

Hamsters: Thanks for agreeing to your mission! It's time to get to work:

Ensure your Name, and the title of the poem is above your submission.
Include images, when possible.

Each of you will write your name in bold, add your paragraph. Do your best to avoid overwriting each other's work. You may have to scroll down a few pages. . .

If time permits, go to the Chrome Web Store and search for [Soundtrap](#). . .If possible, record your poem as a voice track, download and save to google Drive (If you are really ambitious, add a musical track under your voice).

Give the link to your poem in this document.

If you have another way to record and share audio. . .please do so and then share with me what you used/did!!

Jeff
