

Rise – A Legacy Life

1. There are a lot of verses Pastor shared this week that deal with the issue of legacy and passing our faith on. Take a moment as a Fam group to read those
2. When you hear the expression “legacy life” does anyone come to your mind? What qualities does that person embody that makes them a legacy life?
3. How could you increase your legacy life of faith and obedience? Can you share a time God has asked you to step out and do something that required faith and obedience?
4. How could you increase your legacy life of worshipping and serving God? Are worship and serving something your kids see you do?
5. Take a moment to pray for each other and ask God to help you live a legacy life of faith and obedience to God and of worship and serving God.
