#### THE STORY OF A MAN WHO CHANGED HIS JOB SEVERAL TIMES

(You can see this as a presentation at this link [here](#))

Peter is at his son's school talking about his job: he works in a toy factory.

His son's classmates don't seem to be very interested in him.

(...)

- *PETER IS BACK HOME AND IS TALKING TO HIS WIFE ABOUT THE PRESENTATION AT HIS SON'S SCHOOL*

**Wife:** Peter! How was your big presentation at Chriss's class?

**Peter:** That was a huge waste of time!

**Wife:** Well... It couldn't have been that bad...

**Peter:** It was terrible! Everyone else there had some big, important job and was way more successful than me!

**Bryan (dog):** Hey! Come on... You have a great job...

**STEWIE (baby):** Yeah... you... you... you're doing... you're doing... good...

**Wife:** Peter, if you're not satisfied, then be more assertive. Invite Mr Weed for dinner and show him what you have to offer the company.

**Peter:** Yes, I guess I could... (...)

- *PETER'S HOUSE AT DINNER TIME. PETER'S BOSS IS ABOUT TO ARRIVE...*

**Wife:** Peter, calm down. Everything's gonna be fine.

**Peter:** I hope so, 'cause if I blow this, somebody'll have to go back to my old job at the electric company.

(DOOR BELL RINGS)

**Wife:** That must be him!

**Peter:** Oh, God! I hope that thing doesn't happen when I get nervous and I can't control the volume of my voice.

**Peter's boss:** Hello Peter, how are you?

**Peter:** FINE! (shouting) Please, come in. (whispering)

**Wife:** It's so nice to have you over, Mr Weed!

**Boss:** Thank you, Mrs Griffin. I understand that you have a beautiful family.

**Wife:** Yes, we do, but the children won't be joining us for dinner. It's almost their bedtime.

(Peter blows a whistle. The children come down the stairs in a row all dressed up. They sing a song)...

- DURING THE DINNER, PETER BOSS TELLS HIM THAT HE WILL PROMOTE HIM TO HEAD OF TOY DEVELOPEMENT.
- THE DOG CHOKES ON A DINNER ROLL.
- THEY DO THE HEIMLICH MANEUVER ON HIM.
- THE DINNER ROLL JUMPS OUT OF THE DOG'S MOUTH TO MR WEED'S THROAT.

- HE DIES.

(...)

- AT THE TOY FACTORY, A LAWYER SHOWS THE EMPLOYEES A VIDEO OF MR WEED WITH INSTRUCTIONS TO BE FOLLOWED AFTER HIS FUNERAL:

The factory is going to be demolished... immediately. Peter loses his job.

After going to the unemployment office and reading the job adverts on the newspaper, he finds different jobs:

- At a restaurant service room.
- He pretends to be deaf at the airport and sell tickets to help him with his handicap.
- He works on a street corner...

LATER ON, DURING A SERIOUS CONVERSATION WITH HIS WIFE, SHE ENCOURAGES HIM TO PURSUE HIS DREAMS AND DO THE JOB THAT HE'S ALWAYS WANTED TO DO...  
... AND HE DECIDES TO BE A...
