SL: 12 Hours... [How to turn objections into paid deals]

Hey <Name>, if you want to know how to deal with rejections...

Then you need to GET rejected.

Here's one clue to how this works:

<testimonial screenshot>

It's easier than you think.

Obviously <name of the testimonial's author> knew some secrets we taught him, and it made it even easier for him to make a quick \$1900 before noon...

But you get the idea.

We show how this works step by step inside our private paid group, *but...*

[Today you can have a sneak peek into how we teach our students to turn rejections into paid deals for FREE.](#)

Based on the call you and our team had...

I think this is exactly what your business is *missing* right now to make over \$1000 per day.

This is why I'm super excited to share these rejection handling secrets with you for FREE, because...

1. These secrets will scale your business and become a perfect case study for us to get more clients to our program.
