

The syllabus for Mr. Hula's Science Classes

(Pre AP Biology, AP Biology, and Chemistry)

Instructor: Mr. Hula

Email: ghula@chisholm.k12.ok.us

Phone: 233-2852 ext. 435

Planning Period: 2:10-3:00 p.m. (7th Period)

Grading:

- Category Weights (60% Assessment, 30% Homework, 10% Semester Test)
- Grades will be available online through <https://ok.wengage.com/CHISHOLM>
- Google Classroom is the platform for Chisholm High School.

Things to remember:

- Communication is critical! Please check email regularly and my website:
<https://sites.google.com/chisholm.k12.ok.us/facultyhula/home>
- During in person instruction or online instruction:
 - No late work.
 - Assignments must be written in pencil unless specified otherwise.
 - In the event we go online distance learning, Instructions will be posted on how assignments will be assigned and graded. (Google Classroom)
 - Name, date, period and assignment must be on all material turned in.
 - You are responsible for your make up work so please check with me when you return or prior to your absence.
 - All missed labs and tests will be made up before or after school.
 - Cheating will result in a zero.
 - All students need to maintain a notebook. Instructions will be given in class as to the content and order of your notebook.
 - If you have a question, ask.
 - Safety is your first priority in the laboratory and in the classroom.
 - No open-toed shoes in the lab.
 - Be in your assigned seat when the bell rings.
 - If we are online, Google Meets are mandatory.
 - Use the restroom prior to class time.
 - Bring pencil, paper, text and digital devices to class each day.
 - No form of disruptive behavior will be tolerated. Remember rule #1
 - Behavior online is the same as the classroom.
 - Phones and electronic watches will be placed on the rail during class unless they are being used during the hour for educational purposes.

Expectations:

- No food or drink in the classroom or laboratory.
- Respect the property of the school and that of others.

- That each day you come to class expecting to learn and you leave knowing something new.

What will you need:

- Three-ring binder => **notebook**.
- Mechanical **pencils**.
- Notebook or **paper** for your binder.
- An **attitude** for success!
- **Calculator** TI 30Xa is what is used in class. An option for an online calculator is:
<https://www.mathgoodies.com/calculators/calc4chem>
