

Dear U.S. Ski & Snowboard Members and Parents:

This is the final reminder to take advantage of U.S. Ski & Snowboard's early bird registration deadline, which ends on November 1st at 11:59 PM MST. Late fees will be in effect after Nov 1.

Please follow the steps below to renew your U.S. Ski & Snowboard membership:

- Go to [my.usskiandsnowboard.org](http://my.usskiandsnowboard.org). Login to the existing account on the right or click "create an account" on the left to establish a new account.
- Any member turning 18 and older is now required to have their own My U.S. Ski & Snowboard account in order to complete membership requirements to activate membership.
- Primary members on the account will find their "renew membership" link in the status line on the left in the "my account" box. Linked members should click their box in the linked member section of the "my account" box. Their "renew membership" link will appear above in the status line.
- Please check the membership cart to the right as memberships may already be populated. Be certain the correct membership is in the purchase cart.
- Complete the renewal process for each member you wish to register.
- Check the emailed receipt to ensure all information is correct, including the membership category and member's date of birth.
- U.S. Ski & Snowboard offers a family cap for those purchasing memberships for immediate family. If the total of U.S. Ski & Snowboard memberships (excluding bonus packs, decals, division dues, FIS) is greater than \$500, you may request a credit of the overage. When your family has registered, please email Member Services at [membership@usskiandsnowboard.org](mailto:membership@usskiandsnowboard.org). Please provide the names and U.S. Ski & Snowboard ID numbers of all family members.

Members turning 18 or older during the season may have one or more of the following membership requirements: background screening, annual SafeSport training and the new Introduction to Avalanches course. Please keep in mind that background screenings may be delayed as a result of court closures due to the pandemic. Please anticipate 4-6 weeks for turnaround; international screenings will take longer.

Please keep in mind that U.S. Ski & Snowboard does not refund membership dues or FIS license fees once purchased.

U.S. Ski & Snowboard has provided [Covid-19](#) return to training and competition guidance. Please see [www.usskiandsnowboard.org/covid-19](http://www.usskiandsnowboard.org/covid-19) for information. Members and parents are encouraged to check with their club and or coach regarding training and competition plans for the season. Please contact U.S. Ski & Snowboard Member Services with questions on your username and/or password.

Sincerely,  
U.S. Ski & Snowboard Member Services
