

Lord Frog has blessed us! Myth Gang will be holding the upcoming Summer Bash

Tournament! Great rewards await those who conquer! Myth Gang's Summer Bash Tournament will last from August 21-22 of 2020. This will take place over a series of two rounds, the open qualifiers, and the final qualifiers. The Open Qualifiers will take place over August 21st, and the Finals will be on the 22nd. The Summer Bash Champion will be crowned at 6:00 PM that day. All time dates listed are assumed as EST (Eastern Standard Time). You don't have to be Myth to participate!

Now, let's get on to the GOOD stuff...

Prizes

The Open Qualifiers have no prizes (other than qualification, of course.) Finalists who made their way to the top spots will find some sweet rewards awaiting them.

Top 1: 5000 Crown Code

Top 3: 2500 Crown Code

Top 5: TBD (Most likely Energy Elixirs)

Top placers will also get Server Clout! These include, but are not limited to, badges of the following:

All combatants **MUST** abide by every rule listed here. Failure to comply will result in an indefinite suspension from the Summer Bash. The following applies:

1. **Adhere to the rules of the Myth Gang Discord.** Remember that this is hosted by our Discord. Treat this as a normal Myth Gang Night and abide by the rules.

2. Jade gear is outright banned. This INCLUDES:
 - a. Jade Hood of Mystery
 - b. Jade Robe of Mystery/Spooky Carnival Robe
 - c. Mysterious Jade Boots/Rockstar Kicks
 - d. Silver Order of the Spiral/Sword of Kings (Life)
3. **Be civil.** A little smack talk is fun and allowed, of course. However, if a moderator or spectator reports inappropriate behavior, you will be disqualified. **I recommend recording your gameplay for this reason, so that you may defend yourself. I will be lenient in my judgement if you bring a recording of your match.**
4. **Some spells will be restricted to a certain length.** Life wizards, I'm looking at you.
Guardian Spirit will have a cap of 1. Insane Bolt will be capped at 1.
5. **Direct set shields are OUTRIGHT BANNED.** This means anything that is a -80 shield or above. C'mon, this is obvious. Setting is dumb. **That said, you can carry -70 shields.**
(Example: Volcanic Shield)
6. **Resist is capped at 75.** You shouldn't be going through that without Jade, though.
Note: You are allowed to change out your gear during the tournament. This includes, for example, changing a Dragoon Hat to a Malistaire Hat, or swapping out pets, etc.

TLDR: Play like normal PvP without the Jade/Guardian buff.
