The recipient need not to be a member but will be encouraged to join the Maryland Dairy Shrine. A member of the Maryland Dairy Shrine must make the nomination. Individuals previously honored by the Maryland Dairy Shrine as a Pioneer or as a Contemporary are ineligible. If the nominee is not selected in the year submitted, the nomination will remain on file and will be automatically resubmitted for consideration for another 2 years (3 years total). If not selected for the award after 3 years, the nominator will need to resubmit the nomination for award consideration. The selection committee may also select from a running list of potential nominees and work to get applications put together for any given selection year as the committee sees fit.
