

# Grade: PreK-K Project: Design and Build A BeanStalk

**BOOK INSPIRED STEAM: Jack and BeanStalk** 

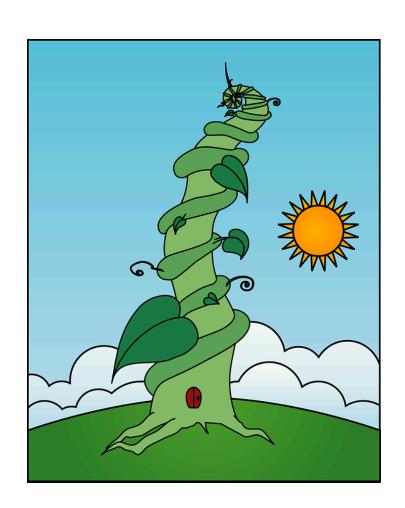

#### **Instructions:**

#### **Scholars will:**

- View the recorded story of Jack and the Beanstalk
- Design TWO (2) different ideas of a Beanstalk
- Build their own Beanstalk

#### **Materials**

- Pipecleaners
- Skewers
- Modeling Clay
- Cardstock paper
- Marker
- Plastic Egg

IDEA #1	IDEA# 2

## THE DESIGN PROCESS

### **Project: Design and Create from The Maker Bags**

#### **Instructions: Design Create and Share**

#### **Scholars will**

- Watch the video of "What is an Engineer"
- Explore the materials in their activity bag
- Design an idea with materials (design sheet on the back)
- Create, Make, and Share

#### **Materials**

- Paper
- Cardboard
- Pipe cleaners
- Strip of tape dots
- Model clay
- craft sticks
- Wiggle eyes

IDEA #1	IDEA# 2

# The Design Process

### **Project: Design and Build Catapults**

#### **Instructions: Design Create and Share**

#### **Scholars will**

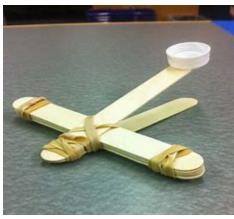

- Watch the video "What is an Engineer"
- Explore the materials in their activity bag
- Design an idea(s) for a catapult (design sheet on the back)
- Create/Build the catapult

#### **Material**

- Paper
- Craft sticks
- Rubber bands
- Cotton ball
- Plastic spoon

IDEA #1	IDEA# 2

The Design Process

# **Grade: Five Project: Design and Build Windmills**

BOOK INSPIRED STEAM: The Boy who harnessed the wind.

#### **Instructions:**

#### **Scholars will:**

- Watch the video "What is an Engineer"
- Explore the materials in their activity bag
- Design an idea(s) for the windmill (design sheet on the back)
- Create/Build the Windmill

#### **Materials**

- Tape dots
- Skewers
- Modeling Clay
- Cardstock paper
- Cup
- Craft sticks
- Paper clips
- Straws

IDEA #1	IDEA# 2

# The Design Process

**Grade: Six - Eight Project: Explore and Code** 

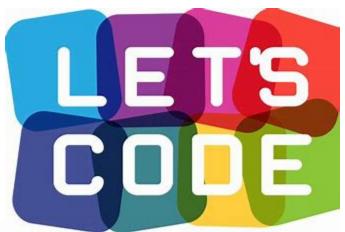

#### **Instructions:**

#### **Scholars will:**

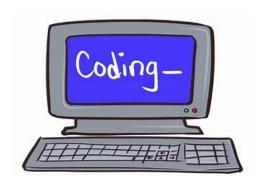

- Watch the video "What is an Engineer"
- Watch the videos ~What is Computer Science /complete google form
- Explore the code.org site to Code and Create
- Browse and Evaluate submitted STEAM fair project

#### **Materials:**

Instruction sheet Chromebook

**Grade: Nine-Twelve Project: Graphic Design** 

#### **Instructions:**

#### **Scholars will:**

- Watch the video "What is an Engineer"
- Watch the videos ~What is a graphic designer /complete google form
- Evaluate and Vote on the best design
- Browse and Evaluate submitted STEAM fair project
