Getting to Know Mrs. Compton and Mrs. Hylton

I am so excited to be starting my 16th year of teaching at HES! I am originally from Wisconsin and graduated from the University of Wisconsin MANY years ago...Go Badgers! In addition to fourth grade, I have had the privilege of working with grades K-5 during my teaching career in WI, MN, and TX! My husband Craig and I have two sons, Coltan and Tanner, who are both graduates of NC State...Go Pack, and a very sweet daughter-in-law, Maddie. I enjoy taking our dog, Gracie on walks, baking, playing games, and directing the handbell choir at our church. I am looking forward to a SUPER year together! ♥ Mrs. Compton

I am excited to be starting my 25th year here at HES! I have taught 3rd and 4th grade, as well as, being the technology specialist. I went to Carolina for undergrad and I went to ECU for my masters. I love both schools, but in my heart I am a Pirate! My husband David and I have two sons, Drew, who will be a junior at UNCC, and Tyler who is a freshman at ECU. I love watching all types of sports with my boys and relaxing with a good book. I look forward to spending this year growing and learning with you and your student! ♥ Mrs. Hylton

What We'll Be Learning This Year

Welcome to fourth grade! This is such an awesome year. You will learn to take notes, study for tests, and be responsible for yourself. In Math, you will build on what you already know, as well as learn some new things. You will work on narrative writing, research, opinion, and persuasive writings. In reading, you will use the skills you already know to dig deeper into complex text. You will also use your social studies books to learn about N.C. In science, you will learn about everything from animals to landforms. WOW!

Classroom Management

I expect students to be respectful, responsible, and reliable. We have so much to learn this year and it is very important that everyone does his or her part. Please read the behavior section of your welcome letter for details on both our classroom and school-wide management plan.

Class Supplies

The supply list is on the school website and a copy is in the Monday Folder. Please let me know if you have any problems getting the supplies. Thank you so much to everyone that sent in classroom supplies!!!! We can always use extra supplies and tissues. All donations are greatly appreciated.

July Birthdays

Compton Hylton
7/19 Grace 7/1 Isaac
