

HOUSTON MET DANCE

HMD's Guidelines for class attire is designed to give students the freedom to dress comfortably while ensuring their physicality can be seen and their range of motion is unobstructed. Because the instructors need to be able to see body lines for placement, we request no baggy gym wear. We specifically request NO Street Clothes, especially jeans and crop tops. Students will not be admitted to class wearing street clothes (school uniforms or not appropriate clothing for our dance classes)

Class attire specifics can be found toward the bottom of the web pages linked below:
