

-----> Seems like you guys have been focusing A LOT of your time managing the communities. Thou lots of listeners are not active in the communities. We're mostly active on 1 on 1s. What exactly are your efforts in helping us improve our quality and making sure that the members on 1 on 1s are receiving quality listening? I believe group supports are more of an additional platform for support but 1 on 1 should be the main dish if I can make this analogy.

[Laura](#) (L)

i like this question. i think its a good one

[Laura](#) (L)

yay for diving in empathic

[kindSoul10](#) (L)

Quality mentors???

[FluffyKittens86](#) (L)

we all love our 1-1s

[Laura](#) (L)

so we have a few things in the works to better support listeners

[Laura](#) (L)

you are going to hear them here first

[Laura](#) (L)

[Laura](#) (L)

Yay

[dancingStrawberry34](#) (L) [Mentor](#)

Hi Sphere

[FluffyKittens86](#) (L)

[terrytee](#) (L) [Mentor](#)

Yayyyy

[CourtTheNinja](#) (L)

hello

[kindSoul10](#) (L)

yeah i agree because i think a lot of the quality things we let people learn about through the rooms, people who are never in rooms might never know there are mentors and stuff

[Liz1000](#) (L)

Some people start getting leadership badges and fall off 1-1 support

[Eccho](#) (L)

Hey spehere, hey soul

[Truth22](#) (L)

Hello!

[YayyySphere](#) (L) [Mentor](#)

1) we have long thought of this idea called a quality queue. it would be like the quality coaching project but for L-L support chats. A new listener would be able to connect with a mentor in a live chat for chat help. that is coming soon! hoping in decemember

[Laura](#) (L)

sphere ❤️ it's been ages

[Liz1000](#) (L)

2) we are developing a wiki for better storage and sharing of important knowledge written by listeners for listeners about listening

[Laura](#) (L)

I want to help with that 😊

[dancingStrawberry34](#) (L) [Mentor](#)

[Yesss...](#)

[Truth22](#) (L)

that one is cool too! not sure when its coming, but in next 2-3 months, id guess

[Laura](#) (L)

yes yes yes love that idea!

[dancingStrawberry34](#) (L) [Mentor](#)

Hi

[WendyBird15](#) (L) [Mentor](#)

Loving the "wiki" thing

[Truth22](#) (L)

Laura hurray for wiki and chat support

[kindSoul10](#) (L)

welcome wendy

[Laura](#) (L)

Wendy ❤️

[dancingStrawberry34](#) (L) [Mentor](#)

Both ideas very helpful 😊

[FluffyKittens86](#) (L)

decent member? decemember? 😊

[vivelespatates](#) (L)

Hi Wendy

[FluffyKittens86](#) (L)

Wow great idea on chat support 😊

[terrytee](#) (L)

Can't even follow too much going on.

[CourtTheNinja](#) (L)

3) heather is working on noni as many of you know. we hope to give Noni new models / scripts for coaching listeners and doing mock chats/ practicing

[Laura](#) (L)

Hey elenny

[Truth22](#) (L)

oh I'd love a ,more accessible place for listener guides and stuff where people can find them on their own without having to dig through the entire forum

[Liz1000](#) (L)

yes, wont that be great liz

[Laura](#) (L)

What's going on?

[HazelGrace18](#) (L)

these are 3 things we have in the works

[Laura](#) (L)

i agree liz

[CaringBrit](#) (L)

I like the quality queue 😊 idea I would love to help with this!

[dancingStrawberry34](#) (L)

yeeeeey wiki! pls link to noni so can just be like hay noni wot do you know about scareds & she tells me, "bunnies are often scared" *nods*

[bunnypants](#) (L)

hazel, we are talking about supporting listeners better and what you all can expect from the community

[Laura](#) (L)

laura can you transcript this chat so i can catch up on parts ive missed ?

[CaringBrit](#) (L)

haha bunny!

[Laura](#) (L)

hey there

[Blumen](#) (L)

glad to hear about quality queue gonna be on next month so cool

[terrytee](#) (L)

Hi Bluemen

[FluffyKittens86](#) (L)

I just got here, I feel that I've missed so much

[Elenny02](#) (L)

oh I got a reply from someone

[Blumen](#) (L)

Yeah agreed Laura can you transcript this please hard to read on phone

[CourtTheNinja](#) (L)

see you all later lol

[Blumen](#) (L)

anyone able to get the log for this chat and post in the forum? i struggle with this. it angers my computer

[Laura](#) (L)

Hi Elenny, just started 😊

[FluffyKittens86](#) (L)

Elenny02 we just started

[kindSoul10](#) (L)

nah blumen we just got the 1st one 😊

[terrytee](#) (L)

elenny, you are good! we will move to a new topic soon

[Laura](#) (L)

Hi Elenny!

[dancingStrawberry34](#) (L)

what do you all think of those 3 things? do you think they help?

[Laura](#) (L)

I can try laura but I can't promise to be here the entire time if it runs long

[Liz1000](#) (L)

I think they

[Truth22](#) (L)

they'd be a great help

[Truth22](#) (L)

Especially the wiki thing

[Truth22](#) (L)

On app, desktop was getting overwhelming

[Eccho](#) (L)

I think I miss alot of things that happens in the community while spending quality time in [listening....](#)

[FRIEND007](#) (L)

r gud.

[bunnypants](#) (L)

The 1-1 chat is favourite out of new ideas. They all are good

[FluffyKittens86](#) (L)

Friend that is a good [thing....](#)

[Laura](#) (L)

love the ideas laura

[CaringBrit](#) (L)

Having a wiki will be so much easier to navigate the infos

[terrytee](#) (L)

yesh ! wiki for more organizing, online chat to get hold of quality mentors more easily

[kindSoul10](#) (L)

Love these ideas Laura you are awesome

[dancingStrawberry34](#) (L)

[dancingStrawberry34](#) (L)

right terry

[Laura](#) (L)

-hugs Steph-

[kindSoul10](#) (L)

next topic?

[Laura](#) (L)

Yes

[FluffyKittens86](#) (L)

mhm

[Truth22](#) (L)

Yes

[Eccho](#) (L)

ok

[terrytee](#) (L)

next topic

[vivelespatates](#) (L)

----> I don't feel appreciated on 7 Cups. I feel like as a newcomer everyone is in their own cliques and they gave the impression that the resources on 7 Cups are limited and I am not welcomed.

[Laura](#) (L)

new listeners

[Laura](#) (L)

how many in here felt this?

[Laura](#) (L)

I agree with this being new I feel so undervalued

[CourtTheNinja](#) (L)

[Me...though](#) I'm technically not "new" new

[Truth22](#) (L)

I agree with cliques so much, even ambassadors engage in said behavior

[Eccho](#) (L)

I do sometimes

[Elenny02](#) (L)

The newbie badge really hurts in chats

[CourtTheNinja](#) (L)

I honestly feel like this sometimes

[mySong](#) (L)

Try to be welcoming to everyone entering LSR, not matter of role, sorry if anyone has felt like that Even in sub comms, good communication with team

[FluffyKittens86](#) (L)

🙄 joining and seeing everyone having twins and friends might feel discouraging

[kindSoul10](#) (L)

undervalued in what sense?

[Laura](#) (L)

can you give me detail

[Laura](#) (L)

could help to hear more

[Laura](#) (L)

First seem like an outsider

[CourtTheNinja](#) (L)

Hi Micheal, welcome

[FluffyKittens86](#) (L)

I do my best to make everyone feel welcome ... I guess I would think about not addressing others as hey Twinnie or hey buddy

[kindSoul10](#) (L)

I'm not new and I feel that way sorry

[WendyBird15](#) (L)

yeah I'd love to hear more about what we could do to engage you guys more

[Liz1000](#) (L)

Ninja glad to see ur active in the discussion today >||<

[terrytee](#) (L)

Hey everyone!

[Nenz](#) (L)

It's like a target that's painted when you go to help a member

[CourtTheNinja](#) (L)

there is definitely cliques that limit the support that is given to some listeners, mainly the new ones, but not only. i can regular people who are excluded from conversations, i would say that being ignored is pretty equivalent to unvalued

[vivelespatates](#) (L)

The badges being displayed make some of us feel underrated

[Elenny02](#) (L)

[CourtTheNinja](#) (L)

Sorry I'll be quiet

[CourtTheNinja](#) (L)

Some people do not like talking to newbies

[Elenny02](#) (L)

Like some people will say hi xxx but then do hi xx and people notice that kind of stuff

[Eccho](#) (L)

What are we currently discussing 🤔

[Nenz](#) (L)

welcome nenz

[Laura](#) (L)

[hmm...one](#) thing I would say, there are initiatives to pair up listeners with twins but I feel they kinda fall flat :/

[terrytee](#) (L)

how we can make newbies feel more welcome

[Laura](#) (L)

i love talking to new listeners its fresh faces 😊

[CaringBrit](#) (L)

and sometimes topics that more experienced listeners know about, but the new one can't so are excluded automatically

[vivelespatates](#) (L)

yah twins hafta occur naturally :x

[bunnypants](#) (L)

Everyone is valued, we were all new at one time ❤️

[FluffyKittens86](#) (L)

Nenz new members feeling not welcomed

[kindSoul10](#) (L)

Not be painted as the new person with no experience it's like we have no value to the convo

[CourtTheNinja](#) (L)

maybe pair a newbie up quickly?

[Laura](#) (L)

I guess by keeping the conversation inclusive - warmly welcoming them, being empathetic when newbies make mistakes and not jumping down their throats so to speak

[Nenz](#) (L)

If you're gonna give one person a heart then you need to give everyone a heart it's a small thing but it makes others feel bad

[Eccho](#) (L)

elenny, might showing the badge in less places help, for example only in the listener rooms rather than in the member rooms as well? I'm not sure where they are currently all shown

[Liz1000](#) (L)

Everywhere

[CourtTheNinja](#) (L)

we also hafta be reaching out to newer listeners and dragging them in for snuggles more, i know i've been meaning to X_X;

[bunnypants](#) (L)

They are shown everywhere

[Elenny02](#) (L)

haha bunny

[terrytee](#) (L)

Echho, some newbies have actually been weirded out by me giving them hearts without having interacted with them before

[Nenz](#) (L)

good point bunny

[Laura](#) (L)

nooo no dragging 🙄

[kindSoul10](#) (L)

i wonder if the auto-welcoming made it harder?

[Laura](#) (L)

Hugs kind

[dancingStrawberry34](#) (L)

Laura, harder? why ?

[kindSoul10](#) (L)

Hi can i make one suggestion?

[Blumen](#) (L)

I'm back

[dancingStrawberry34](#) (L)

in PMs too, elenny and court?

[Liz1000](#) (L)

I have to say, when I was a new listener none who auto-welcomed me replied to any of my messages

[terrytee](#) (L)

Maybe changing the word "Newbie" to a different one might make it better. Newbie sounds like we don't know what we are doing because we are "new"

[Elenny02](#) (L)

hmm idk - how many of you are part of autowelcomes

[Laura](#) (L)

i love the auto welcome feature laura get lots of valid questions and its geat to be able to help a new listener

[CaringBrit](#) (L)

Sure Blu

[FluffyKittens86](#) (L)

.. i have an aversion to robots so i don't do that.

[bunnypants](#) (L)

I think the main thing is try not to be so isolating

[CourtTheNinja](#) (L)

we should just keep doing our work - listen and listen well and must not think about rewards or badges

[FRIEND007](#) (L)

I get that Nenz but that is something I've noticed that makes others feel bad

[Eccho](#) (L)

the auto welcome helped me a lot on building new connections

[kindSoul10](#) (L)

great*

[CaringBrit](#) (L)

terry - what did you make of that?

[Laura](#) (L)

I am

[Eccho](#) (L)

You hear a lot of badge talk and it can feel like we have no value in that sense

[CourtTheNinja](#) (L)

Recently I am looking at a sharp increase in people just coming here to chat with girls, they do not care about their problems, how can we filter such listeners out?

[Blumen](#) (L)

That's fair enough echho 🙄

[Nenz](#) (L)

how would you that be called elenny?

[vivelespatates](#) (L)

Well personally I just move on and seek for support elsewhere, but I'd imagine it be a problem to other new listeners.

[terrytee](#) (L)

i reply to all of my auto welcome messages and im an auto welcomer laura 😊

[CaringBrit](#) (L)

do you guys believe in quality or quantity of listeners?

[Blumen](#) (L)

Hey Tom

[Truth22](#) (L)

Hi Tom!

[dancingStrawberry34](#) (L)

I was a newbie myself and I know now I didn't know as much as I know now

[kindSoul10](#) (L)

Badge talk could be moved to another room for sure, I agree with that

[Eccho](#) (L)

Hey Los

[Truth22](#) (L)

quality blu

[CaringBrit](#) (L)

Quality over quantity for sure

[Nenz](#) (L)

reading

[Laura](#) (L)

Perhaps the word newbie can be changed to "experienced" after having a certain amount of chats

[Elenny02](#) (L)

gruh! bunnies hafta hop off but they'll reviews later k? will stays in room, eccho is honorary

bunny puppeteer 🤖

[bunnypants](#) (L)

so we have a problem of new listeners feeling unsupported

[Laura](#) (L)

That's basically the listener level though

[mySong](#) (L)

TC Bunny ❤️

[FluffyKittens86](#) (L)

wb ninja

[terrytee](#) (L)

welcome ninja

[Laura](#) (L)

Takb care bunny!

[Nenz](#) (L)

Especially when people countunely talk about the badges/roles they apply for, it's so repetitive

[Eccho](#) (L)

love that idea Elenny

[CaringBrit](#) (L)

blumen its hard to have a perfect balance, we try to give everyone a chance. then remove those that get a lot of complaints. but there is more "new" listeners who take chats /new members, than those with a lot of regular members already for sure

[vivelespatates](#) (L)

not so much as unsupported

[CourtTheNinja](#) (L)

yes eccho. Sometimes all the badge talk can make people feel left out too, not just new listeners. The only reason I'm this excited for noni coming to adults is because mentors have been sharing noni stories for months, which isn't fun when we can't talk to her I think Jenna mentioned this a couple times in the room

[Liz1000](#) (L)

as just left out

[CourtTheNinja](#) (L)

I think the badge talk can leave multiple feeling not included, not just newbies

[Nenz](#) (L)

so the newbie could dispear after getting a some other badge based on the number of chats Elenny?

[vivelespatates](#) (L)

I agree with Nenz

[Elenny02](#) (L)

But i feel the newbie should be removed after a shorter period of time honestly.

[mySong](#) (L)

I know a lot people feel ignored in the rooms

[dancingStrawberry34](#) (L)

Maybe making newbie badge a week instead of month? Just a suggestion

[FluffyKittens86](#) (L)

yes liz and echo that's what I'm saying the talk of all the badges and mod stuff makes us feel a little unwelcomed

[CourtTheNinja](#) (L)

Yes vivelespatates

[Elenny02](#) (L)

ratings and reviews should be enough

[FRIEND007](#) (L)

If you apply for a mentor role the best person to talk to about applying is your mentor not the LSR

[Eccho](#) (L)

almost as if we don't belong but to make 7cups better we should be inviting and welcoming to them

[CourtTheNinja](#) (L)

I didn't know I had badges until a member pointed it out and then I was like, oh, where did those come from.

[mySong](#) (L)

Kittens, yeah I think a month is a little long.

[Nenz](#) (L)

which listener rooms are newbies most likely to enter

[Laura](#) (L)

Mostly LSR

[terrytee](#) (L)

some people tried it 1 year ago and have less 5 chats and are here, they dont have the badge but still are newbie in a sense. but some get integrated pretty quickly to the community and know things within 1 month,

[vivelespatates](#) (L)

maybe a pairing up like the twin thing to pair the new listeners with an experienced?

[CourtTheNinja](#) (L)

listener support

[FluffyKittens86](#) (L)

Lsr

[dancingStrawberry34](#) (L)

LSR and CC

[kindSoul10](#) (L)

The LSR because you need to have 1 review to enter the lhr

[Nenz](#) (L)

LSR it's the only room they have access to at first

[Eccho](#) (L)

LSR

[CourtTheNinja](#) (L)

LSR

[mySong](#) (L)

What is the twin thing? What does it consist of?

[Elenny02](#) (L)

forums

[CourtTheNinja](#) (L)

Hi Here

[FluffyKittens86](#) (L)

I agree ninja some people feel like that

[dancingStrawberry34](#) (L)

LHR needs to be fix forum badgelock again, it's getting bad

[Eccho](#) (L)

thing is though mod talk will happen same with peer support as LSR is for peerr supporters to be there inase any listener felt rigged by a chat o had a rough one as for mods listeners post in ther when a room needs us its bound to happen

[CaringBrit](#) (L)

*for

[Eccho](#) (L)

Elenny02 it encourages to make buddy like relationships

[kindSoul10](#) (L)

triggered*

[CaringBrit](#) (L)

so you want newbie attached to experience not time on the site?

[Laura](#) (L)

after how many chats would you consider that someone is no longer newbie ?

[vivelespatates](#) (L)

that the feedback here?

[Laura](#) (L)

yeah vive, maybe something cheers-based would be better. I really like that court, i would totally sign up for a new buddy project

[Liz1000](#) (L)

It would be easier to avoid things like group mod chat etc if the group mod zone was used more

[Nenz](#) (L)

A buddy system for newer listeners, think would be helpful

[FluffyKittens86](#) (L)

Yes, Laura

[Elenny02](#) (L)

the listener level liz? i like it.

[vivelespatates](#) (L)

id do it to!

[CourtTheNinja](#) (L)

I'd like to see a buddy project like that as well.

[Truth22](#) (L)

there is a listener level called newbie

[vivelespatates](#) (L)

Laura I think it's okay as it is

[kindSoul10](#) (L)

A buddy system maybe a good idea?

[dancingStrawberry34](#) (L)

Because they would feel supported

[dancingStrawberry34](#) (L)

Would it just be possible to swap the newbie label with the level we're at based on experience?

[mySong](#) (L)

id even take on new people need peer support from a new member also

[CourtTheNinja](#) (L)

Yes! a buddy system is a great idea

[Elenny02](#) (L)

Mentor talk should be in mentor room, group mod talk should be talked about in group mod zone, and PS talk idk where that would go XD

[Eccho](#) (L)

they could lose the newbie badge when they get on Novice level

[vivelespatates](#) (L)

i really like the idea of a new listener buddy program

[Laura](#) (L)

i wonder how it could work

[Laura](#) (L)

Yes definitely! A buddy system and maybe something assigned buddies.

Personally I think having new listeners to find their own buddies is a bit counterintuitive.

[terrytee](#) (L)

aww

[CourtTheNinja](#) (L)

Yes me too Laura

[dancingStrawberry34](#) (L)

most mods are in lsr due to PS or other duties some cant wait around in 2 - 3 rooms just to wait for rooms that need mods @ nenz

[CaringBrit](#) (L)

i cant multy room i struggle

[CaringBrit](#) (L)

Elenny02 we already have one and more (twins, buddies, ...)

[kindSoul10](#) (L)

Brit am same, can only focus on 1 room at time

[FluffyKittens86](#) (L)

It shows people who have been here awhile can help them around the site or mentors can also do that

[dancingStrawberry34](#) (L)

so hence why for many that type of talk is unavoidable

[CaringBrit](#) (L)

[dancingStrawberry34](#) (L)

yeah vive, because cheers reflect learning possibilities in other areas of the site as well rather than just 1-on-1

[Liz1000](#) (L)

I think it could work with the auto-welcomes. Whoever you welcome could be your buddy..

[Truth22](#) (L)

It's very discouraging to sit and watch as some are constantly talking about how they get this badge and that when you haven't had an opportunity to get there yet.

[WendyBird15](#) (L)

The current listener twin and buddy relies on the listener to find one themselves, but if you're new and feeling a bit unwelcomed it will be hard.

[terrytee](#) (L)

some things are better left as close to original. I remember the early days of 7 cups of tea, I think now it is more complex community

[FRIEND007](#) (L)

I agree with vivelespatates, how about losing the newbie badge when we get on to Novice level?

[Elenny02](#) (L)

I think the Newbie badge kinda puts a target on the back of new listeners and devalues them when they go to help

[CourtTheNinja](#) (L)

Brit, but someone can pop into the Lsr and say 'can anyone who is a mod and is free right now come to the GMZ please?' Or something like that

[Nenz](#) (L)

Yes brit, probably not unavoidable, but I think it would be easy for people to scale it down a bit

[Liz1000](#) (L)

Oh truth that sounds wonderful, this can also cure the problem of people not replying back in auto-welcomed.

[terrytee](#) (L)

most listener never reply to their auto welcome

[Laura](#) (L)

I agree ninja. A good bit of members didn't want to talk to me because of that.

[mySong](#) (L)

Maybe we need a new listener room, like listener sharing or something, so people can share their achievements there and keep it out of LSR? 🤔

[Eccho](#) (L)

novice or beginner, could have to see how much experience it takes for getting those levels

[vivelespatates](#) (L)

yeah maybe that's something to consider is giving people a chance to drop that quicker?

[CourtTheNinja](#) (L)

again if they are in Lsr for their other duties and can't load another room then what nenz? it's far easier to post it in Lsr can anyone go to CC or DS whichever room

[CaringBrit](#) (L)

maybe a forum eccho? Room sounds like it would be absolutely 100% dead

[Liz1000](#) (L)

It's in the reputation page iirc

[mySong](#) (L)

Perhaps laura the auto-welcome can tied in with the "last active"? Like if you're inactive for 2 weeks or something the auto-welcome auto turns off? Don't know if the system can do this

[terrytee](#) (L)

by experience in some since?

[CourtTheNinja](#) (L)

because its easy to gain cheers by passing through all the guides without read them

[vivelespatates](#) (L)

It's easier for sure Brit

[Nenz](#) (L)

True Liz

[Eccho](#) (L)

oh interesting terry

[Laura](#) (L)

We have a place to post our badge achievement don't we?

[Eccho](#) (L)

It's all about to change with the new modding system anyway :0

[Nenz](#) (L)

Love that idea

[dancingStrawberry34](#) (L)

most listener leave before making it to 5 chats

[Laura](#) (L)

most.

[Laura](#) (L)

maybe Beginner or Helper level

[vivelespatates](#) (L)

The forum's are great for sharing and congratulating

[WendyBird15](#) (L)

yup!!!

[Laura](#) (L)

I like that idea terry

[Liz1000](#) (L)

Why do they have to be painted as new and beginner vs just a listenr?

[CourtTheNinja](#) (L)

because they realize its a lot harder than the training

[vivelespatates](#) (L)

with no badge?

[CourtTheNinja](#) (L)

if they were coached for their first chat, it could help

[vivelespatates](#) (L)

I think the main point of having the newbie badge is for people to realized they are new and to reach out to them frequently, but actually it's not really happening the way it should be.

[terrytee](#) (L)

I think I saw it linked when I got my last badge, but I can't find it 🤔

[Eccho](#) (L)

alright, i think we have some good solutions here. we do need to do some work on this.

[Laura](#) (L)

ooooo good idea terry if inactive certainly gotta prevent auto welcomes going out from inactive listeners

[CaringBrit](#) (L)

I don't know. hiding achievements can't be the solution. LSR shouldn't be a place where we only discuss problems

[kindSoul10](#) (L)

fair point terry

[Laura](#) (L)

ya brit haha

[terrytee](#) (L)

The idea is that by highlighting someone is new, it identifies the fact that experienced listeners should be making more of an effort to support them, etc

[Nenz](#) (L)

Yes but some share to the point where it becomes too much

[Eccho](#) (L)

There is the LHR though, where we can basically talk about anything else that doesn't deal with support.

[mySong](#) (L)

i had a lot of listeners that completed their first chat, and their first chat was inappropriate, or they judged it was not a serious site, maybe its why they leave quickly

[vivelespatates](#) (L)

yeah vive, I think novice is a little early because that can be achieved super quick, maybe around 3000 cheers or something which is beginner 8

[Liz1000](#) (L)

So true vive

[dancingStrawberry34](#) (L)

Hi Pyroar

[FluffyKittens86](#) (L)

yes vive

[Elenny02](#) (L)

Jovi

[FluffyKittens86](#) (L)

Though, do all listeners have access to LHR? I suddenly appeared on my list one day when I decided to go in a group room.

[mySong](#) (L)

so everyone is here

[JovialOne](#) (L)

hello all 😊

[JovialOne](#) (L)

could try a reach out campaign for the newbie badge

[Laura](#) (L)

see how it goes

[Laura](#) (L)

Even some will say the same think until they get a reaction

[Eccho](#) (L)

so helper level would remove the newbie badge? or 1 month, according to which one is the first they get between both?

[vivelespatates](#) (L)

Jovial!!

[terrytee](#) (L)

Thing

[Eccho](#) (L)

Need 1 positive review for LHR Song 🤔

[FluffyKittens86](#) (L)

What about making connecting with a long term mentor something that's more of a mandatory thing as soon as you sign up? That leaves less newbies in the lurch with chats and makes them feel somewhat more steady? No?

[Nenz](#) (L)

[JovialOne](#) (L)

or how about dropping the newbie badge and replacing it with a obligatory welcome pm

[kindSoul10](#) (L)

yeah I mean I guess its all relative. in the end here to help people badges are a formality.

[CourtTheNinja](#) (L)

LHR badgelock needs to be rethought

[Eccho](#) (L)

if they get the helper level before 1 month period, the badge goes away early, if they dont get this level, then the badge is removed after 1 month.

[vivelespatates](#) (L)

Jovie ❤️

[dancingStrawberry34](#) (L)

I agree with Eccho. I mean, it's a hangout room.

[mySong](#) (L)

Hello. I do have 1 positive review already after 1 day, but i only have access to support room.

[Pyroar](#) (L)

I do agree lhr is getting bad lately

[dancingStrawberry34](#) (L)

Not saying hide it all just be mindful of how things are said and how much

[WendyBird15](#) (L)

nooo

[JovialOne](#) (L)

could try it nenz

[Laura](#) (L)

great idea nenz

[CaringBrit](#) (L)

Vive I think the point being raised is not when someone is deemed experienced, but whether those who are inexperience is getting welcomed and supported well.

[terrytee](#) (L)

LHR 's badgelock is perfect 🤔

[JovialOne](#) (L)

Hi Pyroar

[dancingStrawberry34](#) (L)

I mean the badgelock getting stricter again

[Eccho](#) (L)

want to move to next topic? i think there are some great ideas here

[Laura](#) (L)

im glad we talked about this

[Laura](#) (L)

LSR is far more intimidating than LHR and most times, I just message a listener personally if

I need help instead of asking in the room.

[mySong](#) (L)

Pyroar is it a written review ?

[kindSoul10](#) (L)

Yes next topic >||<

[terrytee](#) (L)

i think there is some work to do

[Laura](#) (L)

Next topic.

[mySong](#) (L)

No, it is just 5 stars.

[Pyroar](#) (L)

its a rating, you need a written review for unlock listener hangout room

[vivelespatates](#) (L)

---> 7 Cups is run by volunteers. Even those who are on appreciation team are volunteers.

What exactly does 7 Cups give back to its volunteers? Nothing?

[Laura](#) (L)

thanks for hearing us out on that Laura!

[CourtTheNinja](#) (L)

Pyroar you have a rating not a written review ❤️

[Nenz](#) (L)

you all feel this way?

[Laura](#) (L)

Nenz I love your idea ❤️

[dancingStrawberry34](#) (L)

Ah, i understand. Thank you very much for your answer. ❤️

[Pyroar](#) (L)

Pyroar you need a written review

[kindSoul10](#) (L)

welcome

[kindSoul10](#) (L)

It's not alright when we have listeners purposely spamming nonsense though

[Eccho](#) (L)

skills.

[vivelespatates](#) (L)

Skills and experience.

[mySong](#) (L)

For me the free trainings are worth a value 🤔

[terrytee](#) (L)

Experience

[Eccho](#) (L)

Support and team working experience?

[FluffyKittens86](#) (L)

We get free training and experience

[Elenny02](#) (L)

right song

[Laura](#) (L)

There's also that wonderful thing called internship (which I should really consider getting into) which can help with professional work later on in life.

[mySong](#) (L)

Skills and experience

[dancingStrawberry34](#) (L)

We can also reach out for help when we need it, for free

[Elenny02](#) (L)

there is a lot to gain

[Laura](#) (L)

but do you all feel unappreciated by admin?

[Laura](#) (L)

mysong feel free to join the internship program!!!! 😊 *yay interns*

[terrytee](#) (L)

Growing as a person

[dancingStrawberry34](#) (L)

[Laura](#) (L)

i get loads back we may not be paid but darn theirs th resources to help us grow the praise we get on our achievementsby others or you laura and all of the admins we get the satisfaction from helping

[CaringBrit](#) (L)

but those skills should be valorized more. the certification program does not really valorize the skills developped here, it doesnt serious when showing in a job interview or something

[vivelespatates](#) (L)

While I feel like there's a lot that is gained I feel like there is definitely not enough appreciation

[Nenz](#) (L)

Feel you and other other admins very approachable Laura

[FluffyKittens86](#) (L)

I mentioned this in mentor meeting irl I am not really a leader I am more introverted and a follower, but here I am a leader, and I can take these skills and apply it to irl

[Eccho](#) (L)

that is great brit!!

[Laura](#) (L)

I feel sometimes we do feel unappreciated

[dancingStrawberry34](#) (L)

fair point vives

[Laura](#) (L)

🙄 I get something back but I don't want to feel pressured to do a paid like job

[kindSoul10](#) (L)

okay nenz

[Laura](#) (L)

I agree with kind!

[Elenny02](#) (L)

To me, it is enough when a member says they had great time talking to me and they are

feeling better after our chat. That makes me not wanting anything else in return. 😊

[Pyroar](#) (L)

Hi Keola!

[dancingStrawberry34](#) (L)

Hey Keola

[FluffyKittens86](#) (L)

I feel like people are quick to tell us when we mess up or when we're in the wrong but you won't hear people say 'I see the amount of effort you're putting in, I want to acknowledge that it's not going unnoticed'

[Nenz](#) (L)

i am working on a document that valorize the skills we developped on 7cups. i dont have completed it yet,

[vivelespatates](#) (L)

hey Steph

[Keola](#) (L)

Also, the amount of things you can be here, moderators, leaders, peer support, etc. We can apply all of those skills in our everyday lives.

[mySong](#) (L)

no lura im definetly appreciated by the admins especially when i either talk to you or kate

[CaringBrit](#) (L)

laura*

[CaringBrit](#) (L)

I agree with Nenzb

[dancingStrawberry34](#) (L)

makes sense kind!

[Laura](#) (L)

reading

[Laura](#) (L)

hi Fluffy

[Keola](#) (L)

docs.google.com/spreadsheets/d/1k-aFt3XwgM-gZqZ0Wtg9YSiff5D4OmTrsFF4bR5dJP4/edit

[vivelespatates](#) (L)

I think there could be more apperication from admins yes

[Eccho](#) (L)

Nenz has an excellent point I agree with that

[dancingStrawberry34](#) (L)

nenz, i can see that

[Laura](#) (L)

Ohhhh vive I remembered promising to help you compile that list, awww I'll bookmark it!!!!

[terrytee](#) (L)

yeah nenz, I notice that in LSR too people just sometimes go "you're wrong" or just generally, uhm, how do I put this, answers with not enough consideration towards the person.

[Liz1000](#) (L)

vives, did yo make this

[Laura](#) (L)

?

[Laura](#) (L)

Vives

[Truth22](#) (L)

love it mysong

[Laura](#) (L)

when i will have completed it then it could be added somewhere so listeners can use it and feel they developed skills here and then valorize them

[vivelespatates](#) (L)

nenz in the beginning i got that felt unfair when was reported by a L too went against me

[CaringBrit](#) (L)

Your doc is gold

[Truth22](#) (L)

!!

[Truth22](#) (L)

yes laura

[vivelespatates](#) (L)

thanks truth

[vivelespatates](#) (L)

Love the idea vive

[terrytee](#) (L)

so more appreciation is always a good idea, is what im hearing ❤️

[Laura](#) (L)

very well done vives, love this

[Laura](#) (L)

I always feel like I'm in the wrong

[dancingStrawberry34](#) (L)

Hey all sorry i missed the meeting - real life happened.

[fluffyUnicorns84](#) (L)

i lack a bit inspiration right now, but i will complete it eventually

[vivelespatates](#) (L)

Take care

[WendyBird15](#) (L)

Yes appreciation is a good idea 😊

[Nenz](#) (L)

Fluffy, glad you are here now ❤️

[FluffyKittens86](#) (L)

You could never go wrong with more appreciation tbh

[Eccho](#) (L)

It is, I mean, there are the threads I've seen every once in a while for appreciating listeners for positive reviews and whatnot, but it's not really widespread from what I've noticed.

[mySong](#) (L)

When Laura we are all learning what it takes to be a good listener

[dancingStrawberry34](#) (L)

Welcome fluffy 🙄 it's okay real life takes priority

[Nenz](#) (L)

agreed eccho

[Laura](#) (L)

Hi Marsh

[FluffyKittens86](#) (L)

is it coincidence i walk in and your talking about appreciation 🙄 haha

[fluffyUnicorns84](#) (L)

And I agree with vive I hope the names on the certificate can be changed and not names like rookie lol...

[terrytee](#) (L)

We are all learning what it takes to be a good listener

[dancingStrawberry34](#) (L)

Steph you do? 🙄 you're awesome, really! love your mentorship

[kindSoul10](#) (L)

Hi Fun

[FluffyKittens86](#) (L)

these are valid and fair points

[Laura](#) (L)

Steph I mean "you feel you're wrong always?"

[kindSoul10](#) (L)

I think the issue extends beyond acknowledgement though

[Nenz](#) (L)

Aww thank you Kind you are so sweet! Hugs

[dancingStrawberry34](#) (L)

i agree, actually

[Laura](#) (L)

Strawberry, why? You're so helpful! I love having you as my mentor!

[Truth22](#) (L)

we could do a better job appreciating you all

[Laura](#) (L)

its important to valorize the skills we develop here, some people have no job experience, mainly the younger one and teens. and then volunteering can have a lot of value on their resume. but we have to make it of a way that it will be valorized, not weird certification names

[vivelespatates](#) (L)

well said vives

[Laura](#) (L)

Apart from appication team I do think in general we need to be more appreciative towards each other not just admins, sometimes rooms just seems so tense lately

[Eccho](#) (L)

yes vive!

[Elenny02](#) (L)

hahahaha @ weird names

[terrytee](#) (L)

Like when someone makes a mistake s lrs something wrong they get all the blame

[dancingStrawberry34](#) (L)

Or*

[dancingStrawberry34](#) (L)

I feel like there needs to be more communication between admins and us basic listeners, I feel like that's lacking a little bit

[Nenz](#) (L)

Hi everyone. Sorry I just popped in.

[marshameesha](#) (L)

We all make mistakes, more forgiveness

[FluffyKittens86](#) (L)

hihi marsha feel free to join in 😊

[terrytee](#) (L)

the things i learned here i use irl especially at my workplace

[Keola](#) (L)

eccho - yes!

[Laura](#) (L)

www.7cups.com/listener/training.php go on the certification tab, and tell me if you feel those names looks good to show in a interview

[vivelespatates](#) (L)

its something we all can take ownership of

[Laura](#) (L)

vive love your ideas. still don't anonymity for job experience in 7 cups

[kindSoul10](#) (L)

Yes Nenz

[dancingStrawberry34](#) (L)

heck yeah vive, I used 7cups when applying for my current job because I felt that a lot of the things the application asked for were things that I learnt on 7cups

[Liz1000](#) (L)

when you use to someone doing something /role so well it seems nautral its what they do.

So it doesnt recognise maybe - unless do something out ordinary? --- my real life vol work bit like that.

[fluffyUnicorns84](#) (L)

I know this is out of topic, but why does it show me on my email that i have a message from a certain member and i dont see it on this website, and do not recall talking to them?

[Pyroar](#) (L)

I feel like there is a extreme disconnect if the listener isn't a or peer support

[CourtTheNinja](#) (L)

and the requirements too should be changed

[vivelespatates](#) (L)

Love your ideas vive

[dancingStrawberry34](#) (L)

Hey pyroar we're having a specific discussion at the moment, have you tried asking in LSR?

[terrytee](#) (L)

A little more room presence by admin would be nice too, so they can actually see first hand what's going on and don't need to rely on word of mouth so much

[Nenz](#) (L)

vive love your ideas. still don't sacrifice* anonymity for job experience in 7 cups

[kindSoul10](#) (L)

Some of the requirements for certifications are ridiculous honestly

[mySong](#) (L)

i was at Bookworm level and got back at Newcomer level because its the last one you can complete without be mod? i that really fair?

[vivelespatates](#) (L)

As listeners we need to see each other as less of competitors (especially those applying for Mentor roles) and more like friends

[Eccho](#) (L)

okay nenz

[Laura](#) (L)

I agree vive

[terrytee](#) (L)

Our mistakes make us grow in our everyday lives

[dancingStrawberry34](#) (L)

Eccho agreed

[CourtTheNinja](#) (L)

you think its competitive here?

[Laura](#) (L)

Echho! I agree! It's not a competition by any means, we're all here to help at the end of the day!

[Nenz](#) (L)

Eccho I agree we all need to be friends

[dancingStrawberry34](#) (L)

YES it is laura, a way too much

[vivelespatates](#) (L)

Yes Laura

[Eccho](#) (L)

And it doesn't need to be like working friends

[dancingStrawberry34](#) (L)

Yes dancing, if we don't make mistakes we won't have the opportunity to grow!

[terrytee](#) (L)

Our main objective should be to listen to others and create a community where everyone has access for help, not a competition for a badge

[Elenny02](#) (L)

What do you mean vive 🍌?

[terrytee](#) (L)

And everyone feels loved on here

[dancingStrawberry34](#) (L)

Especially among mentor hopefuls

[Eccho](#) (L)

Competitive is probably an understatement.

[mySong](#) (L)

And cared about

[dancingStrawberry34](#) (L)

I do think there is a competitive nature amongst listeners - some people get way too caught up in badges and status and stats

[Nenz](#) (L)

competitive in what sense? can you tell me more

[Laura](#) (L)

you feel competitive for one another for what?

[Laura](#) (L)

yes, i can see how that would be hard

[Laura](#) (L)

True Nenz!

[dancingStrawberry34](#) (L)

I think at times seems like there's more emphases on badges than helping and listening to members

[CourtTheNinja](#) (L)

Sometimes having my badges makes me feel like I get 'treated' differently by other listeners

[Keola](#) (L)

The most obvious is probably badges, and then positions like group mods and stuff like that.

[mySong](#) (L)

And it should be the other way around

[CourtTheNinja](#) (L)

people value a way too much badges, and seems the goal is to get more badges. and its seen like you need to get some badges in order for prove you have some value. it should not be this way

[vivelespatates](#) (L)

Like the appreciation for most active mods, some people can take wrong way

[FluffyKittens86](#) (L)

Most listeners work harder towards the badge rather than helping others

[Elenny02](#) (L)

This is why we shouldn't mention applying for badges because it just causes this problem

[Eccho](#) (L)

got it

[Laura](#) (L)

In every sense possible. If someone comes into LSR and says 'I completed a 4 hour chat!'

Someone will come along and say 'I talk to my members for 6' and almost undermine that

[Nenz](#) (L)

we should be honest. as long we have a hierarchical structure there will be competition

[kindSoul10](#) (L)

True kind hugs!

[dancingStrawberry34](#) (L)

oh i see nenz, so its also subtle

[Laura](#) (L)

we have listeners who have over 100 times the quantity of chats of some ambassadors. but of course ambassador is more valued. why?

[vivelespatates](#) (L)

Not that I'm suggesting anyone to talk to members for 4 hours 😊 #selfcare

[Nenz](#) (L)

yeah I know what you mean nenz

[Liz1000](#) (L)

right kindsoul

[Laura](#) (L)

I try ignore the negatives and continue to focus on why I'm here but lately it's been hard

[Keola](#) (L)

I mean, the badges is a nice way of knowing I'm getting better here and whatnot, but the emphasis to them is a bit too much.

[mySong](#) (L)

It's less of a good luck I hope you get it and more of a I am better than you and I have a better chance then you type thing

[Eccho](#) (L)

^

[mySong](#) (L)

Yes Eccho!

[Elenny02](#) (L)

agree mySong

[Keola](#) (L)

i think this goes back to appreciation in a way

[Laura](#) (L)

i seen people connecting to me because they got a coaching email, it was their first one and they had over 8 300 chats

[vivelespatates](#) (L)

we need to make sure all ppl feel values for the roles and badges they do have

[Laura](#) (L)

I hav felt that before echho

[Nenz](#) (L)

And if you don't get a certain role, people will make it known that they think they're better or more deserving than you

[Nenz](#) (L)

Laura, yes feeling appreciated will go a long way

[Keola](#) (L)

Yes true Laura

[dancingStrawberry34](#) (L)

Me too Nenz I still get people saying I am not a "real mentor"

[Eccho](#) (L)

eccho 🙄

[terrytee](#) (L)

It's like for some that getting badges and moving "up" is most important and that is what gives you value

[WendyBird15](#) (L)

I'm not a real mentor either Eccho

[WendyBird15](#) (L)

whoa really Eccho? 🙄

[Keola](#) (L)

Should be seen as 'more available to community' rather than status, do agree

[FluffyKittens86](#) (L)

Hugs Eccho ❤️

[dancingStrawberry34](#) (L)

Yup

[Eccho](#) (L)

I wish we could assess people's intentions before they apply for a role, but sadly science hasn't evolved that much. but it's sad when competition becomes outward and as a way to push others down, because that's not empathy, that's not compassion.. 🙄

[eviesweet](#) (L)

agree FluffyKitten

[Keola](#) (L)

I actually get people who stop me from helping out in rooms because I'm not a mentor - even though I have been a part of the community for so long. It's almost as though listeners forget that they need to be empathetic and compassionate to other listeners too not just members

[Nenz](#) (L)

whats hard from my perspective is that the leadership that I work with are the ppl i rely on to help accomplish certain project goals - they are the ones helping to make the site supportive. so i have to support them so that these items get done. but the result is my time is spend with the leaders and less on other folks who are doing awesome stuff

[Laura](#) (L)

agree Evie

[Keola](#) (L)

I've learned to just ignore them and show no reaction but still it hurts because I work hard on here

[Eccho](#) (L)

listeners who work toward become a mod because they were part of a clique as a member and want can empower their clique ?

[vivelespatates](#) (L)

I agree with Nenz.

[mySong](#) (L)

intention is a very hard thing to asses for

[Laura](#) (L)

I agree Eccho

[dancingStrawberry34](#) (L)

really nenz? I don't think I've had that. Maybe I'm just so good at ignoring them, my brain is joining in on it too 😊

[Liz1000](#) (L)

nenz, don't ever stop helping in Isr! you do help ❤️ and honestly, a badge is just a sticker in a sense. before you get it, you need to develop the skills. it's not like the sticker has the 'power', but the person

[eviesweet](#) (L)

You forgot an S Laura XD

[Eccho](#) (L)

alright my friends, we need to wrap this meeting up. this was really fun

[Laura](#) (L)

Bye

[WendyBird15](#) (L)

not had that either nenz id just ignore them and answer the questions new listeners ask

[CaringBrit](#) (L)

Nenz, really respect you here ❤️

[FluffyKittens86](#) (L)

i love these meetings

[Laura](#) (L)

Bye. Sorry I got here so late.

[marshameesha](#) (L)

TC

[Truth22](#) (L)

liz, you're a big help in Isr, you're a mentor in hiding 😊

[eviesweet](#) (L)

i think you all have incredible ideas

[Laura](#) (L)

Nenz I agree with Evie

[Keola](#) (L)

mmhmm I agree brit 😊

[terrytee](#) (L)

Bye Laura, thank you for discussing this

[Elenny02](#) (L)

we didnt even scratch the surface

[Laura](#) (L)

i completely second evie

[JovialOne](#) (L)

Your awesome Liz!

[dancingStrawberry34](#) (L)

great to be with you elenny

[Laura](#) (L)

ty laura 😊

[CaringBrit](#) (L)

although I absolutely know what you mean nenz about how listeners need to remember to be compassionate to other listeners as well. The responses I see sometimes, I literally cringe and go no, no, why.

[Liz1000](#) (L)

sorry of my slow response, I'm on my phone and kiddos are home

[Keola](#) (L)

koala ❤️

[Laura](#) (L)

I do ignore it but it still matters because if it's happening to me, it'll happen to others too

[Nenz](#) (L)

I think for me the real mentor thing happens because I don't have the badge that shows in the room *shrugs*

[Eccho](#) (L)

laura laura laura can i ask the thing

[Liz1000](#) (L)

I've noticed it too Liz. It's like they forget they were new once.

[mySong](#) (L)

Laura nice to be able to talk to you and tell you our issues and feel like we are heard

[CourtTheNinja](#) (L)

before I pop out - just want to tell you all how awesome you are. I thank my lucky stars I get to work with such amazing, smart, thoughtful ppl. you all inspire me and make me a better community leader. thank you for being you. i am proud of you and I appreciate you more than you could ever know

[Laura](#) (L)

nenz if you wanna answer the questions their no reason why you shouldnt if any one ells you not to id just ignore them personally as just as much as anyone whos been here a while you know your stuff youve helped me a few times

[CaringBrit](#) (L)

oh yeah, go ahead liz.

[Laura](#) (L)

eccho, they can go on your profile and do ctrl + f "mentor" 😊

[eviesweet](#) (L)

tells*

[CaringBrit](#) (L)

Liz has a paper mentor badge 😊

[Nenz](#) (L)

evie, i don't have ctrl 😊

[JovialOne](#) (L) [Mentor](#)

Haha evie

[Eccho](#) (L)

Liz think of you as a mentor, even if don't have badge

[FluffyKittens86](#) (L)

Yes Brit, I ignore them and carry on helping 😊

[Nenz](#) (L)

[Nenz...please](#) continue to do what you do in the room, i for one totally appreciate the way you respond in the rooms

[Keola](#) (L)

liz is honorary mentor! keeping the room in check when needed 😊

[eviesweet](#) (L)

Liz is amazing! So very supportive and helpful always

[Nenz](#) (L)

You are awesome Nenz I appreciate you

[dancingStrawberry34](#) (L) [Mentor](#)

Ya everyone is welcome to support, no one is more qualified than others :/

[terrytee](#) (L) [Mentor](#)

if anyone being disrespectful o you about answering questions if you given the 30 sec gap --- then come and talk to me or jenna. As that is against rules its being unsupportive.

[fluffyUnicorns84](#) (L)

liz is equivalent to a mentor but focus on the room 😊

[vivelespatates](#) (L)

good we need helpers like you nenz 😊 i certainly value you

[CaringBrit](#) (L)

[CaringBrit](#) (L)

Noted, fluffy.

[Nenz](#) (L)

Thank you Fluffy you are amazing

[dancingStrawberry34](#) (L)

you all are amazing and truly grateful to have you next to me

[Keola](#) (L)

I have taken serious thought to not coming to LSR anymore

[Eccho](#) (L)

they answer all the questions, guide people on there. they are important to us

[vivelespatates](#) (L)

I sent in a topic about the spam, but didn't really think that it was properly adressed, you mentioned that it would still be deleted because global mentors, as mentioned in the thread. But I was worried about the increasing work load for those what sounded like a pretty small group of people who are already incredibly busy with 7cups rather than spreading that work out over more people like is happening now.

[Liz1000](#) (L)

Thanks keola ❤️

[Nenz](#) (L)

Was that directed to me fluffy?

[Eccho](#) (L)

everyone

[fluffyUnicorns84](#) (L)

for sure liz

[vivelespatates](#) (L)

Yayyy

[dancingStrawberry34](#) (L)

also i need to pm you eccho

[fluffyUnicorns84](#) (L)

I just love the expression "then you come talk to me" - it's like so serious, like an older sibling being all "they called you names? let me talk to them *pushes sleeves up"

[eviesweet](#) (L)

fair liz

[Laura](#) (L)

lol Evie

[Nenz](#) (L)

Ok go for it fluffy

[Eccho](#) (L)

lol evies i hope i didnt sound condensending though

[fluffyUnicorns84](#) (L)

one thing to mention - we have a plan for addressing spam more directly, which would not involve moderators

[Laura](#) (L)

i dont want to mention yet bc still in works

[Laura](#) (L)

lol Evie

[Keola](#) (L)

do appologise when get a bit trigger happy answering questions, sorry for that Fluffy in LSR

[FluffyKittens86](#) (L)

but ideally, we have just less spam generally

[Laura](#) (L)

yay, I'm all for less spam

[Liz1000](#) (L)

no, that's not what I meant - sounded supportive!

[eviesweet](#) (L)

so we are working on it from that angle as well

[Laura](#) (L)

Yay less spam!

[Nenz](#) (L)

good ❤️

[fluffyUnicorns84](#) (L)

As long as I am not in trouble

[Eccho](#) (L)

Cool beans 😊

[terrytee](#) (L)

yay less spam

[Keola](#) (L)

I've also been keeping the transcript I'll pm you the link laura

[Liz1000](#) (L)

i think its a good fix, ive been advocating, but still not final yet

[Laura](#) (L)

less spam please yes. i hate that lol

[eviesweet](#) (L)

once final, ill let you know

[Laura](#) (L)

(i think we all do, but you get my point)

[eviesweet](#) (L)

liz - could you also post it in the forum? maybe in LLJ?

[Laura](#) (L)

would be great

[Laura](#) (L)

The forum gets the worst spam 🙄

[Nenz](#) (L)

spam sucks

[vivelespatates](#) (L)

it does

[Laura](#) (L)

nenz i value wha you do in the rooms keep it up ❤️

[CaringBrit](#) (L)

thank you all for being patient and helping on clean up

[Laura](#) (L)

what*

[CaringBrit](#) (L)

sure, but if you don't mind I'll do that tomorrow so I can polish it a bit I need to go to sleep

now just tell me where you want it

[Liz1000](#) (L)

people started to spam of a new [way...](#) replying to posts instead to create new threads

[vivelespatates](#) (L)

I check the 'needs reply' stuff and most of the time 70% is spam

[Nenz](#) (L)

alright - i have to hop off and meet up with my sister.

[Laura](#) (L)

keep being awesome everyone

[Laura](#) (L)

Take care Liz, sleep well

[FluffyKittens86](#) (L)

Take care Laura! ❤️

[Nenz](#) (L)

sue liz

[Laura](#) (L)

those take a lot more long to be deleted

[vivelespatates](#) (L)
