

Game Reflection

Now that you have created your own board game, we would like you to play, then reflect on another group's board game. Please use thoughtful and complete sentences and be specific with your feedback.

1. What game did you play?
2. Was the game you played truly unique? Why or why not?
3. Was the game enjoyable to play? Would you play it again?
4. Were the directions clear?
5. Did you need to use some kind of strategy to play this game? What was it?
6. How engaged with the game were you when it was not your turn?
7. What do you think was the most successful part of the game you played?
8. What feedback would you give this group to improve their game?
