Class Rep Updates

- Longer library hours:
 - The funding has been cut, but we will look into checking other avenues
 - Cadaver lab assistants might be able to help but you cannot check anything out from the library.
- Seminar overcuts
 - This quarter there are overcuts for seminars. You must attend 7/9 seminars.
 - What is the step by step if we have missed our attendance? - Will be asked.

Lifelines - Zeltzin Serrano Lifelines Blog link - lifewest.edu/lifelines-magazine/

- If you would like to contribute to LifeLines please contact Zeltzin at zserrano@college.lifewest.edu
 - Contributions are opportunities to earn money.
 - \$50-60 for digital art and photography. \$100 for an article.
 - Submit by week six

Health Center Rep - Melinda Pham

- ChiroTouch- if there are any problems, please contact a doc or someone in the clinic who knows how to use it

- Be aware of HIPPA violation
- Not possible to not have classes during clinic hours- this has happened a couple of times
- Inconsistency between lecture and clinic for CLL1, can this be brought up so the communication is smooth.

 - The \$250 will go directly to producing them and selling while going to the
 - Motion to pass Lizzy 2nd: Zak PASSED

Old Business-

- Pool cues
 - The student lounge belongs to the Student Council so the Student Council maintains the equipment. We are looking at redoing the entire pool table and pool cues.
- [Athletics fund request](#) Kaela
 - Motion to Discuss: Lizzy Second: Zak
 - Speaker, rollers and
 - Bring back another budget to discuss next week
 - Tell cohorts to see if they have any more suggestions

New Concerns-

- Paper towel dispensers
 - Can we bring new ones since they keep breaking? We will contact Michael Baldwin to see who would cover that expense
- Men's bathroom needs a QR code
- Table tennis net is needed- Will be worked on.

Old Concerns-

- Can the hours for the gym be earlier?
 - Adriaan clarified that the gym can't be open until the security guard is on campus and clocked in.
- Adriaan looked at the weight room door and it was broken
 - This has been fixed.
- Bluetooth speakers
 - Adapters are being brought in
- Asynchronous finals will be in-person.
 - Concerns about why it is being in person when the rest of the quarter has been online. The main concern is about organization and communication from the professors being better at responding to emails.
- Women's locker room
 - The electricity is being worked upon at this time.

Announcements-

- Dr. Dobbins Standard Process Excellence in Nutrition Scholarship has been extended to Feb 14, 2022
- Virtual get well card for Rachel Pau'u.
