

Cow Flop Bingo Rules

The Bingo field is a 200' X 200' area on the soccer field at Norfolk County Agricultural High School, Walpole MA. Each square is 4' X 4' which corresponds to 2500 squares in a matrix with rows labeled A through XX and columns 1 through 50

A square can be purchased for \$20 plus a processing fee of \$1. Multiple squares could be purchased in one transaction. Squares can only be purchased online until all 2500 are sold or until 2:00pm on May 18, 2024.

The event will be held rain or shine. If because of the weather the helicopter cannot fly, a square will be selected by a physical raffle.

Only people 18 years old or older are eligible to purchase squares and receive the prize. The prize must be claimed by an 18+ year old person with their electronic ticket.

WINNER RULES

Three numbered flops will be dropped from the helicopter. The first one that lands in the matrix will determine the winner.

- If the flop lands in a square that was not purchased, it will be moved due north to find the winning square.
- If the flop straddles two or more squares, the square with the largest flop area in it will be declared winner by the independent judge present.

The winner does not need to be present to win. In this case, the winner will have 30 days to present their electronic ticket to claim the prize.

Helicopter Ride Rules

Raffle and Flight is weather permitting.

A chance can be purchased in cash for \$100 starting at 11AM until 2:00 on May 18th.

3 seats are available to ride.

Winner must be present to win and ready to take off at 2:30PM on May 18th.

All necessary waivers must be signed by guardians of each rider in order to board the aircraft.
