

SELF-REPORTED TRANSCRIPT AND ACADEMIC RECORD SYSTEM (STARS)

What is STARS?

The **Self-Reported Transcript Academic Record**(formerly the **SRAR**) allows applicants to record and submit courses, grades, and test scores as part of your college application. Students will list courses and grades that have been completed, or will be attempted (e.g., senior year courses in-progress), for high school credit. Texas A&M, Baylor, LSU, University of Pittsburgh and University of Tennessee are popular schools that use the SRAR.

You will need a PDF of your transcript to complete STARS. Email jill.spencer@austinisd.org to receive a transcript to complete your STARS.

STARS now has an easy important tool on the ENTER COURSEWORK page:

Watch this video for tips on using the tool and additional helpful links:

Update: Some colleges do not allow the transcript EasyImport Tool. Students may have to enter in all coursework manually into STARS.

Here are some resources for filling out the SRAR:

- Anderson CEEB is **440294**. **Scroll down to see pic of the High School page information**

- **Dates of ATTENDANCE: 08/2022 - 05/2026**
- Anderson transcripts report semester and final grades. **USE THE FINAL GRADE AND SELECT FULL YEAR FOR COURSE LENGTH.** Semester courses can be entered by selecting Fall or Spring.
- Anderson does not report annual unweighted GPA. Check "This school does not calculate unweighted GPA". (see pic below)
- Transcript Codes: **D** - Dual Credit **H** - Honors **I** - IB **P** - Advanced Placement **Q** - PreAP . Courses with a "J" were taken in Middle School for high school credit and should be entered in the middle school section.
- Senior year courses should be entered and marked as "In Progress"
- Anderson grades correspond to: A - 90 to 100, B - 80 to 89, C- 70 - 79, F - 69 or below
- Students can enter in coursework by year or by subject. (I personally think by subject is a little easier)

I prefer to enter my coursework by:
