

Shipping Instructions:

(delivery instructions on bottom of page)

1. Wrap all of the stems of your flowers together with a rubber band- this will prevent too much movement during shipment. You can include any and all flowers from your event you would like (the more the better)!

2. Wrap damp paper towels to the bottoms of the stems so that they will not dry out during travel.

3. Wrap saran wrap or a plastic bag over the damp paper towels (to prevent the box to become wet) and secure with a rubber band.

4. Obtain a box that is big enough to give the flowers enough space as to not squish them.

5. Wrap disposable ice packs in plastic bags. This step is not necessary, but recommended.

6. Tape and secure disposable ice packs in the shipping box- avoid letting the petals touch the ice packs.

5. Gently place the flowers in the box and surround the flowers with bubble wrap (to ensure the flowers do not move around or get squished).

6. If you plan to include an invitation in your frame please add it to the box in an envelope at this step.

7. Please put a piece of paper with your name inside the box.

8. Shipping address: Hannah Miko 113 Mimosa Drive
Williamsburg, VA 23185. I recommend shipping with UPS, they
ship in 1-2 days with the most affordable prices.

9. Share your tracking number with me so that I can look out for
the flowers!

Delivery Instructions:

1. Flowers should be kept in a cool environment and in a vase with water until delivered.
2. Contact me at 540-797-5708 or my email (belovedbloomsdesigns@gmail.com) when you plan to drop your flowers off.
3. Flowers can be brought to me in a vase with water or wet paper towel. The vase can be taken back with you at drop off.
