Subject: (DEATH THREAT AGAINST BTS Jeon Jungkook/ JK

Hello BH,

You need to take measures to ensure safety DEATH THREAT AGAINST BTS Jeon Jungkook / JK is being made by an Instagram account.

Countless accounts are being created daily to threaten Jeon Jungkook and for the sake of his safety, protective measures need to be taken urgently.

I take this seriously because as far as we know, this person knows where he lives because they've been sending him food and are now threatening to harm him.

Please BH, you must take care of the safety of your artists, they don't deserve to be harassed and they don't deserve threats like this

We call for an investigation and punishment of all those involved.

We believe that protecting the image of BTS members and preserving their mental, emotional and physical well-being is HYBE's prerogative.

And since this is happening on the Instagram application, it is up to the social network to monitor and punish those involved.

We believe that the safety of BTS / jk and the preservation of their mental, emotional and physical well-being are HYBE's prerogatives. As a consequence, we sincerely ask for your immediate legal action against these malicious people and increasing your security.

We urge you to take urgent legal action.
