RE: Your Support for HB525 Outdoor Preschool Licensing Pilot bill!

Dear (Delegate/Senator) (Last name):

My name is (your first and last name) and I am an (educator/service provider/advocate/community member/ parent) who resides in your district.

I am writing to urge you to support House Bill 525 to establish an Outdoor Preschool Licensing pilot. This bill has thirteen co-sponsors and tremendous support in counties across Maryland! We need lawmakers to act by passing legislation to expand safe, equitable access to outdoor preschools as another form of high-quality early childhood education.

There are many urgent reasons why we need to pass HB525 Outdoor Preschool Licensing Pilot bill:

- All children deserve safe, equitable access and the ability to choose outdoor preschool as an option for high-quality early childhood education;
- Children from low-income communities and those with special needs do not have equitable access to the Child Care Scholarship. Licensing is required for these families to use State scholarship funds to attend outdoor preschool. This is an environmental justice issue and unfair barrier that disproportionately impacts low-resourced families;
- Outdoor preschools offer an alternative that can help expand high-quality early childhood education options. Hundreds of child care programs closed during the pandemic leaving a shortage of child care across Maryland;
- Teachers and programs should be vetted for early childhood credentials, including specific training in health and safety, to operate. Without licensing, there is no oversight of existing outdoor preschools in Maryland; and
- Outdoor preschools promote skills and values that lead to environmental literacy, which supports goals of the *Maryland Partnership For Children In Nature* and the *K-12 Environmental Literacy Standards* required for graduation in Maryland.

(Include a personal story. Tell your representative why the issue is important to you and how it affects you, your family members and your community.)

(Tell your representative how you want them to vote on this issue and ask for a response. Include your name and address on both your letter and envelope.)

Please help us champion an outdoor preschool licensing pilot by urging your fellow lawmakers to see that we get a vote on HB525!

Sincerely,
