipe clip stainless steel 19	
1288	Fitting of fuel valve	
1289	Drip trays for right side carburetor	
1290	Drip trays for left side carburetor	
1291	Header tank complete	
1292	Plastic bottle for heeder tank	
1293	Floating switch + sealing ring for header tank	
1294	Cap of header tank	
1295	Cap of header tank – new system	
1296	O-ring for header tank cap	
1297	Drain valve for header tank	

1429	Fibre washer for fuel tank outlet	
1427	Banjo for fuel strainer	
1298	Fuel tank strainer	
1438	Oetiker clamp 8.3	
1437	Oetiker clamp 11.3	
1436	Oetiker clamp 12.3	
1299	Oetiker clamp 13,8	
1300	Oetiker clamp 14,5	

1435	Oetiker clamp 15.5	
1434	Oetiker clamp 16.5 mm	
1301	Oetiker clamp 21mm	 ;
1302	Fuel filter	
1303	Fittings for header tank - four included in set	
1304	Electrical fuel pump	
1520	One way valve - ally 8mm	
1305	One way fuel return valve plastic	
1306	Carb Fuel needle valves	
1307	Fuel cap for wing tank	
1308	Fuel cap: Screws ……..2 pc Springs …… 2 pc Screws …… 2 pc Metal rectangular latch ……1 pc Circuit aluminium washer small…. 1 pc Rubber Gasket …… 1 pc Circuit aluminium washer big …… 1 pc Cover …….. 1pc Holder ….. 1 pc Ventilation tube ….. 1pc Screws ……..2 pc Springs …… 2 pc Screws …… 2 pc Metal rectangular latch ……1 pc Circuit aluminium washer small…. 1 pc Rubber Gasket …… 1 pc Circuit aluminium washer big …… 1 pc	

	Cover …….. 1pc Holder ….. 1 pc Ventilation tube ….. 1pc	
1309	Rubber gasket for wing tank fuel cap	
1310	rubber "washers" for the oil cooler	
1311	Fuel distributor Rotax	
1312	Fitting + screw for distributor Rotax for connection fuel pressure device	
1313	Brass fitting for fuel distributor	
1314	“Y” distributor	
1513	Fuel distribution spider and restrictor	
1315	Fuel hose black rubber DN6 (1 meters)	
1316	Plastic hose for ventialtion of airbox (1 meters)	
1317	Carburretor drip tray nipples	
1318	Red heat shield tube for the lower oil tank 1 meter	
1319	Red heat shield tape for fire prove sleeve (1 role)	
1320	Wing fuel tank (left side or right side)	
1321	Adjustable clamp	
1322	Wing construction	
1323	Wing construction covered by Poly fibre without finish painting	

1324	Wing construction covered by Poly fibre with finish painting with white colour	
1325	Flaperon complete painted in white colour	
1326	Wing strut main with covering not painted	
1327	Pitot tube complete with ring and tube	
1328	Compression ring Compression not	
1329	Wing strut main with covering and painted white colour	
1330	Spare trailing edge of wing	
1331	Bracket for flaperon	
1332	Stainless steel bracket for flaperon	

1333	Plastic bearing for flaperon	
1334	Bolts for stainless steel bracket for flaperons	
1335	Jury strut painted in white colour	
1336	Stabiliser strut	
1337	Rib of the wings – long (1 piece)	
1338	Rib of the wings – front short (1 piece)	
1339	Rib of the wings – rear (1 piece)	
1340	Wing tip in (not painted) included wood inserts	
1341	Rivets for flapperon hinge (Stainless stall Ø 4.1mm x 16mm)	
1342	Rivets for trailing edge for 1 wing (Monel Ø 3,2mm x 6mm)	
1343	Fabric Poly Fibre for covering wing with other accessories for covering	
1345	Bolt M8x75 ONL (wing to fuselage)	
1346	Bolt M8x47 ONL (front lift strut to wing)	
1347	Bolt M8x35 ONL (rear lift strut to wing)	

1508	Bolt for lower wing strut to fuselage connection and castle nut	
1348	Bolt M8x29 ONL (bottom lift strut to fuselage)	
1349	Bolt M6x28	
1350	Bolt M5x25	
1351	Castle nuts - M8 / M6 / M5	
1352	Washer Ø 4, 5,6,8 mm	
1353	Safty pin for castle nut	
1354	Clevis pin leading edge	
1413	Flapperon clevis pin	
1458	Flapperon lever	
1459	Knob for flap lever	

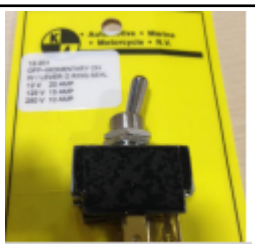

1488	Flap lever with 90 degs bend	
1460	Flapperon bracket	
1356	Unibal 10 SMGM 1050 wing/ strut + spacer washers	
1357	Unibal 10 SMGM 1050 wing/ strut	
1358	Spacer washer for Unibal 10SMG - 2 pieces	
1359	Unibal 6SM640 M6	
1360	piece vertical pushrod for aileron	
1361	Aileron with bearings	
1362	Clamp on the jury strut 1 pair	
1363	Wing struts main without air foil covering (for one aeroplane)	
1364	Composite fibreglass covering for wing strut (for one aeroplane)	
1365	Fiberglas holder for position lights on the wing tip	
1366	Struts of horizontal stabiliser without end´s baring	
1367	Pin for hinge elevator and rudder	

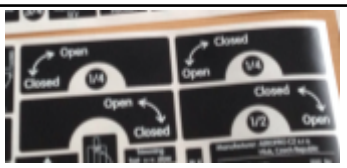

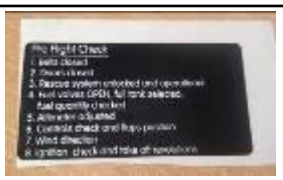

1368	Front metal plate of instrument panel not painted with holes	
1369	Front metal plate of instrument panel with holes spraying with grey colour	
1370	Front metal plate of instrument panel not painted without holes	
1371	Panel Screw M4 (black) for instrument panel	
1372	Screw M4x25 (black) for instruments	
1373	Screw for fitting instruments M4 x 14 (black colour) 4 pieces	
1374	Black instrument panel covers	
1375	Compass bracket	
1416	Start button 912 IS	
1443	Microphone socket jack	

1470	USB Socket 2.1amp	
1377	ceramic socket for landing light	
1522	Landing light LED	
1467	Landing light kit	
1378	Air-ventilation for upper parts instrument panel	
1379	Master switch key	
1380	Master switch key old version	

1381	Spare master switch key blanks old version	
1382	spare ignition switch key blanks – new version	
1383	instrument panel red warning light	 
1384	Light for electric fuel pump	
1407	Fuel Test Button Switch	
1385	instrument panel red warning light	
1386	PTT switch (in control stick)	
1 pair 1387	Control stick foam grips	
1 piece 1388	PANEL JACK	
1389	Cigarette connector 12V	
1390	Panel Switch	

1497	Ignition switch	
1391	Circuit breaker 2-amp ETA 2A Ci	
1447	Circuit breaker 3 amp	
1448	Circuit breaker 5 amp	
1449	Circuit breaker 10 amp	
1406	Circuit breaker pullable 30 amp for lithium battery	
1479	Capacitor	
1480	Switch single gang	

1481	Switch 2 gang	
1482	Switch momentary	
1502	Panel switch guard hoop	
1483	12 Volt Socket	
1392	Regulator for Rotax	
1490	Boot for battery connector	
1394	Battery SBS-8 12V , 7Ah	
1395	Lithium battery	

1396	battery tie down steel clamping bar (2pc rubber gaskets, 2 pc thread rout, 1pc tied rout, 2pc nuts and washers)	
1397	Set of decals for one aeroplane	
1398	Decals on instrument panel	
1399	Operational limitations placard with revised speeds (km/h) and including also V_A, in accordance with Service bulletin SK 01-151107	
1400	Set of adhesive stickers into and out to the doors	
1401	Standard **Pre-Flight Check** placard (with rescue system).	
1402	Set of sticker for one door	
1403	Set of airspeed indicator marking decals	
1404	Protection spiral tube /1m	
1405	Fitting of static pressure
