Coaches:

As you arrive please enter through the East parking drive south of our high school. Bus parking will be on the east side of the lot. Tents may be set up just behind the Aurora Cross Country Tent on the side of the grass close to the soccer field. There is a big open field in between the football practice fields and soccer field. Please do not put your tent on either of the playing fields. Our school release is at 3:30, so there will be some traffic at this time, but the traffic will quickly ease.

The coaches meeting will be held on the east side of the building where the hospitality room is. This is also where you will be able to pick up your teams' packet.

Coaches and Bus Drivers: There will be a hospitality room available for you on the east side of the building across from the soccer field. The side door will be open.

Meet Official/gun: Jason Pyrah

Athletic Trainer on site: Summer Stewart

Course Markings: The high school and MS/JH course begins and ends at the same locations. The start of the course is near the tents and the end of the course is on the west side of the high school. The courses are marked with a white and red boundary and the back field will be cut off before the JH races begin. The course also has flagging and hay bales to keep runners on course. We realize that this is the first meet of the season for many!

Course Monitors: These individuals will be at assigned numbers and will help your runners stay on track and report any rule violations. The only person who can disqualify a runner is the meet official, Brian Moler.

Boxes: They are marked on your packet when you arrive for the coaches' meeting.

Bathrooms: Our soccer field bathrooms will be open upon arrival located on the tent side of the school, and on the north side of the school our locker rooms will be open after 3:30.

Concession Stands: Concessions will be available at the stand next to the soccer field and tent set up.

Finish Line: As they make their way past the finish line, medals will be awarded in the chute.

Act Now Promotions: Act Now is timing our meet this year. There will be **live** results on their website. Coaches will be provided a packet of results at their table for pick up. Please return any unused bibs BEFORE the start of the meet.

Thank you for coming to our meet! We are looking forward to a great race!

High School and MS/JH course: 1 mile west of tennis courts-two mile #12 and #13. All .5 and mile marked with signs.
