

Your assignment is to create an inspirational Walden poster. The poster will have a quote pasted onto a picture that illustrates the meaning of the quote. Top scores are given to posters that do more than show the literal reading of the quote (the first quote wouldn't have a drum, for example, but would show the *concept* of being an individualist.)

<i>Most of the luxuries, and many of the so-called comforts of life, are not only not indispensable, but positive hindrances to the elevation of mankind.</i>
