

Class Event Coordinators (CEC) Directory

Please check the grade level information on the Community Hub or connect with the PTO through the [Buddies WhatsApp Group](#) to get linked up to your grade level's Class Event Coordinator.

For each grade level one or two Class Event Coordinators (CECs) are required. Elementary School CECs are parents who volunteer for the position or are chosen by the ES staff. Middle and High School CECs are selected by the MS and HS PTO representatives. For more information please contact your CEC below, or reach out to the PTO School Representatives or the PTO.

What do our CECs do?

The main CEC tasks vary from grade to grade and at the discretion of the grade teachers, however requirements include:

- maintain the class contact lists,
- reach out to incoming students and their families,
- communicate with/assist classroom teachers with upcoming events,
- communicate and promote upcoming events to parents,
- solicit and organize parent volunteers (at Class Coffee Mornings),
- work alongside (and with the full support of) the PTO ES, MS and HS Reps.
