

Memory

Turn your face to the moonlight

Let your memory lead you

Open up enter in

If you find there

The meaning of what happiness is

Then a new life will begin

Memory

All alone in the moonlight

I can smile at the old days

I was beautiful then

I remember

The time I knew what happiness was

Let the memory

Live again

Burnt out end of smokey days

The stale cold smell of morning

A street lamp dies

Another night is over, another day is dawning

Daylight, I must wait for the sunrise

I must think of a new life

And I mustn't give in

When the dawn comes

The night will be a memory too

And a new day will begin

Sunlight through the trees in summer

Endless masquerading
Like a flower as the dawn is breaking
The memory is fading
Touch me
It's so easy to leave me
All alone with the memory
Of my days in the sun
If you touch me
You'll understand what happiness is

Look, a new day
Has begun
