

Schoolology FAQ

FOR PARENTS

Schoolology is our district-wide Learning Management System. Teachers will use Schoolology to assign work, assessments, discussions, and activities. You will have a different course tile for each class in which you are enrolled.

Q.	 What is Schoolology used for?
A.	Schoolology is used to deliver, collect, and grade student assignments and assessments and post important school and class resources. Parents can: • View class assignments and scores • View class assessment scores • View class resources and materials • Customize Notifications
Q.	 How do parents sign in?
A.	 Request a Parent Code from one of your student's teachers  PARENT Sign In Page
Q.	 Is there a mobile app?
A.	Yes, Download the Schoolology app from Google or Apple App Store.
