

# Neurology Center of North Orange County

## About US:

Neurology Center of North Orange County specializes in memory loss and Alzheimer's clinical research, trials, and studies in Fullerton, CA, and surrounding areas, including Anaheim, Brea, Placentia, La Habra, Yorba Linda, Buena Park, Garden Grove, Orange, Stanton, and Cypress. We provide innovative services like cognitive assessments, dementia-related studies, early intervention programs, and support for neurological conditions such as Parkinson's and multiple sclerosis. Our team focuses on advancing treatments through cutting-edge clinical studies while supporting the local community with expert care and resources.

Service Areas: North Orange County, Adjacent areas of LA County, Central and Eastern Orange County

Date Founded: 1986

Number of Employees: 24
