Dems 45 Core Values

Integrity
Adhere to strong moral and ethical principles, including the responsible use of power. Reject transactional politics. Demonstrate courage and conviction by standing up for what is just and good. Choose words and actions that demonstrate honesty and gain trust.

Inclusion
Listen with empathy and work to understand other points of view. Promote accessibility, belonging, a sense of community, and making people feel respected and valued. Embrace a diversity of voices, including engagement of traditionally excluded individuals and groups.

Equity
Champion anti-racism, women's rights, gender justice, and LGBTQ rights. Advocate for economic and social justice through decisions, policies, and practices which enable fair access to resources, opportunities and benefits, prioritizing those with the highest need.

Accountability
Take responsibility and ownership to achieve results. Follow through on promises and commitments. Demonstrate transparency through open and clear communications. Ensure that words and actions are consistent with other values.
