

Michael-Yesterday at 9:07 PM

the edwardo meeting went much better than expected

and we've decided to use the NCMC teamspeak for command channel during alerts etc

so the leaders get on there

even mike was there which was surprising

everyone was friendly, and talked

Aidenius-Yesterday at 9:18 PM

Thanks for going.

If you can summarise topic points and I will take it to our meeting next week with the commanders

Where we will agree on our level of involvement

April 6, 2017

Aidenius-Today at 12:22 AM

Is there nothing more to add to the above wook?

Michael-Today at 12:22 AM

first was just introductions, then we talked about stuff like communications, how we can do this

mike was there as well

funnily

we decided to use a addon for ts called crosstalk

where if you're leading, you should come onto that teamspeak as well as be in your teamspeak

it allows you to talk in two ts at once using different buttons whilst being in game and not alt tabbing

it's the NCMC Ts

Aidenius-Today at 12:24 AM

Ok, well there will be no decision on taft's level of involvement until at least next tuesday.

Michael-Today at 12:25 AM

really

are you kidding me

Aidenius-Today at 12:25 AM

Which outfits were represented?

No I am not kidding you.

Michael-Today at 12:26 AM

ffs, frmd, 252nd, edwardos outfit, bho, conz, and a couple more i cant remember the names of

aiden

we need to do this over the weekend

next meeting is wednesday

we need to prove that this can work

Aidenius-Today at 12:26 AM

Wook.

Michael-Today at 12:26 AM

cooperation

in

the

NC

Aidenius-Today at 12:27 AM

I have told you when the decision is being made.

Michael-Today at 12:27 AM

its a trial

for a week

aiden

Aidenius-Today at 12:27 AM

The majority of the outfits you noted there are largely inactive

Michael-Today at 12:27 AM

just a damn trial and we can decide after if we want to

no they arnt

we just dont see them

Aidenius-Today at 12:28 AM

This will be discussed in wider detail at the admin meeting next tuesday

Michael-Today at 12:28 AM

because were large

aside from conz which is a deadfit

Aidenius-Today at 12:28 AM

I know for a fact they are because I check regularly on the planet stats website.

Michael-Today at 12:28 AM

the rest are active

just listen to me

lets try to make something go right in the nc

Aidenius-Today at 12:29 AM

And the ones that are active have a very small member base in comparison.
Apart from bho

You said they want to know by next Wed right?

Michael-Today at 12:30 AM

yes

Aidenius-Today at 12:31 AM

Then tuesday is absolutely fine then.

Our level of involvement will be decided before outfit night.

You know the score Wookie. We have a commander team for a reason.

We try to discuss all the positives and negatives of a decision of this nature as a team.

Michael-Today at 12:33 AM

????

this is stupid

so

what

we do it on outfit night

and thats it

one fucking night

Aidenius-Today at 12:33 AM

Are you not reading properly again.

Michael-Today at 12:34 AM

so your saying

Aidenius-Today at 12:34 AM

I said, if you read

That the decision on whether we agree to commit to this team work and the scope of it will be made on tuesday

At the commander meeting.

Michael-Today at 12:35 AM

and like i said

its stupid

Aidenius-Today at 12:35 AM

Well thanks for your input.

What's stupid is jumping into a decision without properly looking at the situation.

Michael-Today at 12:36 AM

its like you dont want cooperation at all

Aidenius-Today at 12:36 AM

And what's also stupid is making unwarranted and unfounded comments.

That is not the case and you know it. But we don't dive head first into something without thinking about it properly first.

Michael-Today at 12:38 AM

its

a

trial

we can decide if we want to use it properly

after

Aidenius-Today at 12:38 AM

I don't care whether it's a trial or not. We will discuss it at the commander meeting.

With the commanders and we will come to a decision on if we are to get involved.

It's as simple as that. It's still before the next meeting so I don't get why you are struggling with this concept.

Michael-Today at 12:39 AM

i dont get

why your stubborn about working together

Aidenius-Today at 12:40 AM

...

Look wook, I appreciate you going to the meetings this evening, you were there to take notes and be a rep for tatf which I appreciate. But then you let yourself down with the above comments.

You made clear you don't want to be involved in the important decisions being made within tatf

So let me suggest this. Let us talk about it as an admin team and you not worry about it, as we are capable of making a well thought out decision.

Michael-Today at 12:42 AM

you weren't

there

you were not

at the meeting

Aidenius-Today at 12:42 AM

Hence the reason you went there to capture information

It's not rocket science mate.

Michael-Today at 12:43 AM

continue being stubborn, idc anymore

Aidenius-Today at 12:44 AM

I'm not being stubborn mate. You know the way we deal with things. We talk about them as a team.

If anyone is being stubborn here, it's you.

I never said we will disagree to trial and i didn't say we would agree either.^(edited)

You have been a commander, we discuss things.

You go to a meeting solo and you forget these things?

I don't know what's being going on with your logic of late dude.

We already have regular team work with some of the listed outfits without the need for this joint co operation initiative. Two of the outfits listed have been incredibly aggressive towards TATF on a consistent basis for 10 months which demonstrates an inherent ability to not want to work co operatively.

So yes, there are things to talk about.

Michael-Today at 12:51 AM

and they were

extremely

friendly

in teamspeak

Aidenius-Today at 12:52 AM

So this is where logic comes in wookie. 10 months of inappropriate conduct towards us does not get out weighed by one friendly encounter.

Its

Called

Common

Sense

To

Discuss these things.

Or tell me I'm wrong? Have they suddenly encountered peace and tranquillity after 10 months of abuse towards us and are now Mormons?

Michael-Today at 12:56 AM

i want to try for cooperation

by any means necessary

Aidenius-Today at 12:56 AM

That's great. Don't we all.

Michael-Today at 12:56 AM

then why are you making this decision

against it

Aidenius-Today at 12:57 AM

But sometimes walking into a dark alley without risk assessing the situation will lead to a negative outcome.

Especially when that alley way is known for stabbings and being mugged.^(edited)

I guess it's because I have some common sense mate.

I don't need to be a leader to figure that out.

If we just walk into this without having a good think about it. Then there's a risk of creating more drama and issues. Which is not what we want.

Aidenius-Today at 1:01 AM

I'm glad you had a positive meeting I am. But it does not erase the past mate.

I'm off to sleep. Night.

Michael-Today at 1:01 AM

maybe you need to go to it yourself then

Aidenius-Today at 1:09 AM

Or maybe not go at all

Decision will be made next tuesday. For the 100th time.

Michael-Today at 1:12 AM

constantly waiting, always on tuesday except not on tuesday because you cant make it

im sick of this crap

reschedule for next tuesday, oh wait cant make that one either

and it keeps going on aiden

on and on and on

just so you know

im genuinely thinking of leaving and finding a new outfit at this rate or i might even go solo

and you can continue having your commander meetings without me^(edited)

I've been with tatf for so long and helped nurture it, it's quite sad to leave because of this

You can still attend the smash, find someone else for it though

Aidenius-Today at 1:25 AM

Yeah well.

If you are going to continue acting the way you have in recent times then it may be for the best. You continually defy reason, think of yourself above others, speak to people abruptly with no reason.

It was fantastic being a friend of yours for a good period of time and then something happened to you.

I have no idea what it was but you were never the same after.

It's like you're turning into Eugene.

And I'm rick thinking wtf

Michael-Today at 1:28 AM

And its like your negan mate

Aidenius-Today at 1:28 AM

If that analogy helps.

Michael-Today at 1:29 AM

You don't want to cooperate

Aidenius-Today at 1:29 AM

I have never done anything other than try be a friend to you.

Michael-Today at 1:29 AM

You want to be the biggest

And the best

Aidenius-Today at 1:29 AM

You can't even read what I'm saying

I don't want to be the biggest or best at all

Michael-Today at 1:29 AM

try to be a friend

Aidenius-Today at 1:29 AM

Yeah I have been trying to be a friend to you.

But you have thrown it back in my face

And others.

Constantly.

And to be frank I'm fed up with it.

Michael-Today at 1:30 AM

Im fed up with you as well

Aidenius-Today at 1:31 AM

This isn't your outfit. You don't run it.

You're on a power trip constantly

What the hell happened to you.

Michael-Today at 1:31 AM

No

Aidenius-Today at 1:31 AM

Yes

Michael-Today at 1:31 AM

I'm just trying to help relations

Aidenius-Today at 1:31 AM

You never listen to anyone.

Michael-Today at 1:31 AM

Between outfits

Aidenius-Today at 1:31 AM

Ever anymore

Michael-Today at 1:31 AM

You aren't listening

Stuck

In an ivory

Tower

Aidenius-Today at 1:32 AM

Wtf

Read my answer to you

I said we will consider working with others.

I never said we wouldn't.

Michael-Today at 1:32 AM

I had no problem with that

Aidenius-Today at 1:32 AM

You are... yet again jumping the gun

Michael-Today at 1:32 AM

It was

The date

You set

Aidenius-Today at 1:32 AM

Getting yourself into a state

It's still before the deadline that you said.

Michael-Today at 1:33 AM

1 damn day

Its ridiculous

Aidenius-Today at 1:33 AM

I'm not sure whether you are suffering with family problems, hormones or whatever

Michael-Today at 1:33 AM

Lets ask the other commanders

Right

Aidenius-Today at 1:33 AM

But you are out of line.

Michael-Today at 1:33 AM

Now

Right now aiden

Aidenius-Today at 1:34 AM

You do not tell me when to consult my commanders.

1 day before is still before

Michael-Today at 1:34 AM

Major and chicago are already on board

I already talked to them before you

Aidenius-Today at 1:34 AM

Doesn't matter. They respect my decision. When they ask when we will talk about it.

I will say tuesday

And they will say. Ok

Michael-Today at 1:35 AM

Oh almighty aidenus, our lord and saviour

Aidenius-Today at 1:35 AM

...

No it's because we booked in a meeting for next week

Already.

Michael-Today at 1:36 AM

Mhmm, or you could call a quick one for lets say friday

Not everyone has to be there

Gives people a day to organise

Friday

End of the week

People are free

Aidenius-Today at 1:36 AM

So if a deadline is set for a wednesday.

Michael-Today at 1:37 AM

But no, lets be like congress and make it take fucking forever

Aidenius-Today at 1:37 AM

What's the difference if we hold a meeting right now, or the tuesday meeting as planned?

If we come to the same decision?

Tell me.

Michael-Today at 1:37 AM

There's a huge

Difference

Aidenius-Today at 1:37 AM

Go on, tell me.

Michael-Today at 1:37 AM

We get to put the plan into motion and trial it for longer

Aidenius-Today at 1:37 AM

If they are waiting for a decision next wednesday. Tell me the difference it makes.

Michael-Today at 1:37 AM

A more extensive test

Rather than one day

Aidenius-Today at 1:38 AM

That's not what you said, you said they are waiting for a decision on whether we participate with the deadline being next wednesday.

Michael-Today at 1:38 AM

?????

Aidenius-Today at 1:38 AM

.....

Michael-Today at 1:38 AM

I said weve started it

Aidenius-Today at 1:38 AM

No you didnt.

This goes back to, read what I'm asking you.

Michael-Today at 1:38 AM

People go on that ts if they are commanding

On wednesday

We will see how it went

They use a plugin

To talk on two ts's

I said this

Right

Aidenius-Today at 1:39 AM

You said they want to know by next Wed right?

Michael - Today at 12:30 AM

yes

Michael-Today at 1:39 AM

At

The

Start

Aidenius-Today at 1:39 AM

No, you didnt.

I asked you, when they needed to know our decision by.

You said, next wednesday.

Michael-Today at 1:40 AM

Decision was made today for a trial

Aidenius-Today at 1:40 AM

I never authorised you to make a decision like that.

Michael-Today at 1:40 AM

Decision to keep it will be made next wednesday

Too

Bad

Aidenius-Today at 1:40 AM

And you also never said that

So yeah, with that information I will need to talk to the admin team quicker.

Again, as I have said multiple times.

Read what im asking, and be clear on what you are saying.

Michael-Today at 1:41 AM

I am

Aidenius-Today at 1:41 AM

It took me 3 hours to get all of the information from the meeting.

Michael-Today at 1:41 AM

100%

Confident in my words

Aidenius-Today at 1:41 AM

No your not, read the damn conversation.

I asked you and you were not clear at all.

Michael-Today at 1:41 AM

Because i was telling you

Before

I got interrupted

Aidenius-Today at 1:41 AM

? READ THE CONVERSATION.

Michael-Today at 1:41 AM

And then this shit storm kicked off

Aidenius-Today at 1:42 AM

Do you want me to get the timestamps and questions?

Michael-Today at 1:42 AM

Ok, well there will be no decision on taft's level of involvement until at least next tuesday.

Aidenius-Today at 1:42 AM

I think there may have been some confusion onto what you thought you were being asked.

As I never authorised you to make any sort of agreement, I assumed the next meeting

would be whether we are agreeing or not.

Michael-Today at 1:43 AM

Thats

What

Happens

When

You go to

Meetings

Otherwise theres no point to a meeting

Aidenius-Today at 1:43 AM

Not necessarily, you discuss things. You don't have to approve anything.

I go to plenty of meetings where nothing is actually agreed.

Michael-Today at 1:43 AM

Useless meetings

Aidenius-Today at 1:44 AM

Not really, P P P P

Previous Preparation Prevents Poor Performance.

But I am sure your talking from your extensive corporate meeting back ground.

Look, whether you don't understand my questions or not, your attitude towards me absolutely stinks. You fail to talk politely to me so often now its beyond a joke.

Always being rude, sarcastic.

Michael-Today at 1:45 AM

Maybe you just fail to trust me after cal left for a second time

Maybe

Aidenius-Today at 1:45 AM

I fail to trust you because of the way you act.

Michael-Today at 1:45 AM

That was the turning point

Aidenius-Today at 1:45 AM

Its simple as that.

I am not the only one who has noticed a huge change in your behavior dude.

One moment you are the wookie we all know and enjoy to call a friend.

The next you are argumentative, have an attitude issue.

Don't point the blame on Cal or whoever, you are the one who started acting weird dude.

There is nothing more that I would want than for you to stop being like this.

Nothing, I considered you one of my best mates on here.

Michael-Today at 1:47 AM

Considered

Alright

Ciao

Aidenius-Today at 1:47 AM

You were my buddy, and It wasn't easy considering you that either.

But you betrayed my trust and friendship.

And you continue to do so.

We were starting to build bridges again

it felt, the last week or so.

If you do this, there is no turning back mate.

Michael-Today at 1:52 AM

I will stay, but from hence forth, i will not talk to you, poke you, msg you or even breath in your direction. im here for the guys that look upto me and noone else, if you cant accept that then im leaving. simple.

Aidenius-Today at 1:53 AM

Alright well, thats fine if you dont mind being a Sergeant.

Michael-Today at 1:53 AM

Id prefer private

Aidenius-Today at 1:53 AM

Absolutely.

Michael-Today at 1:54 AM

This is the last message im sending to you, just know its you thats driven us this far apart.

Goodbye

Aidenius-Today at 1:54 AM

Well

We both know thats bollocks.

Wait a sec

Will you stop being like this?

The Drama? Why be dramatic dude? I want you to act like the Wookie we knew.

Aidenius-Today at 8:55 AM

Test

Not sure if this message will reach you.

But you didn't give me any choice. I copied our conversation to the admin team and they are also saddened by your behavior.

Just remember. It's you that drove us a part and you from the outfit.

Take care.

Michael-Today at 9:56 AM

Confused if ive been kicked or not but ill assume so since ive been banned on the discord

Aidenius-Today at 9:57 AM

Yeah sorry if it wasn't made clear to you, I left messages on your ban notification which advised you that you were in violation of Section 1 of the general rules located at www.tatf.enjin.com/codeofconduct for consistent inappropriate behavior over the last 4 weeks. After multiple warnings you continued to display such behavior and as a result the commander team was consulted and the decision was made to remove you from the outfit. I am highly saddened by this because I considered you one of my closest friends on here, you were my buddy and I really enjoyed the time I had with you when you were friendly and treated others with respect. I have no idea what has happened to you in recent times but ultimately theres only so many chances I can give someone before I have to take disciplinary action as I would to any other member.

Thank you ever so much for everything you did for the outfit when you were the Wookie we all enjoyed to call a friend, it will not be forgotten and I will always remember the fun times we had, it was really awesome whilst it lasted.

I wish you the best of luck in your future endeavours on Planetside 2 and whatever you decide to do in the real world.

Words can't express how sad I am about this, it's a real personal blow.

But you tied my hands Wook.

Michael-Today at 9:59 AM

No you just didnt trust your friends

Aidenius-Today at 9:59 AM

I trust my friends that act like friends.

You have really acted out of character for weeks now, and I have all the conversations saved to demonstrate it.

Aidenius-Today at 10:00 AM

Many people have said how you have been out of character, even now on Discord following the announcement of your removal.

I have no idea what's going on in your IRL, but I expect it's related to that.

Michael-Today at 10:00 AM

They say that because you say that

Aidenius-Today at 10:00 AM

Just remember that whatever is going on in your life mate, it can't last forever and things will improve.(edited)

No they say that because its fairly obvious mate your acting differently.

You can play the denial card but these are people that have known you for as long as I have.

and have said things like

Michael-Today at 10:01 AM

I can see why reddit hates you

No matter how much i defended you

On the reddit

Aidenius-Today at 10:01 AM

'Yeah I noticed Wookie acted differently' 'when i saw the TATF outfit for first time wookie was leading and he was very nice with everyone and that is why i joined. And the first 3 weeks he was like that (nice to everyone) and i started to consider him a friend and i still do . That is why i don't want him to leave. But now he is totally different person but i think he will get shit together and he will be on point but he need more time.'

Michael-Today at 10:02 AM

On the miller discord

Aidenius-Today at 10:02 AM

two different quotes there mate, two different people that know you well.

Another person

'What the hell is wrong with wook? Like is he doing that on purpose'

I don't care that a few bitter people hate me on reddit, I stand up for common sense and logic, and the kids that roam reddit dont like it, I can live with that.

Michael-Today at 10:03 AM

Thank you for turning all the guys who i cared for against me

Aidenius-Today at 10:03 AM

What hurts is when someone I care about goes like you have.

Mate you have done that yourself.

Why can't you understand you are acting strange.

You use to talk to me about things that really impacted you.

And now you won't say a thing, and just act completely out of character.

We are all really concerned by your behavior mate, and you wont say anything to anyone.

Michael-Today at 10:04 AM

I have nothing to talk about????

Aidenius-Today at 10:04 AM

But you kept breaking the rules, you keep disrespecting people and trying to create drama.

Michael-Today at 10:04 AM

There's nothing going on in my life

Aiden

Aidenius-Today at 10:04 AM

Then what the hell is going on with you, is it hormonal or something?

Help me understand this sudden change in behavior.

Michael-Today at 10:04 AM

Im just trying to get shit done

And your

Blocking me

Aidenius-Today at 10:04 AM

You weren't trying to get shit done mate, not at all.

You were trying to create an argument, and the countless times before that over the last few weeks.

I gave you an opportunity to go to that meeting, which was frankly above your rank because I wanted you to feel involved still.

And I apologise as I shouldn't have sent you.

Michael-Today at 10:05 AM

No

I was asked

Aidenius-Today at 10:05 AM

I should have sent a commander instead, but I wanted you to be part of the team.

Michael-Today at 10:05 AM

To go

Aidenius-Today at 10:05 AM

But you KEEP fighting me, you keep fighting everyone.

Its like what the hell man?

Michael-Today at 10:05 AM

Im ONLY fighting you

Aidenius-Today at 10:05 AM

One minute you are nice, friendly, work as a team, all that, its fantastic.

Next minute you do a 180 and talk to people abruptly and rude, NOT just me.

always on the offensive talking inappropriately and sarcastically.

Its like Wookie left the outfit and was replaced with whoever you are.

its crazy.

Michael-Today at 10:06 AM

Ive was here for 10 months

And you dont respect anything i say

Aidenius-Today at 10:06 AM

Yeah you was, and I loved having you part of TATF, you were my infil bro on here.

i confided in you, not just about planetside crap

but IRL stuff too, as I trusted you, you were my friend.

and I had tons of respect for you, absolutely tons.

Michael-Today at 10:07 AM

Then why didn't you let me make decisions

Aidenius-Today at 10:07 AM

And you throw it all in my face by being like you have been for the past month.

Michael-Today at 10:07 AM

This doesn't date back a montu

Aidenius-Today at 10:07 AM

I am super upset by it, I really am.

Michael-Today at 10:07 AM

Its longer

Remember

When blind shots called you mike

Aidenius-Today at 10:08 AM

Well you were a Commander mate, which was part of a TEAM.

Michael-Today at 10:08 AM

Months back

Aidenius-Today at 10:08 AM

A TEAM that makes decisions collectively.

You were starting to talk to other commanders like you were the leader, and you weren't. And even I don't talk to them like that.

Everyone was like ? what is going on with Wookie.

Michael-Today at 10:08 AM

Sometimes you have to make them without a team because the clocks ticking
aiden

Aidenius-Today at 10:08 AM

Isn't he the same rank as me?

There is no example you can give me where all the information was available and I delayed on a decision which was imperative and time sensitive.

Michael-Today at 10:09 AM

Because I was the most senior commander??

Aidenius-Today at 10:09 AM

The only example that relates is the situation last night where I didn't have all the information

Michael-Today at 10:09 AM

I know what to do

Aidenius-Today at 10:09 AM

because you didn't give it to me last night when I asked.

Michael-Today at 10:09 AM

How to guide people

Aidenius-Today at 10:09 AM

You were a Commander, not a Senior commander. When I was ill you were once given the proviso that if I couldn't lead you would take my place

Michael-Today at 10:10 AM

I gave you the information and you interpreted it wrong

Aidenius-Today at 10:10 AM

but you weren't granted the ability to just order people around in the commander team, or me.

No if you actually read the conversation, you interpreted it wrong mate.

Wook there is a part of you which is absolutely awesome, and we had lots of fun together and you managed to get me to think of you as a close friend which

I really don't give lightly.

But there is another part you have displayed in the last few weeks or more which has been a complete change of character and really rude and disrespectful, sarcastic literally constantly.

I am telling you mate, I am not the only one who has noticed this behavior and I have lost count of the amount of times

I have said to you 'Wookie, please mate don't act like this, you are out of character'

Yet you continue to shove sand in my face despite this.

There is NOTHING more that I wanted than for you to revert back to the nice Wookie.

Nothing, I wanted to rebuild our friendship and move forward as a team.(edited)

But again,. you throw sand in my face.

You put me in the worst situation to have to do this to you. This is the last thing I ever dreamed of having to do in relation to you.

You could have continued to do really well with TATF, had you only stopped speaking to people like shite.

Michael-Today at 10:22 AM

Well i assume i have no way to talk to the guys now since youve banned me on everything, again no matter how much i did and tried to help you always disagreed with the decisions i made because i made them when the timer was ticking, ive only ever done good for this outfit, ive even bought games for members 3 times and lead however many goddam platoons, but all you had to do was say ok, because i trust you to the decisions that i made

Aidenius-Today at 10:23 AM

All you had to do was apologise for the behaviour and we could have moved on.

I don't deny how much you have done for us. But it doesn't give you a license to be a dick to people.

I gave you way more chances and rope then I would have given anyone else.

Based on the above.

Keep telling yourself you were being like that because the timer was ticking. The saved Google documents state other wise.

And they have been made available to the outfit so people can read and see for themselves

The only person you have to blame dude is yourself. You kept digging yourself into a deeper and deeper hole.

Michael-Today at 10:27 AM

I kind of wish back in august, i didnt give porthos lead and got kicked from bho because then i would havent to go through this crap

Aidenius-Today at 10:27 AM

Really?

Michael-Today at 10:27 AM

Ill be going lone wolf on planetside

Aidenius-Today at 10:27 AM

You wish you remained in bho

?

Well you are truly lost then.

But remember this. Just because someone stumbles and loses their way. It doesnt mean they are lost forever. Don't treat people like dirt dude In whatever you do next.

It won't lead to positive stuff.^(edited)

Michael-Today at 10:34 AM

If possible I want to talk with the commanders asap

Aidenius-Today at 10:37 AM

Why what's up

Michael-Today at 10:37 AM

I just want to talk with them and explain my side so they dont look at me like some sort of evil villan

the one your portraying me to be

Aidenius-Today at 10:38 AM

Well they have all of the conversations between us

They do have the ability to read

They also know how to contact you if they want to talk to you.

But I will let them know you want to explain your side

And if they want to talk to you they will

Michael-Today at 10:39 AM

good because if not a reddit thread will probably be made

Aidenius-Today at 10:41 AM

Ok I will let them know that too

Done.

Anything else?

Michael-Today at 10:42 AM

Nope

you may now proceed to go live whatever life you have

Aidenius-Today at 10:42 AM

Ok cool.

Just a quick question if I may?

Michael-Today at 10:43 AM

fire away

Aidenius-Today at 10:43 AM

Don't ya think demanding to speak to the commanders and threatening to make a reddit drama post if you dont reinforces my points against you in terms of your behavior?

:)?

Michael-Today at 10:44 AM

keep being a smug asshole, im just saying i want to talk with them or ill make a thread informing them of what happened

Aidenius-Today at 10:44 AM

Oh and now more insults, again reinforcing me points about your behavior.

Michael-Today at 10:45 AM

your so condecending

its ridiculous

cal was right

and so was mayhem

Aidenius-Today at 10:45 AM

Not really, i'm just saying, your behavior is super unacceptable.

You then say its not.

Then you make threats and call me an asshole?

Its like uh, you just contradicted yourself.

And yeah i've had great training in dealing with people that cant follow the rules.

So dealing with you is fairly straight forward mate.

#preparedforidiots

Oh I also forgot to thank you for the £30 odd quid for our Teamspeak server, thats been really helpful.

What is that, like a weekends work for you? Its appreciated mate.

Michael-Today at 10:48 AM

and the website

Aidenius-Today at 10:48 AM

Oh and that too, thanks for that.

We still have a month left on our teamspeak due to your donation.

Cheers.

I also thank you for the birthday/xmas present you gave me last year when you were not in this idiotic mode.(edited)

I think you got confused with my gift though, it wasn't Arma 3, it was a free copy of America's Army :/ Sorry about that.

You will be missed dude.

Michael-Today at 1:50 PM

No, you'll probably forget about me within a week like mayhem and cal

Aidenius-Today at 2:24 PM

Absolute power corrupts absolutely. You fell into the same trap they did.

Thinking you could just go nuts and order everyone around and talk to people how you want without consequence. (edited)

Not in my outfit mate.

Michael-Today at 5:39 PM

Same trap? no, i didn't want leader, i just wanted to make the nc a better place to play

Aidenius-Today at 5:40 PM

Yes the same trap, you got a bit of power and it went to your head.

Then the attitude problems came.

Michael-Today at 6:03 PM

Good luck finding a better platoon leader and server smash rep, your gonna need it

Aidenius-Today at 6:05 PM

Well

Actually i feel super better after removing you.

Like a weight has been lifted from my shoulders.

No more whiner in the background giving me attitude, like a demented parrot.

Michael-Today at 8:12 PM

Go aiden keep on going, At Least I actually ran the outfit, didn't just sit on discord or gta doing bugger all, i gave up my own time to look after the outfit and essentially run its operations without you

Aidenius-Today at 8:33 PM

If you say so mate.

If it helps you sleep at night, keep thinking that.

Ultimately who got kicked for inappropriate conduct. (edited)

You.

It's actually been a good day, Major is now leader along with me, someone who actually acts like an adult and doesn't go on hissy fits and temper tantrums like an 8 year old.

and I got rid of something which was dragging the outfit down.

#positives
