

Every Papi Happy: Father's Day the Gringo Way!

There's a feast for every Papi at Gringo's.

Gringo's Chicken and Ribs rolls out its Father's Day special with Papi's Paboritos, available starting June 1.

Papi's Paboritos has all-time Gringo faves like Cuban Beef Lechon. Juicy, tender, and flavorful, every bite of Gringo's Cuban Beef Lechon melts in your mouth. All are sliced up and served on a bed of Gringo's Cuban rice.

Gringo's Cerveza Wings even makes a comeback in this one, fried chicken wings fried to crisp perfection and flavored with the malty goodness of beer.

Gringo pairs it with perfect starters like the Caesar Salad and another favorite from Gringo's Grinchos—which are flavorful deep-fried potatoes.

Aside from these, Papi Paboritos has Gringo's mighty and meaty Angus Bolognese Linguine.

Capping these savory delights, Gringo introduces in this pack its new Classic Tres Leches, an ultra-light and soft sponge cake soaked with three kinds of milk. It also includes Compadre Chocolates, a decadent chocolate cocoa cream dessert for chocolate lovers young or young at heart.

Papi's Paboritos is good for three to four people. Also included in the package is a 1.5-liter Coca-Cola to wash it all down.

On top of all these, Gringo has a special treat for all the Papi's out there! In partnership with Coca-Cola, Gringo is giving away official merchandise like umbrellas and shirts so everyone can open happiness with their dads!
