Mailing Address: 13809 SE Division, Portland, OR 97236

2. Arthur Academy's Healthy and Safe Schools Plan and test results can be found at:

- Arthur Academy Administration Office, 13809 SE Division, Portland, OR 97236
- On the website at www.arthuracademy.org (under "Resources")

3. The Healthy and Safe Schools Plan is up to date and all required testing has been completed.

4. Testing Results - Arthur Academy school is current with all required testing as of the date of this document. Test results can be found on the Arthur Academy website at www.arthuracademy.org (under "resources"). Arthur Academy will also use current communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications.

Please contact the Arthur Academy school office to be added to current programs. Specific test results can be found as follows:

- Lead in Water: www.arthuracademy.org (under "resources")
- Radon: www.arthuracademy.org (under "resources")

5. Website Link Maintenance - Arthur Academy certifies that all website links for plan information and test results are current and functional.
6. Major Exposure Reduction Activities

Facility Name	Building Identification Number (BIN)	Activity resulting in reduced risk of exposure to hazardous materials	Type of hazard addressed	Date of activity	Estimated cost of remediation
Yankton (St Helens) Campus		Removed Tile Flooring in Bldg E	Asbestos Abatement	June 2025	\$25,000

7. Radon Testing Summary - Arthur Academy has scheduled radon testing for 2025-2026 for all facilities.

I certify that the above information is true and accurate to the best of my knowledge.
