

How to Access Course Materials: Lumen OHM

Direct Login to Lumen Online Homework Manager (OHM)

Introducing OHM

This course uses Lumen Online Homework Manager (OHM) for instructional materials, homework assignments, and tests. OHM is very affordable, easy to use, and it gives you unlimited opportunities to practice what you're learning. Because OHM uses [open educational resources \(OER\)](#) you can also retain access to the textbook forever.

Accessing Your OHM Course

1. Navigate to ohm.lumenlearning.com. Click on "Enroll in a New Class".
2. Enter the Course ID and Enrollment Key provided by your instructor. Your course may not have an Enrollment Key. If it does not, just leave this field blank.
3. Confirm the course details and click on "Enroll".
4. If you already have an OHM account, login. Otherwise, sign up for a new account.
5. Once you're inside OHM, click on "Help Using Lumen OHM" in the left-side navigation bar for instructions on how to use OHM.

Paying for OHM Course Activation

You can start using OHM right away, but to access quizzes and homework after the trial period, you'll need to pay for course activation. To do this:

1. Login to OHM and access your course
2. Click into any practice activity, homework or quiz
3. You can enter an activation code or start a 2 week free trial that you can use while waiting to purchase an activation code. There are 2 ways to purchase an activation code from the bookstore, in person or via the bookstore website. If you purchase in person, your activation code/pin will be printed on the bottom of the receipt. If you purchase via the bookstore website, your activation code/PIN will be emailed to you.

Enter a Lumen OHM course activation code.
