

Concierto de Navidad de CBA 2021/CBA Christmas Concert 2021

"Navidad Alrededor del Mundo"/"Christmas Around the World"

Once more, we have a plan that takes Covid into consideration but that **will be a lot of fun and educational!** On Thursday, December 16, from 11 AM-12 PM (Early Childhood) and from 1-2 PM (Elementary), we will have an outdoor/indoor-spaced event. Resembling last year's Field Day/End-of-the-year Concert, parent volunteers will "man" stations with fun activities for children outside of the Sanctuary. The **Early Childhood** families will go with their children through these stations while waiting for their children's turn to perform. (Any children whose parents are not able to attend will be with their teachers). The **Elementary** kids will go through the stations with their teachers. These stations will each represent a different country. At the times listed below, an announcement will be made announcing the gathering of one group to perform and another group to be in the wings for their performances in the Sanctuary. When a class performs, only the families of those kids will go into the Sanctuary, masked, and spread out. An outdoor screen will be outside for those who wish to see other classes perform (and a video will be shared with all the performances some time after the concert). The Concert will also be streamed on FaceBook.

Each class is representing a different country when they sing. More information on these countries' Christmas traditions will be available in the program, which doubles as a "passport" that the children will have stamped at each outdoor station.

Please consider volunteering to "man" stations and as parking attendants. If you wish to volunteer, please write to pto@charlestonbilingualacademy.org. Your teachers will be contacting you about what the children will wear.

Concert Part 1: Early Childhood

Time, class, teacher(s) in charge	Song
1.5 & 2 yo (Maribel & Liz) SINGING TIME: 11:00 Country: Mexico	Chiquitín, chiquitín (Little One)
