

2 Axis-Tracker (Solar) for Pyrheliometer

Contact Details:

Student coordinator: Abhishek S. Kashyap

Email: abhishek.19mez0009@iitrpr.ac.in

Faculty in-charge: Dr. Himanshu Tyagi

DRF staff coordinator: me.drf@iitrpr.ac.in

Technical specifications (in brief):

SchelT ST MSAPT

Application of the equipment/machine:

It is a 2axis-tracker of the sun, which assists in the measurement of 'direct component' of solar irradiation

Limitations of the equipment/machine:

To be used as per instruction

Consumables/sample preparation of the machine:

None
