

More info r/t The Disinformation Czar

[Where is the Money Going? - Body Scanners Create Profits for Chertoff and Others - AllGov](#)

They have all their bases covered, I see. "Disinformation" causes them to lose \$\$\$\$. Let's see. I suppose they will have to silence ALL of us in order to keep the "status quo".

Who do we have here:

Chertoff: Investment Partner, Judge, US Attorney General, DOJ Team

Michael is the co-founder and Executive Chairman of the Chertoff Group, which provides high-level strategic counsel to corporations and governments on a broad range of security issues as well as identifying and investing in early stage technology companies.

He served as the second Secretary of the U.S. Department of Homeland Security under President George W. Bush.

Michael previously served as a judge on the United States Court of Appeals for the Third Circuit, as a federal prosecutor, and as Assistant U.S. Attorney General. Michael is a magna cum laude graduate of Harvard College (1975) and Harvard Law School (1978).

"During much of the Obama Administration, the United States's cyber arsenal was strictly classified. As [Michael Hayden], a former director of the N.S.A. and the C.I.A., told the filmmaker Alex Gibney in the documentary "Zero Days," from 2016, "For the longest time, I was in fear that I actually couldn't say the phrase 'computer network attack.'"

Michael Hayden has 2 current jobs as Visiting Professor at **George Mason University** and Principal at **Chertoff Group**. Additionally, Michael Hayden has had 3 past jobs including Director at **Central Intelligence Agency (CIA)**.

JAY COHEN-[Jay Cohen - Rear Admiral @ United States Navy - Federal Service - Crunchbase Person Profile](#)

Jay Cohen

Summary

LinkedIn
[View on LinkedIn](#) 

Cohen's distinguished career in government service includes the position of Under Secretary for Science and Technology at the U.S. Department of Homeland Security, assuming responsibility for the department's science and technology assets. Previously, as Rear Admiral in the U.S. Navy, Jay had served as Chief of Naval Research and Deputy Chief of Navy Legislative Affairs, where he led the Navy and Marine Corps Science and Technology Program.

Jay provides critical experience and insights in the development of AtHoc's business strategy and execution toward enhancing government operations and serving customer needs in the homeland security and public safety market, as well as providing strategic national and global perspective into modern age technology and security solution innovation.

Honorable Cohen is a graduate of the United States Naval Academy and the Woods Hole Oceanographic Institution. He also holds a degree in Ocean Engineering and a Master of Science in Marine Engineering and Naval Architecture from the Massachusetts Institute of Technology. He is currently a principal at the Chertoff Group and serves on multiple corporate boards.
