Karakia for Carving

Rukuhia te ata o te whakairo
Rukuhia te ata o te wānanga
Rukuhia te ata o te wharekura.
Whano, whano, hari mai te toki,
Haumi e, hui e, tāiki e!

Delve deep into the image of carving,
Delve deep into the essence of knowledge,
Delve deep into the image of the schooling,
Proceed! Advance! Welcome the adze!
Unite! Assemble the (vessels), ribs and hull!

Kia ora koutou katoa!

It is springtime, the days are getting longer and the days are warming up and plant life is revitalising. This month and into October we will be primarily focussing on completing auction works in the lead up to the **October 1st Deadline**. This will mean that the majority of the workshop programme will be on hold until after the auction or heavily geared towards supporting it. If you have completed your auction work and you would like to contribute further we also need merchandise for the auction. This could include crafting, making cards, prints, badges, t-shirts. Talk to a tutor if you want more guidance in this area. We hope you have a fun and productive month.
