

Level 1 Diploma in Art, Design & Media

Summative Assessment Sheet

GRADE: **Input here**

Unit : 1 Introduction to Materials, Processes and Technical Skills in Art, Design & Media

Unit : 2 Introduction to Contextual Research in Art, Design & Media

Name:

Date:

I.V.

Unit 1 - The student will understand materials, processes and technical skills in art, design and media.

Assessment Criteria		Indicative level - related to Grading Grid				Feedback
		Refer	Satisfactory	Good	Excellent	
1.1	Identify a range of materials and processes that support creative activities.					
1.2	Demonstrate the use of materials, processes and skills to record and express ideas.					

Unit 2 - The student will understand art, design and media contextual research.

1.1	Identify contextual information for art, design and media activities.					
1.2	Demonstrate the use of contextual information to develop ideas.					

STRENGTHS	AREAS FOR IMPROVEMENT
1.	1.
2.	2.
3.	3.

Grading Grid (Flood matrix as appropriate)

Grade Descriptors	Refer	Satisfactory Pass	Good Pass	Excellent Pass
Planning and Production	Little or no planning, poor organisation and incomplete against timescale.	Sufficient planning and organisation to enable completion to timescale.	Good planning and organisation. Effective production and completion to timescale.	Thorough planning and good organisation. Efficient production and completion against timescale.
Research	Little or no research, ideas undeveloped and problems unresolved.	Some research and development of ideas. Some evidence of simple problem solving.	A range of research used to inform development of ideas. Some evidence of problem solving.	Demonstrates a clear link between research and ideas development. Can adapt ideas in response to problems.
Practical Skills and Presentation	Limited skill demonstrated uses inappropriate processes. Poor presentation.	Demonstrates some skill and the use of appropriate processes. Can select and use techniques for presentation.	Demonstrates skill and the use of appropriate processes. Can select and competently use techniques for presentation.	Consistently demonstrates skills and uses a range of appropriate processes. Can select and competently use techniques for presentation.
Evaluation and Reflection	Inadequate assessment of ideas, little or no evidence of review.	Some ongoing assessment of ideas, able to discuss and review.	Ongoing assessment of ideas, able to discuss, review and evaluate.	Effective use of ongoing assessment of ideas, able to discuss, review and evaluate to inform progress.

REFERAL (delete section if not applicable)

You have failed to achieve the following learning criteria(s) to successfully pass these units.

- You have ONE opportunity to resubmit work with appropriate evidence to achieve the outstanding criteria(s).
- Failure to meet the criteria on second submission will result in a **fail**.

Criteria(s) referred. (input the referred criteria(s) and outline task(s) to be completed.
