Monday

-No School: Memorial Day

HW: Read 20 minutes

Tuesday

-Library lesson and check out

HW: Read 20 minutes

Wednesday

-Read and journal for Core 1 and 2
-Memory book for Core 3 and 4

HW: Read 20 minutes, one pager due tomorrow

	Thursday	- Memory book for Core 1 and 2 -Reward day for Core 3 and 4 HW: Read 20 minutes
	Friday	-Finish memory book HW: Read 20 minutes
Science <u>Mrs. Amy Matczak</u> Email <u>amatczak@sasd.net</u> (920) 459-3680 ext 3157 All assignments/materials will be posted in Google Classroom on the classwork tab. Many assignments will be paper copies provided in class. Absent? Check Google Classroom. Email Mrs. M with questions. Be prepared to come in for lunch or after school to get caught up. Skyward emails will be sent periodically to share student progress and the “current” grade in science. **New Resources and Curriculum Scope and Sequence started in 2025-26.	Monday 2025-26 School year	Students are required to maintain a science notebook with daily entries and a glossary. If absent, students are to go to Google Classroom and click on the daily slide in the STREAM. The TITLE on the daily slide will match the Activity topic in the CLASSWORK Tab. For example, <u>Home Energy Use</u> title of 9/15/25 slide, the Classwork tab <u>Activity 1 Home Energy Use</u> , will have the lesson agenda to follow for the information missed. It is the student’s responsibility to make up missed work. If assistance is needed, students should make plans to come to work at LUNCH, WIN, AFTER SCHOOL, or schedule a GOOGLE MEET with Mrs. Matczak. See her for a pass or meet link. Students are encouraged to study their vocabulary, using the provided online games in Google Classroom, in the CLASSWORK tab under the Vocabulary Practice topic. Students will also be making flashcards of key vocabulary and concepts to take home for nightly study. Grades in Science are based on their SCIENCE NOTEBOOK, ASSIGNMENTS, and ASSESSMENTS. Students will have the opportunity to make corrections or complete Extra Credit activities to boost their ASSIGNMENT grades. Students will be allowed to use their SCIENCE NOTEBOOK on all ASSESSMENTS; therefore, it should be well—maintained and up—to—date.
