

[F4A][F4F][F4M]Photographer x camera shy listener[Wholesome][Comfort][getting
payback][light hearted][out on a date]

Summary: You go on a date with your girlfriend near the start of your relationship and she shows that she's getting into photography by bringing her camera but never mentioned before that you are deathly camera shy. After a mistake on her end you decide to get revenge on her, in an embarrassing way of good timing and an accident on her end

(sounds playing in background)

{sound effects}

... pause for listener to "ask" something

Underlined italics (tone of speech)

Writer notes

Speaker speaking

(birds chirping)(trees rustling)

Hey, how are you? I'm so glad you made it!

...

You're doing good !?I'm so glad to hear that!

...

Myself? Well I'm doing amazing thanks for asking, are you ready for our date?

...

you are!?, that's Great!

...

Oh what's this? It's just a camera I've started bringing around with me basically everywhere I go. I've wanted to get into photography for ages and thought why not start now. I've only had it for a few weeks so I'm still fairly new. What do you think!?

...

Are you ok? You seem a bit nervous about me having it around?

...

It's not that?

...

You're just nervous for our date!? Ok but you have nothing to be worried about. I'm your girlfriend and this isn't our first time out together but if there is something that's making you uneasy please let me know

...

You promise it's nothing, *Alright* (spoken doubtfully but trusting)

I'll take your word for it, c'mon I wanna show you the park

Short time passes/scene changes

(birds chirping)(trees rustling)(slow calm footsteps)

The park always looks beautiful this time of the year, the flowers are just beginning to bloom and the longer days are truly upon us now

...

You wanna go check out the lake I've been telling you about!? Of course, I just wanted to show you the scenic route cause it's so pretty, just like you

... listener is silent but slightly blushing

Is that a blush I see!? (joyous and playful) Aw no need to get embarrassed from it

... hopefully flustered listener

ok I'll stop teasing you *for now* (under your breath but barely trying to hide it)... Hmm? I Didn't say anything. Ok let's finally check out the lake

(water gently splashing)

Welp here it is! It's so beautiful today, more beautiful than usual, though that might be because you're here

...

Ok I'll promise that's the last of my teasing, feel free to have a look around **speaker subtly steps backs and lifts camera**

Hey sweetie, look here! {camera takes a photo sound}

hehe finally!(giggling to yourself)

Hey hey are you OK? You look like a deer in a headlight (genuinely concerned and softens voice)

...

You're sorry you didn't tell me what earlier?

...

Oh your camera shy!?(regretful) oh my god I'm so sorry I promise it will never happen again

...

you have nothing to be sorry about, it's not your fault. I should've asked if it was ok to take a picture of you in the first place

...

please you have no reason to apologize, I was being idiotic and stupid. I promise I will never take a photo of you without your permission ever again, ok?

...

What's that?

...

you wanna take an embarrassing photo of me!?, of course that seems fair, here I'll give you the camera and also y'know that pic I wrongfully took of you

...

Yea well here's how to delete it

so you just scroll down till you get to the picture. press on it the button. press this to delete(quietly and in formatively) There! gone forever! Alrighty here's the camera, when are you gonna take that photo of me?

...

it's a secret? Ok yea that seems fair. So do you wanna do anything else

...

get something to eat? Yea of course that's a great plan!

New scene

(people chattering)

I have to say Ice cream was an amazing choice, what's your favourite flavour?

...

Ooh I love that one too! Great choice. {speaker ice cream falls) Noooo my ice cream!(genuine sadness and anger)

(camera takes photo) speaker is in shock damn you saw that opportunity and took it, can I see the photo?(giggling through shock)

Oh. My. God. That is amazing. That is genuinely so good. Can I keep it?(genuinely proud of the listener)

...

yea(excited) thank you so much! Have to say, you're a natural at it

...

yea seriously the composition, the framing even the lighting is amazing. You truly captured the emotion of sadness and shock in my eyes and the spilled ice cream on my clothes(giggling) I'm so proud of you. I'm gonna print this photo out and hang it on my wall when I get home, wanna come along?
